

Is your Hair worth One Dollar?

If so, buy a bottle of NEWBORN'S Hair-oil and stop that dandruff that is slowly but surely ruining your hair.

NEWBORN'S HAIR-OIL

Is the only preparation on the market that really will stop it, for it is the only one that kills the mite that works on the hair root, thus destroying the cause and consequently removing the effect.

One trial will convince you the name as it has this "doubtful Thomas" in its name.

When I bought that bottle of NEWBORN'S Hair-oil, I thought it would prove a joke, but I found it to be the best hair-oil I ever used. It has cured my dandruff and made my hair grow again. I can now claim for it. It is the best hair-oil I ever used.
