## SILVER DOLLAR

### To Be Maintained at Parity With Gold.

### BRYAN'S VIEWS TO BE PRINTED

#### Frank Leading for the Short Term Senatorship in Montana.

WASHINGTON, Jan. 24.—By a party vote of nine to six the House committee on coinage today ordered a favorable report on the bill of Representative Hill (Conn.), "To maintain the silver dollar at a parity with gold." This was done after the committee to be heard, and a communication from W. J. Bryan to be received. This, however, was without purpose to exclude Bryan's communication, which will be received and printed as part of the hearings.

Chairman Southard presented a dispatch received from Bryan saying: "Inconvenient to visit Washington, but should be pleased to submit my views in writing if you will send me copies of the pending measure."

The House is considering the naval appropriation bill today. The question of abrogation of the treaty of 1817, prohibiting maintenance of war vessels upon the great lakes, provoked considerable discussion.

In the Senate today the Indian appropriation bill was up. At 2 o'clock the shipping bill was laid before the Senate but it was laid aside temporarily while consideration of the Indian appropriation measure continued.

HELENA, MONT., Jan. 24.—H. L. Frank gained three votes on joint ballot today for the short term Senatorship, reaching 20, highest mark made by any fusion candidate since balloting began.

### THE REPUBLICAN SENATORIAL CAUCUS

Wednesday night adjourned to Thursday at four o'clock. One of the McBride men in the caucus said a proposition to unite all the Republicans would be made to those remaining out, but up to this hour none had been received. A prominent member of those outside the regular organization who is not a McBride man said today that they, (the anti-caucusites,) would have a proposition to make to the Caucus Republicans in a few days which he thought might lead to a happy conclusion. He would not state what it was but said they would be glad to consider any proposals for harmony.

There was a great concourse of people from the commencement to the close. The proclamation was greeted by a fanfare of trumpets. ### VICE PRESIDENT KILLING LIONS

His Exciting Adventure With One of the Beasts at Bay.

MEERKE, Colo., Jan. 24.—News direct from the Keystone ranch, at which place the Roosevelt hunting party is stopping, shows that between the 12th and 22nd of January, 12 grown mountain lions, three kittens and eight lynx cats were killed. On Saturday last the party had quite an exciting adventure with a lion.

The lion was held captive by and was fighting with the whole pack of hounds. The hunters were trying to get near enough to the animal to kill it with their knives when it seized one of the dogs by the jaw. Gov. Roosevelt shoved the breach of the gun into the lion's mouth, holding the gun by one hand, with the other striking the lion a deathblow with his knife. His gun shows the marks of the lion's teeth. All the grown lions were killed with the knife. The Governor has decided to stay for another two weeks.

## FOREIGN CLAIMS

### Will Go Before an International Committee.

### FRENCH CALL OTHERS COWARDLY

#### For Withdrawing the Troops Needed to Protect the Chinese Christians.

PEKIN, Jan. 16. (Delayed in transmission.) The Chinese are anxious to have the indemnities payable to the different nations adjudged in international committee. A majority of the ministers here seem to think that their government make separate arrangements with China. The ministers will hold a meeting shortly to consider the next step to be taken. No formal reply will be sent to the Chinese objections, but they will be considered.

The note which accompanied the agreement delivered by the Chinese plenipotentiaries reiterated the Chinese objections already published, adding thereto a request for the immediate return of the public buildings, and the total cessation of the military expeditions. The desire for a definition of the limits of the legations, also a desire for the removal of troops as early as possible.

The German and French officials seem to think it unwise for the troops to leave Peking for several months. The French especially object to what they call "the cowardly behavior of other nations in not protecting the Chinese Christians."

For that reason they believe it will be necessary to keep the troops at least another year. The English, Americans and Russians seemingly think a gradual withdrawal can be made as soon as the river opens, about the beginning of March.

NEW YORK, Jan. 24.—J. J. Valentine, president of Wells, Fargo & Co., has issued his annual report of metals produced in the states and territories west of the Missouri river, including British Columbia and the Yukon district. The report states that the total gross result in 1900 was \$299,115,427 of which gold contributed \$99,100,733; copper \$89,752,284 and silver \$102,402,502.

The combined output of these metals last year was the greatest in the history of this country and Canada. The world production of gold, estimated at \$236,000,000 shows a decrease of \$48,000,000 as compared with 1899. Australia mined \$6,000,000 less while the production in South Africa fell off on account of the war. The production in the British North American possessions increased \$6,000,000 and the total for North America about \$5,000,000.

Montana leads with an aggregate production of metals of \$97,978,150; Colorado ranked next with \$47,916,230; Arizona followed with \$21,206,029 and then California with \$18,300,714. In British Columbia (and the Yukon district) the value of ores mined was \$30,297,000.

The Iron Age today says of conditions in the iron trade: "The principal event of the week has been the closing of contracts for the sale of 100,000 tons of Bessemer pig to the Carnegie Steel Company at \$12.50, valley furnace, to which a further lot of 60,000 tons will be added. Another large supply was purchased 50,000 tons, but at a lower price."

Whether there will be any labor trouble in the valleys, as threatened, is doubtful. The impression prevails that work will go on quietly at the reduction offered by the furnace companies.

### INFRINGEMENT OF RIGHTS

TACOMA, Wn., Jan. 24.—The building trades council has declared it to be an infringement of their rights for members of a sister Union to permit sub-contracting of shingling or any other part of the carpenter trade.

### BUSTED ORDER OF CHOSEN FRIENDS

Death Certificates and Old Age Claims Piling Up.

INDIANAPOLIS, Ind., Jan. 24.—Receiver Clarke, of the Chosen Friends, says the total liabilities of which the receiver has accurate knowledge at present are \$774,746. In addition to all these claims there are protested checks for large amounts, which will bring the total indebtedness far in excess of \$800,000. To meet this heavy indebtedness the receiver has in his treasury at present \$2,000 in cash. Every single asset upon which the order has a claim will have to be fought bitterly in the courts before it can be realized upon. The creditors may get three cents on the dollar. There are now death certificates in the sum of \$465,297; old age claims amounting to \$279,109 and miscellaneous claims which will reach \$430.

### DEBATE OVER ASIATICS

Senate joint memorial by Inman, of Multnomah, memorializing Congress for the re-enactment of the Chinese Exclusion act, was adopted after an effort to abrogate the section excluding Japanese and other Asiatic laborers proved unsuccessful.

In discussion of the memorial, Senator Kuykendall provoked a spirited debate by moving to strike out the sections extending the act to Japanese and other Mongolians, on the plea that the Japanese were progressive and civilized. He further declared that he was personally opposed to all exclusion laws and believed that the United States could compete with the entire world.

Senators Inman of Multnomah and Smith of Baker spoke in favor of the original provisions of the memorial, the former declaring the Japanese to be as dangerous a menace to the prosperity of the American workingman as the Chinese.

At noon the houses assembled in joint session and balloted for United States Senator as follows:
