

**PLEASING RESULTS**  
Always follow the use of Newbro's Hair Remover, the new scientific cure for dandruff and falling hair. It possesses certain properties that kill the germ or microbe that causes all the trouble by sapping the life out of the hair bulb. With this parasite destroyed, dandruff and the falling hair cannot exist. A thick, soft growth of hair springs forth where formerly thin, brittle hair, or perhaps total baldness held sway. One bottle will convince you of its merits.

**Mrs. Suberlin's Afternoon**  
On Saturday afternoon at her home, corner of Ferry and Cottage streets, Mrs. J. D. Suberlin and daughter, Miss Maude MacKay, gave the second and concluding of a series of luncheons, when about forty of Salem's young married women and a number of young ladies were very pleasantly entertained. Mrs. G. H. Birnert, Mrs. E. M. LaFore and Mrs. R. Carwright assisted the hostesses in the reception and entertainment of the guests and in serving of the refreshments which embraced all that could be desired in toothsome delicacies, such as cakes, ices and sweetmeats. The apartments of the Sutherland home had been artistically arranged with floral decorations, the front parlor being liberally decorated in roses and magnolias with a handsome center-piece of fruit blossoms whose fragrance pervaded every room. The sitting room was prettily decked in yellow, there being a profusion of well-arranged Japanese vases and tulips while a basket of Oregon grapes was suspended from the archway. The evening was a thoroughly enjoyable one, music and conversation, coupled with the capacity of the hostesses to entertain, serving to pass the period of social recreation all too soon.

**Stuart's Dyspepsia Tablets**  
GIVE PERFECT DIGESTION, SOUND SLEEP, STRONG NERVES.  
A Popular Remedy for Dyspepsia Which Has Made Many Remarkable Cures.  
The spring of the year is the time for blood purifiers. It is the season when we think we must dose ourselves with sarsaparilla, bitters and the endless list of so-called blood purifiers and nerve tonics. As a matter of fact, there is but one possible way in which to purify the blood and that is, through the stomach and bowels. Pure blood results from wholesome food thoroughly digested. Impure blood results from poor digestion and assimilation. When the stomach refuses to work properly the food remains too long a time, fermenting, forming gases, shown by sour bitter taste in the mouth, bloating and belching of gas, and distress and discomfort generally. Poor blood, weak nerves, sleeplessness and a general don't-care feeling can always be traced to impure digestion. This is the reason why Stuart's Dyspepsia Tablets are superior to all other spring medicines and blood purifiers. They give perfect digestion, the food does not lie in the stomach for hours. They give a vigorous appetite, sound sleep, strong nerves, and wholesome food well digested makes pure blood, and in no other way can the blood be purified. The idea that a medicine, in itself, will purify the blood when the stomach and digestive organs are out of order is nonsense. Stuart's Dyspepsia Tablets are used by thousands in preference to "bitters," "after dinner pills" and blood purifiers because they remove the cause of the impure blood, and you do not have to take them forever to get results. Dyspepsia is an obstinate disease to cure and a remedy must be designed especially for it and nothing else. Cure all will not cure dyspepsia. Stuart's Dyspepsia Tablets are not claimed to cure everything or anything except dyspepsia and stomach troubles and for that it stands alone among patent medicines. Anyone suffering from any trouble with their digestion will find these tablets will give immediate relief and a permanent cure. Stuart's Dyspepsia Tablets are prepared by the F. A. Stuart Co., of Marshall, Mich., and sold by druggists everywhere at 50 cents per package. No dieting nor change of habits is required, they digest the food. 4-22 24 26.

Jeff Myers, a well-known Salem sportsman, who was instrumental in getting the section relating to black bass placed in the game laws, was very pleased to hear of Schmitt's arrest and said that he would do all he could see to prosecute.
