Holverson's THE BIG BARGAIN HOUSE OF SALEM

A Skillful Art

Is watch repairing, and the skillful
repairer is close akin to the manu-
facturer. We combine both. If
you have a fine watch, and any part
is broken or lost, we can replace it.
You may have a watch that you
think can't be made to keep time—
it may be because you have never
placed it in skilled hands. If so,
let us see it. If it can be made into
a time piece, we can do it.

suit against McKinley Mitchell to re-
cover damages for malicious prosecution
in May, 1928. He demands damages
amounting to \$150.73 and the costs and
disbursements of the action.

The divorce case of Anna Hamilton vs.
John Hamilton was before Judge Boise
yesterday and a divorce granted in de-
fiant of the appearance of defendant.
The plea was desertion and failure to
support plaintiff.

Inhuman treatment was the alleged
cause of the divorce granted Lena Ham-
mer yesterday from her husband, Samuel
Hammer.

In Older Times
People overlooked the importance of
permanently beneficial effects and were
satisfied with transient action; but now
that it is generally known that Syrup of
Figs will permanently overcome habit-
ual constipation, well-informed people
will not buy other laxatives, which act
for a time, but finally injure the system.
Buy the genuine, made by the California
Fig Syrup Co.

DEWET ENGAGED

In Attempting Invasion of
Cape Colony.

CUBANS GOING TO VENEZUELA

Attitude of Our Government
Strengthens Position of
Castro.

LONDON, Jan. 30.—Lord Kitchener
reports as follows: "Dewet has been
engaged by Knox 40 miles north of
Thabancha. No details. Dewet intends
again attempting the invasion of Cape
Colony."

"Smith Dorrien has returned from
Carolina, having dispersed the Boers.
"A force of Boers entered Berisburg
and damaged two mines. Commandant
Marsalis is among the prisoners taken."

New York, Jan. 30.—A dispatch to the
Herald from San Juan, Porto Rico, says:
"Announcement that a formidable
filibustering expedition is soon to leave
San Juan, Cuba for Venezuela, was made
by the Venezuelan consul here. He de-
clares it will be led in person by Ignacio
Andrade, former president, who was
overthrown by General Castro in the
last revolution."

Gen. Andrade, who came to San Juan
soon after the beginning of the present
trouble in Venezuela, and has remained
quiet since, called this morning for
Cuba. He traveled incognito.

The Venezuelan consul has received
advice that the expedition is practically
ready to sail and only awaits the coming
of Gen. Andrade.

The attitude of the Washington gov-
ernment has greatly strengthened Castro,
he asserts and the president has im-
prisoned his chief enemies. Andrade
regards as a secondary figure in the
rebellion, which is led by Gen. Pietri.

SERVANT GIRL PROBLEM SOLVED

New York, Jan. 30.—A special to the
World from Washington says:
Right Rev. Henry T. Saterlee, for-
merly of New York, and now Episcopal
bishop of the District of Columbia, is
planning to establish here a home where
poor girls of good character may be
trained by experienced housewives into
competent servants, housemaids, cooks
and nurses.

It is proposed to locate the home next
to the house of Mercy, which is also
conducted under Episcopal auspices.
Among those who have volunteered
aid in this plan are Mrs. Henry Cabot
Lodge, Mrs. Miles, wife of Gen. Miles;
the Misses Kent, of New Jersey; Miss
Helen Chamberlain, Mrs. Lister and
Miss Paul-Ding, niece of Senator Dewey.
It is proposed to call the institution the
St. Agnes Home.

arrived with hammers, hatchets and pick
axes, raided and completely demolished
four "joints."

The husbands of the women went
along armed to protect their wives.

SALOON RAIDING

DRASTIC METHODS ARE UPHELD

By a Methodist Minister Who
Says Christ Set the
Example.

CAMBRIDGEPORT, Mass., Jan. 30.—The
Cambridgeport Woman's Temperance
Union is unanimous in condemnation
of Mrs. Nation's methods and has
passed the following resolution:

Resolved that as members of the
Cambridgeport W. C. T. U. we deplore
exceedingly the attitude of the Kansas
Union of Enterprise, and deprecate
the methods adopted for the sup-
pression of the saloons in those sec-
tions. We feel that Mrs. Carrie Nation
and others have strayed far from the
paths of the pioneers of the work and
have desecrated the badge of our alle-
giance, which stands for purity and peace,
which is our christian thought and pure
as the teachings of Him, whom we serve.

VINELAND, N. J., Jan. 30.—The Rev.
Dr. Ward Gamble, pastor of the First
Methodist Episcopal church here, in-
dorsed and applauded the drastic meth-
ods adopted by Mrs. Carrie Nation
in the crusade against the
saloons of Kansas in his discourse
before a large number of the most
prominent women of this city to emulate
Mrs. Nation's example and smash all
unlicensed saloons or "speakeasies" in
Vineland if the authorities fail to do it.

Dr. Gamble took the ground that as
the law of Kansas prohibits saloons, this
woman has the example of Christ as a
precedent in what she is doing and the
principle is identical. Dr. Gamble was
prepared for the bar before entering the
ministry.

GENERAL CRONJE'S GUARDS REBEL

On St. Helena Were in Mu-
tiny and Put Down.

LONDON, Jan. 30.—West Indian
troops stationed at the Island of St.
Helena, where Gen. Cronje and a large
number of Boers are held prisoners,
mutinied Jan. 2, raided the town, ter-
rorized the inhabitants, injured many of
them, defied officers and were only
finally subdued when faced by the
muzzles of rifles.

SALMON CANNERS FORMING COMBINE

Victoria, B. C., Jan. 30.—A series of
meetings is being held by the salmon
canners of the Fraser and Northern
British Columbia rivers to perfect a
combine for the coming season and also
to provide protection from cannery
labor agitators who succeeded in
keeping the fishermen from working
while the big run of fish was on last year.
Every cannery on Fraser is going into
the pool.

The fishermen are also active and
have formed five unions on the different
rivers, including in their membership
the Indians as well as white fishermen.
A central authority is to be appointed
to act as the representative of the unions
in dealing with the combine.
An effort is being made to keep the
Japanese who broke up last year's
strike off the river.
