FIGURES THAT WONT LIE

There Were Some Good Prices Obtainable for Crops Under Cleveland.

Warren Co., Ill., Democrat, Oct. 4.

Mr. Stead, a Republican speaker, in his address here last Tuesday evening asked the farmers to compare prices of their products under McKinley's administration with those of the four years of Cleveland's last administration, and there by be convinced of the fact that prosperity had struck them with both feet, so to speak.

All right, Mr. Stead we will take you at your word and compare, taking wheat corn and oats for the subject matter, and Henry Clews & Co. for reference. According to the above authority wheat averaged in price to the farmers in 1893..53 8c; 1894, 5 91; 1895, 50.9; 1896; 72.5; 1897, 80.8; 1898. 58.2; 1899, 58.4. These prices of course include the May wheat of 1898 which, by the attempted corner of young Leiter, went up to $1.85, and was not a legitimate market.

The corn average of 1092.6 is away against Mr. Stead's idea of McKinley prosperity to the farmer as the following statement by Clews & Co will show:

1893, 36.5; 1894, 45.7; 1895, 26.4; 1896, 21 5; 1897, 25 3; 1898. 28 7; 1899, 30,5; making an average of about 30,5 during the four years of Cleveland, and a ol 28 1 during the three years McKinley.

It cuts the same discrimination in favor of Cleveland's administration appears, as follows.

Oats, 1893, 29.4; 1894, 32,4; 1895, 16.6; 1896, 18.7; 1897, 21.2; 1898, 25.5; 1899, 24 9. According these figures oats averaged 25 cents a bushel under Cleveland and only 24 cents under McKinley.

These figures do not lie but they give the lie to all the two-by-four Republicans speakers who are today bawling their lives out over the great prosperity Mr. McKinley has brought unto the farmers of this country. Of course the eastern wars; seasonable weather and crop failures in other counties are not considered by those who are trying to make it appear that Mark and Mack are entirely and exclusively accountable for prices, but the thinking, reasoning tiller of the soil will take their stories with a grain of salt, and then refuse to believe that all that is good and great emanates from the present administration

Too Many Irons in the Fire.

Gov. Roosevelt is doing wonders in the way of campaigning, his powers of endurance are surprising. But the question is whether he is doing more good than harm for the Republican cause by neglecting his gubernatorial duties to indulge his political knight errantry in chasing the second place in the republic at the foot of the rainbow. After the citizens of the empire state had elected him executive of that grand commonwealth, and he took the oath to perform the duties of the office without fear or favor, they do not feel kindly at his running off hither and thither, and leaving those same duties unfulfilled. He condemn, trust, quite severely in his oratory, but the trusts in his own state go unwhipped of justice, because the captain of the craft is not attending to his duties. In St. Louis, a day or two ago, the press dispatch tells us, requisition papers issued by Gov. Sayers, of Texas, were served on Gov. Roosevelt, at the Planters' hotel, for the extradition of John D. Rockefeller, Henry M. Flagler and other standard oil purists, who are wanted in Texas for alleged violation of the anti-trust laws. It has grown to be a saying among the plain people that justice cannot be administered to a man of millions who violates the laws, and the results of judicial proceedings go to confirm this saying. In Texas there is a man found who is willing to try his hand at enforcing the laws against defiant wrongdoers, but he runs against a snag at this point. Gov. Roosevelt informed the official that he could not act on the requisition so long as he was out of his state, as technically he was not governor when away from his dominion. As Falstaff says: "Do you call this backing your friends?" Many essential duties, essential to the welfare of society, go undone while this strenuous official is running around expounding the true faith, and how about the performance of a contract? He is receiving a liberal salary to perform the duties of governor. Can Gov. Roosevelt reconcile it with his conscience to draw pay for work he does not perform? OLD REPUBLICAN.

Dr. Bull's Cough Syrup is a remarkable medicine. A dry, tickling, hacking cough, the warning that consumption lurks near, needs no other doctor but Dr. Bull's Cough Syrup. It positively cures throat and lung trouble.

The German Loan.

NEW YORK, Oct. 13.—Ten million dollars of the subscriptions to the German loan are due on Monday. On the same day $7,000,000 of the British exchequer loan is due, being 25 per cent of the whole subscription. During this month ten per cent of the British loan of $12,000,000 taken last March is due. There is also about $5,000,000 of the Swedish loan to be paid this month. This takes about $20,000,000 in exchange from New York in one month.

Scrofula the Cause.

Eczema, catarrh, hip disease, white swelling, and even consumption have their origin in scrofulous conditions. With the slightest taint of scrofula in the blood, there is no safety. The remedy for this disease in all its forms is Hood's Sarsaparilla, which goes to the root of the trouble and expels all impurities and disease germs from the blood.

The best family cathartic is Hood's Pills. 6

Pneumatic Tube.

CINCINNATI, Oct. 13.—Chairman Master, with the other members of the commission appointed by the postmaster general to inspect the pneumatic mail tube service sat here today to take testimony as to its working in this city. This committee, after visiting other cities, will report upon the advisability of exending or discontinuing thi service.

MRS. MARY GREGOVICH.

Of Philipsburg, Montana Tells How She Was Cured of Dandruff.

Mrs. Mary Gregovich, of Philipsburg, Montana, under date of Nov. 26, 1899, writes: "I had typhoid fever this summer, consequently was losing my hair terrible, and my head in places was perfectly bald. Newbro's Herpicide had just come into use in Philipsburg, and the doctor strongly recommended it to me. After 3 or 4 applications my hair stopped falling out, and is coming in again quite thick. I used to be troubled greatly with dandruff, of which I am now quite cured." Kill the dandruff germ with Herpicide.

The Sugar Supply.

NEW YORK, Oct. 13.—One of the best authorities on the sugar trade says that, while it is true that the supply of raw sugar is small and decreasing he expects there will be sufficient to go round. The supply of raw sugar from beet is beginnig to arrive on the market, and this will be followed by imports of Demerara which should arrive about the end of the month. The Louisiona supply comes on the market in November, but the Cuban sugar does not begin to get here until January. Thus while there may be sufficint to keep the plants in operation there will not be much of a surplus.

Dr. Bull's Cough Syrup is unquestionably the most remarkable remedy ever produced for the cure of throat and lung troubles. It has cured thousands, and has done wonders in many cases of incipient consumption.

Beware of Ointments for Catarrh that Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio. by F. J. Cheney & Co. Testimonials free.

Sold by Druggists, price 75c per bottle. Hall's Family Pills are the best.

A GOD-SEND TO THE WOMEN

The Harrington Washing Machine

Is a God-send to women, enabling the most delicate female to do a large washing with little or no hard work. No MORE DREAD OF WASH DAY. The machine weighs four pounds—takes up very little room,—will last many years, and will do more work and better than any Two crank or lever machines.

If you buy a Harrington, use it thirty days, and are not perfectly well satisfied, bring it back and get your money.

I have taken the agency for Salem and Marion County, and require some competent persons (Ladies preferred) to solicit in city and county, to whom liberal inducements will be offered.

Springtime

Is the sweetest season in human life, as it is in Nature generally. It is the time of promise. As the young girl draws near to that mysterious line "Where womanhood and girlhood meet," her whole destiny is in a measure being determined. How often the sweet young girl, under the influence of the change, withers and droops like some blighted bud. Nature generally needs some little help at this critical period, and this help in its best form is contained in Doctor Pierce's Favorite Prescription. It establishes regularity, and gives the vigor of perfect health to the womanly organs. It contains no alcohol, neither opium, cocaine, nor other narcotic.

Miss Emma Lee, of Williford, Sharp Co., Ark., writes: "I was suffering severely and tried several doctors' remedies, but received only very little relief; therefore, I feel it my duty to write and let other sufferers know what your 'Favorite Prescription' and 'Golden Medical Discovery' and 'Pleasant Pellets,' have done for me. I took eight bottles of 'Favorite Prescription' and 'Golden Medical Discovery,' six vials of the 'Pellets,' also one bottle of your 'Compound Extract of Smart-Weed.' As soon as I had taken the first bottle I could see that the medicine was helping me. I had disease of internal organs with bronchitis and catarrh. I also used the local treatment you suggested." ¢c

The sluggish liver can be cured by the use of Dr. Pierce's Pleasant Pellets.

Catarrh

The cause exists in the blood, in what causes inflammation of the mucous membrane.

It is therefore impossible to cure the disease by local applications.

It is positively dangerous to neglect it, because it always affects the stomach and deranges the general health, and is likely to develop into consumption

Many have been radically and permanently cured by Hood's Sarsaparilla. It cleanses the blood and has a peculiar alterative and tonic effect. R. Long, California Junction, Iowa, writes: "I had catarrh three years, lost my appetite and could not sleep. My head pained me and I felt bad all over. I took Hood's Sarsaparilla and now have a good appetite, sleep well, and have no symptoms of catarrh."

Hood's Sarsaparilla

Promises to cure and keeps the promise. It is better not to put off treatment—buy Hood's today.

SHAGGY-COATED MUSHROOM

The court house square is growing a fine crop of shaggy-coated mushrooms, an edible variety that is very fine if eaten when they first come up. Everybody but mushroom cranks cry out—Poison! Poison! when shown these beautiful articles of food, and if they are poison there will be three dead reporters in town very soon.

Red Time

take a pleasant herb drink, the next morning I feel bright and my complexion is better. My doctor says it acts gently on the stomach, liver and kidneys, and is a pleasant laxative. It is made of herbs, and is prepared as easily as tea. It is called Lane's Medicine. All druggists sell it at 25c. and 50 cts. Lane's Family Medicine moves the bowels each day. If you cannot get it, send for free sample. Address, Orator F. Woodward, LeRoy, N. Y.
