Continues His Journey From Colorado Springs

Describes the Appearance of Nebraska and Iowa... Illinois Agriculture Changing—European Immigration at Low Rates

CHICAGO, Sept. 20.

The trip from Colorado Springs to Chicago is not marked by any scenic points of interest, but covers rather a flat dreary stretch as far as the Missouri river, followed by the more fertile, undulating prairies of Iowa and Illinois. The northwest corner of Kansas for a hundred miles presents a sad prospect. The corn crop, which is the chief support of the farmers of that section, was first stripped by hail and then further reduced by drought. All there is left of it is the bare stalks—not even forage for stock remaining.

As we entered Southern Nebraska crops looked some better, corn being fair. Here as well as in Northern Kansas an effort is made to help out the stock interests by growing alfalfa, but for some reason it did not seem as thrifty as in the arid regions further west, where irrigation is brought into recognition.

After reaching Lincoln and Omaha we noticed a much greater thrift and more rank vegetation. These cities have dropped off in the matter of population, said to be the result of the fact that the boom period was here prolonged to such later years as to make restoration to the normal condition impossible as yet. However, this may be, it is apparent that Omaha still forms the great stock and corn center west of the "Great Divide."

After crossing the great feeder of the Father of Waters a new and entirely different panorama is presented to the view. Here in the great Hawkeye state we strike not only the rolling lands of fertility and wealth. Here we behold for the first time in half a thousand miles clumps of trees, strips of timber, and the "wind breaks" planted about the farm houses. These latter growths of wood illustrate effectively the fact that the Iowa farms are reaching maturity—becoming of age as it were. These groves were mostly planted with seeds or seedlings about a quarter of a century ago, and today in most cases they have gained sufficient growth to completely hide the fine farm houses which ornament every quarter section. Ten years ago these spacious country residences in which live the most independent and truly prosperous people in the world, were plainly visible from the railroad trains, towering above the saplings and half grown shade trees, but today one can ride many miles without finding visible proof that these grand old farm houses have any existence.

Des Moines, which is one of the few capital cities which has grown to be the

American Beauties.

There are none fairer or sweeter the world over. Unfettered and untrammelled the American woman queens it as queen of the world. Yet her very energy and ambition are often times her undoing. She attempts too much. Her health is undermined. And when health goes beauty goes also. The use of Dr. Pierce's Golden Medical Discovery re-establishes the health. It cures diseases of the stomach and organs of digestion and nutrition and assures perfect assimilation of food and the proper nourishment of the body. It increases the blood supply and eliminates the impurities that clog the system and cloud the complexion.

Mrs. Mary E. Lewis, of Tanager, Illinois, writes: "I was afflicted with Dr. Pierce's Golden Medical Discovery, Favorite Prescription and Pleasant Pellets, cured me when doctors and other medicines failed. For fifteen years I suffered untold misery. I could not sleep, eat, or get on my feet. I could not see, hear, or smell. I was very nervous and could hardly walk across the room. I only weighed ninety pounds when I commenced taking these medicines. After taking only one bottle I felt better. I had taken five bottles when I received and used your Golden Medical Discovery. I have taken twelve bottles since of 'Prescription,' 'Discovery' and 'Pellets.'"

Dr. Pierce's Pleasant Pellets act gently but effectively. Women value them.

"Hunger is the Best Sauce."
Yet some people are never hungry. Whatever they eat has to be "forced down." There is, of course, something wrong with these people. By taking Hood's Sarsaparilla a short time they are given an appetite and then they enjoy eating and food nourishes them. If you find your appetite failing, just try a bottle of Hood's. It is a true stomach tonic and every dose does good. The best family cathartic is Hood's Pills.

BLIND GUIDES.

Blindness is one of the saddest misfortunes that can befall a human being. But there is a time when blindness stamps the indelible stigma of "blindness" upon the blind man's forehead. This time is when the blind man undertakes leadership. It is the situation of the blind man who is blind to his own weakness, put their hands in confidence into the hands of some self styled leader with the result that both fall into the ditch of failure, and the poor thing staggers on a few more paces only to fall into the last ditch, the house appointed for all living.

AN EXPERIENCED EXPERT NEEDED.
Let us drop all figures of speech and face the facts frankly. Here are thousands of people suffering from disease of one form or another. The cry of the sufferer is for someone to lead him out to the desert of disease into the promised land of health. Here is Dr. E. V. Pierce, of Buffalo, N. Y., who has a record of more than a quarter of a million of cases and of out of every hundred cases led to perfect health. His experience of thirty years as chief consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., guarantees him to be familiar with every phase and form of disease.
But consumption! Is that cured too? Dr. Pierce's medicines? Among the hopeless (so-called) cases were those who had the night sweats, a hectic flush, the hacking cough, the racked lungs, and the emaciated, or wasted body, which are accepted symptoms of consumption. Their home physicians said they had consumption. They also said that their days were numbered. Yet these same people treated years ago, have lost the night sweats, lost the lung pains, lost the cough, have regained their normal weight, and are living right along in the hearty enjoyment of a healthy, happy life. They eat well, sleep well, and enjoy life. Perhaps they are not blind any more. But if the number is three score and ten and they live a life.

FULL OF HEALTHY ENJOYMENT.
Life might as well end by consumption as by any other disease. Dr. Pierce's Golden Medical Discovery has produced such results in thousands of cases.
Mr. John G. Born, 509 Liberty Ave., Pittsburg, Pa., writes: "Some thirty months ago I took my wife, I don't want to keep anything from you, I must tell you I am in the last stage of consumption. I commenced taking Dr. Pierce's Golden Medical Discovery. I took three bottles, and my voice has not been as good in eight years. My stomach was not so well as it is now. I have taken thirteen bottles, and can say with truth I am greatly benefited. People are surprised to hear of my recovery. I feel better than I have for many years.
