RESULT OF A REFORM CAMPAIGN. The taxpayers of Marion county are getting the benefit of a thorough discussion of county finances in the campaign preceding the last June election. THE Jounnal compiled and scattered broadcast the expenses of the county government of Marion and Linn for the eight years preceding in such a way as to its candidates and to compel the candidates to adopt a platform and make specific pledges of reform.

The Republicans claimed that their county convention resulted in a new deal, that the management of the party was taken entirely out of the hands of the old ring, and that their ticket represspoke the jargon quite easily and with 5989 goats. sented the reform element of the party. The fight for financial reform, retrenchment and the reduction of taxes was and Judge Bean, who had "klatawaed made just as hot, and while the conven - si-ah you ah." She was glad to see Exemptions . tion ignored these reforms, the county "consway close tillicum," and hoped central committee and candidates soon they would all have a "hi-as close" time. found that they had to adopt the main The spoke encouragingly of the "potreform propositions.

dinary expenses as would be found of water.) other main planks of the Democratic and endum were adopted by the Republi-

cans as theirs. The Republicans virtually run a Reform campaign, and stole the thunder and campaign issues of the opposition and went into power again as a reform administration, pledged to jury reform, to honest elections, to economy, to reduction of taxes, to getting the county out of debt, to putting the county on a cash basis, and letting all public work to the lowest bidder.

Whatever progress is made in these Marion county affairs, will be due to the jority party, to the execution of promises extracted from its candidates by the opposition. It will not be due to any virtues of the Republican party, but such into effect from their political necessi

The result is progress in 'good government. The taxpayer will in the course of time experience relief. The county will get out of debt. Honest juries and non-partisan selection of election officers will result.

SOME OF THE OREGON CENSUS TAKING. cities is so ridiculous that no one cares its principal, growing, prosperous and parts of the state. thrifty cities have lost in population!

town in the state that was not the recip- one, there being no "benefit" connected ieut of a magnificent backset during the with it. depression, but has held its own and actually grown in real population. It has lost some by deportation of federal office-holders and decline in prison pop-

ulation. Eugene, the booming university town has lost about a thousand population secording to the kid census, because it was notoriously a kid census at Eugene College boys with a political pull are said to have gone out for a census-taking holiday on their bicycles and made some

pin money to pay football dues. The census takers besieged the newspaper offices as usual to help take the consus. This office received appeal after appeal to assist in securing a complete ceneus, and it learned of many citizens and whole neighberhoods that were skipped, and some of these were picked up after they were reported. But how

many were not? The truth is that while Great Britain ber of of the Legislature in 1898 and ing to appear. takes a census in one day, the American 1899, and champian of texbook reform census business has but one merit—it in the House, was in Salem yesterday, puts millions in circulation amonng an impecunious set of political wire pullers. As there is to be a legislature in session who for reasons best known to their soon it might be well for the city councreditors prolong their job for what cil to take time time by the forelock and \$5000, to publish a newpaper and ron a cause I require two, one for myself there is in it. Any old justice of the put on an extra policeman in the lower job office, has filed articles with the and the other for the empresa." peace could take a better census of his parts of the city.

district than the great political machine at Washington.

Oregon has probably nearer half a million population than four hundred thousand. Salem has ten thousand, and if all territory was in the city that belongs to Bigger Salem as she will one day exist on the map. Eugene is the Exemptions ... most flourishing of the smaller cities in Oregon, instead of being on a decline. Nobody cares what the kid census takers report about our population. Salem should take her own census and blow her own horn as to population.

#### NATIVE SONS AND DAUGHTERS

Entertain Their Friends and Listen to Speeche: in the Chinook Jargon.

#### MARION COUNTY ASSESSMENT 1900

Reductions Made Are, Not Large As Other Count

Should Have Been Cut About Two Millions on the Basis of Umatilla Figures

Below are given comparative totals of assessments for 1899 and 1900. Marion county valuations are still too high when compared to Umatilla which cut about \$1,500,000 under last year. The figure for Marion should have been set at \$6,500,000 instead of \$8,127,781. But Marion was always too modest. Here are the figures:

Summary for 1899. 179,267 acres tillable land . . . \$2,695,319 327,923 acres non-tillable. Imp, on deeded lands. Town and city lots .. Larp, on town lots. Imp. on undeeded lands 112 miles railroad bed. Railroad rolling stock. 158 miles teleg, and telph. Merchandise . Farm implements etc. Notes and accounts 718 shares of stock Household furniture etc. 7,230 horses and males 10,839 cattle.... 19,946 sheep 1357 goats 3,305 swine Gross valuation ....

Summary for 1900. Following is the summary as prepared by Assessor showing the valuations on

Total taxable property ...

179.267 acres tillable land. 330.470 acres non-tillable..... Imp. on deeded land .... Town Lots .. Imp, on town lots. Imp on undeeded lands 112.15 miles railroad bed Rolling stock. Merchandise. Farm implements, etc. 6608 horses and mules .....

Gross valuation.

Total taxable property.....\$7.733.018 174,627 acres tillable land . . . 316,042 acres non-tillable. 846,895 112.15 miles railroad bed 189.60 miles tely and telph Farm implements, etc. Money 11,949 5981 awine ... 11,225

Gross valuation ..... Exemptions..... Total taxable property . . . . \$7,121,781

A movement has been started that gested the study of the history of Oregon may result in erection of a commodious and also the building of a log cabin in Young Men's. Christian Association shall come and pay you a farewell vis sages, which if neglethe businessmen about \$1500 a year to Capt. Hunt, Wm. Westacott and maintain the association here, The plan others were called upon and seconded is to invest this capital say for a period of ten years in a building, the rents Miss Margurite Alderson sang the of which would produce revenues. A "Christmas Rose" very sweetly and committee of businessmen has been

OIL WELLS IN OREGON

Enthusiastic Letter From a Former Oregonian

H. W. Cottle, formerly of Salem, and well known throughout all Oregon, has CASTLEMAN.-Friday, December 1.320,340 the following letter in the Tillamook 683,928 Headlight, of Dec 6th:

"During the past year I have vis-17,410 ited all the oil fields of California, 268,765 carefully examining the formation and passed through Tillamook and Clutsop LINKED 192,620 Counties in Oregon, and I am satisfied 79,612 that there is oil in both of those counties. I find in each of those counties time. sandstones, the shales, the fossils, the sail 190,360 conglomerates, etc, and I am informed 145,998 by most reliable parties in Clatsop Co.,
30,501
7,313 of seepages there. Oil in California is
12,012 changing lands from a valuation of
52,50 per acre to \$1000, and in some cases.

14,998 by most reliable parties in Clatsop Co.,
adving, and with his household went Archie to book his last upon his master's face and heat his voice once more.
The jester stooped above his lord and \$2.50 per acre to \$1000, and in some cases | The juster shoped above his lord an said Master why do you say good by? \$8,702,744 to \$4000 per acre, and is selling at the "I am going a journey Archie" was the latter price. It is making millions for California, and the development of good |oil wells in Oregon will do as much for that state.

"A good producing oil well anywhere the roll as appearing when the books in Tillamook County would more than were transferrred to the county clerk's double the valuation of the entire county and cause an active demand for the \$2,695,319 poorer lands of the county at prices that 1.306,699 would astonish its citizens. It would 645.044 cause numerous other wells to be put 941.360 down at once. Would assist in bringing a railroad, in improving the harbor or 259.865 causing it to be improved and in general 9.477 development.

8.900 "The coast portion of Alaska, Washington, California and Mexico each has the jester asked 198,418 valuable underground wealth. Is it 69,109 reasanable to suppose that state lines, "What provision hast thou made for this 338.628 established by men long after this coast journey. None at all sighed 33.745 33.745
251.384
was formed, has barred out underground in his master's face, then he placed his bauble in his lord's hand. "Take it he said for I have found a greater feel than myself." 11.249 There is underground wealth there. It simply awaits enterprise to develop it. Now a company could easily be formed to the constant of thousands of people walk this world tens of thousands of people walk this world Now a company could easily be formed in your County, each citizen taking a linked with folly. They are ignorant of the conditions of life, ignorant of the conditions of life, ignorant of the conditions. dollars for each dollar invested.

As Abrupt Proposal.

The reported fashion of the famous Dr. Abernethy's courtship and marriage is very characteristic. It is told that while attending a lady for several weeks he observed these admirable score years and ten. What is a cure any-qualifications in her daughter which he way? [sn't it life? You don't care what truly esteemed to render the married state happy. Accordingly on a Saturday, taking leave of his patient, he ad-dressed her to the following purport: Medical Discovery dressed her to the following purport:

"You are now so well that I need not coughs, laryngite see you after Monday next, when I | ease, and kindred att. It. But in the meantime I wish you and your daughter to seriously consid
lead up to consumption, can no longer be doubted in view of the many thousands of well established cures of such cases reporter the proposal I am about to make. It is abrupt and unceremonious, I am Many of these cases have been pronounced aware, but the excessive occupation of local physicians before the sufferers commy time by my professional duties affords me no leisure to accomplish what desire by the more ordinary course of attention and solicitation. My annual receipts amount to £—, and I can settle £— on my wife. My character is generally known to the public, so that you may readily ascertain what it is. I have seen in your daughter a tender and affectionate child, an assiduous and careful nurse and a gentle and ladylike member of a family. Such a gol well and strong again."

I had a very bad cough, also night-sweats and as almost in my grave with consumption." writes Mrs. Clara McIntyre, of Ashland, Middle writes Mrs. Clara McIntyre, of Ashland, Middle with the member of a family. I had deed of consumption came to me in a dream and told me to take Dr. Pierce's Golden and careful nurse and a gentle and taken the Lord, I did so. By the time I had taken half of the first taken three bottles. That was all I needed. I got well and strong again."

I had the grin, which left me feeling miser eccipts amount to £--, and I can set-County Judge Scott is putting in all and careful nurse and a gentle and erson must be all that a husband could covet, and I offer my hand and fortune for her acceptance. On Monday when I call I shall expect your determination, for I really have not time or the routine of courtship."

In this manner the lady was wooed and won, and it may be added the

union was felicitous in every respect. How Li "Worked" Two Machines. With a seeming innocence that would have done justice to Ah Sin, the Hea-Capital Typographical Union No. 210 then Chines. Li Hung Chang appeared

His excellency's first question was how long it would take for the sewing do a certain distance-seemingly confulling the mechanical stitcher with a lady's safety at the next stand.

Without waiting for any reply to his query or further ceremony I i started sewing a little seam. Nor did he do i badly, a fact which made him seem delighted as a child. For some time the viceroy continued his beaming and, though got away at length by his attendants, hamediniely sat down at the next machine and insisted on working

"What is the price?" asked Li at ength.

"Your excellency shall have it as a gift." was the reply of the exhibitors. Then I don't want it in that case.' And he had them.
