HOW TO MAKE SALEM A CITY OF FIFTY THOUSAND REOPLE INSIDE OF TEN

mensions as a city for the next ten put it there?

THE JOURNAL believes in certain fundcity administration and extend it, at Salem. Accumulate a surplus and adopt a policy of liberal improvements when you have the money to pay for them.

First, give Salem the reputation of being the best governed, best financed and most progressive city in the United on election day.

larger boys and girls are all driven to go should begin to form a taste for college Soudan can be expected to do. and university. Attendance in the primary grades is good in the Salem

the residence parts of the city.

WHAT ABOUT AN INDEPENDENT WHEAT cilatory spirit. MARKET FOR SALEM

Mr. Humphrey has called a meeting CRUELTY TO of the farmers at different points in the county to agitate his plan for a" independent wheat market and manage plant at Salem. There should be an interest in this matter second to no other matter in the county. Salem is the and drive the farmer as far as possible to haul his wheat elsewhere and this sible wipe Salem of the slate as a com-

With the milling business monopolized | There are state laws against cruelty to and the warehouse facilities scattered to animals and failure on the part of ownsmall points and entirely under control, ers to provide them with proper food the situation is an unfortunate one for and shelter, and these laws amply cover the farmer and the businessman at Sa. such cases. The city officers are de lem. Our business men are compelled wherever the responsibility can be fixed. to carry large stocks of merchandise, the offenders will be vigorously proceedyet the farmer is forced to stay away ed against. from here with his grain and to go elso. where to have his milling done. It would ment as though this condition of things don't you think?" ought to interest every businessman of salem and every banker, and that Mr.

directly in the interest of this city in its own struggle for self-preservation. Next year there will be a large wheat crop and Salem should not be crowded to the wall as a murket.

It is undoubtedly the interest and the ntention of wheat corporations and milling interests at Portland to entirely close down on Salem-as a center of this Weekly One Year \$1.00 in Advance industry and let no independent market live here if it is possible to wipe it out. Mr. Humphrey and his associates have no easy task before them. They need the co-operation of the farmers and of the businessmen of this city to win. They are on the inside as far as knowledge of years, or shall Salem become a city of the business and being in touch with fifty thousand? Everyone will say the the outside market is concerned. They latter. Even the children. But how to have the experience to handle the business and protect the grain grower, and amental principles of policy that will protect our city and its business interbring about the desired end. First keep ests. Let us all join in an intelligent up the present policy of a non-partisan fight for an independent wheat market

THE COLORIAL DAME

Smart Set for December Such lineage and a name Were worthy of a better fame. This noble dame of high degree Does naught but quote her pedigree It is so long, of such renown, It took a year to write it down. Her ancesters gained all their scars From wounds received in England's

Her grandsire was among the host The Mayflower brought to this fair She'll tell you, with the greatest pains,

What blue blood courses through he veins: Its source dates back so long ago She scarce recalls the time, you know. She holds so high her lofty head, She scorns the ground with haughty

In fact, her blood is all so blue She is most kind to speak to you.

"A Child's Garden of Verses," by Robert Louis Stevenson, is the most beautiful children's quarto of the year. their only interest is to protect him and It is illustrated by E. M. Mars and M. are alternately ink drawings and delicolors. The verses are past recall classics of English child verse. Happy the child that shall be permitted to expand LONDON, Nov. 20 .- Lord "Bobs" is over these sunny pages, illuminated

The latest development in magazines is the entrance of the firm of John Wanamaker into the publisher's field. They will take over and publish, beginning with the December issue, Everybody's Magazine. "We have set ourselves the task of building up in char acter and circulation an illustrated magazine of our own and of the best type" says the announcement. So radical a departure seems to call for some explanation; the statements made that the Wanamaker Stores have become the largest sellers of books at retail in the country and that they deal with more readers directly than any other firm (the aggregate sales equalling or surpassing the sales of even the largest publishing house) they think that a Manaro, Nov. 20,-The session of the popular magazine belongs naturally schools, but in the Eighth grade we Spanish Cortes begins today.
