We want to sell you Your Next Suit!

Long sgo we went into the best clothing markets and searched and sifted and bought the goods that have been coming to us daily for the past month. We have the results now to show in the

Best selected stock of Men's Fine Suits

Ever placed on our clothing tables. Such a varied choice is here that merely a hint is possible. There are cheviots and worsteds, tweeds and eassimers, serges rnd clay but it's the novelty of weave and color, and the high standard of cloth and trimming that makes our Fall showing a very superior one. For we are able to show Fall and winter suits that are exceptional values—we mean better values than that amount of money usually buys.

Mrs. Wm. Lee's Funeral ally of this city was held yesterday at the old prices. her home near Lebanon and the remains laid to rest in the burial grounds above Lebanon. DR.PIERCE'S Favorite Prescription

'I am so grateful to you for your ad vice," says Mrs. Sidney B. Oakes, of Whitmell, Pittsylvania Co., Va. "When I commenced your medicines I had been treated by different doctors for three months or more, but would only receive partial relief for a short while and then suld be worse than before. Was confined to my bed most of the time. At the time I commenced your treatment my left side was completely paralyzed Had no desire to eat anything; bowels costive all the time. Nerves were all unstrung, so I could not bear the least noise. I also suffered from diseased ovaries and female weakness. But thanks to my Maker and you, after following your advice, I am able to do all my washyour advice, I am able to do all my washing, sewing and house work in general. I haven't had a spasm in two months. Left off medicines about one month ago. Didn't think it necessary to continue them longer. I have taken about seven bottles of Dr. Pierce's Favorite Prescription, seven of the 'Golden Medical Discovery,' and two vials of 'Pleasant Pellets.' I heartily recommend those medicines to all suffering as I was."
