### JURY DISMISSED.

Circuit Court Adjourns Until Monday. Lindsay Settles Up.

John Lindsay, the Turner Saloon keeper appeared in the circuit court for sentence Friday afternoon, on the two charges to which he had made a plea of guilty.

Selling liquor to a minor and allowing a minor in his saloon. He was fined \$75 on each offense, and paid in \$150. The charge of selling liquor without a license still stands against him, but will probably not be pressed if he closes up his saloon in Turner as it is understood he will do.

The damage case of Phillip Reese vs. J. R. and C. A. Parvin, was nolle prossed after plaintiffs testimony was in.

The jury were then dismissed from attendance and court adjourned until 9 a. m. Monday.

### NEW HOME ADVERTISERS

The large advertisement of the Piano and Aeolian Company that will favor Salem people with high-class musical concerns all of next week, is very attractive. It is changed every day and contains information of new century variety. It is the prettiest advertisement that has appeared in many a day.

Buren & Hamilton talk to the people in a half-page just as they talk if you call at their furniture store. That is a point in favor of a popular advertising medium like THE JOURNAL. You can say to several thousand people just what you would say and say it effectively, and illustrated with a picture that tells what you are talking about, to one customer if you had him right in your store. Some of the people you talk to in print will see the point and become customers. A live newspaper beats a telephone or a photograph.

There is Rineman the State street pickle man. He advertises a ten cent pickle—a glass jar of pickles, and what a pickle a woman is in when she has company and no pickles in the house. Rineman will get her out of that pickle for ten cents, and then he has cultivated a taste for pickles of all sorts that enables him to give his trade the best that experience can furnish in this line.

The Light & Power Co. tells you how to light your house on the meter plan at ten cents a thousand Watts. If you don't know what that is Supt. Lan birth will tell you.

The Goode sisters are a new military firm that have something good for all the ladies who will call on them.

Geo. Rodgers who runs the Capital Bindery makes a specialty of photo mounts. See him for wholesale rates if you are in the picture business.

ABOUT FIFTEEN CENT HOPS

John Carmichael, a Salem hopbuyer, says that sales of hops are now being made at 14 1/2 cents, and he expects soon to see a fulfillment of his prediction made some time ago that those who held for 15 cents would get that price.

### THEY TRESPASSED.

Of course, Binger Hermann had no time to explain how big corporations, by means of the lion-land swindle are gobbling up hundreds of thousands of the best timber lands of Oregon. That is not what he is paid a big salary for by the people. The outrage of surrendering rock-piles and lands they have stripped of timber for Oregon lands with millions of feet to the acre does not appear to Mark Hannant as worthy of mention.

### SOME ONE WRITES TO ASK IF THE X-RAY MAN DARE PRINT THAT THE OLD RESIDENTS SAY OF TIL FORD, THAT HE USED TO BE A DEMOCRAT, AND ONE ROLE A MULE UP COMMERCIAL STREET SWINGING HIS HAT AND HURRAHING FOR JEFF DAVIS.

There isn't anything the X-Ray man don't dare do that there is any fun in or any truth that ought to be told. If Til, ever did that, he has reformed, and don't care if it's told on him now. But it's devilish natural, if he ever supported African slavery, that he should take such an interest in this campaign, when we've got a Sultan on our pay rolls who keeps slaves and has a harem. It's enough to stir his old Democratic blood to action.

### CATARRH OF THE STOMACH.

Rabbi David Klein, 630 E. Math Street, Columbus, O., writes the following to Dr. Hartman in regard to Pe-ru-na: "It affords me great pleasure to testify to the curative merits of your medicine. Pe-ru-na is a well-tried and widely used remedy. Especially as a specific for catarrh of the stomach it cannot be excelled. Pe-ru-na will do all that is claimed for it."

Rabbi David Klein.

People afflicted with catarrh of the stomach complain of lassitude, all-tired-out feelings, their blood becomes thin, nervous system deranged, food seems to do them no good, continuous and increasing weakness. The unfortunate

victim wonders why he should be so weak, why his food gives him no strength, why his blood should be so thin.

Mr. Alex. Carter of Van Buren, Carter Co., Mo., says: "I had been troubled with dyspepsia and indigestion since 1879. The best physicians in the country could do no good. I visited the Mullanphy hospital in St. Louis and received no benefit. The attending physician told me I had narrowing of the outlet of the stomach, and the only remedy was to have it cut out, which I refused to have done. I then visited West Baden, Ind.; Las Vegas Hot Springs, New Mexico; Sweet Springs, Mo., and Menton, Col. I also took a great many different kinds of medicine recommended for dyspepsia, but found no relief. Last February I read a testimonial for Pe-ru-na in the Central Baptist that suited my case and I determined at once to try it. I have taken two bottles of Pe-ru-na and four of Man-a-lin, and I feel like a new man. None of my friends believed I would get well. I would not take any money for the good your remedies have done me."

In catarrh of the stomach, as well as in catarrh of any other part of the body, Pe-ru-na is the remedy. As it has often been said, if Pe-ru-na will cure catarrh of one part, it will cure catarrh of any other part of the body. "Summer Catarrh" sent free by Pe-ru-na Drug Mfg. Co., Columbus, O.

### DEAD DRUGS

If you stop to think about it you'll understand that drugs, like all things else, grow old, and in the process of doing so, lose their vitality—their life. You don't want dead drugs in your prescriptions—if you did you could not get them from us. We don't deal in that kind. Ours are the kind physicians like put in their prescriptions—the live kind. All the physician's skill and druggist's accuracy may be brought to naught by dead drugs. Dead drugs are really dead stock. Dead stock means dull trade. Our trade wouldn't let us accumulate dead stock if we tried—and we are not trying. If you want live drugs come to the live store.
