### SALEM PASSES SIDEWALK BILL

#### Any Extensive Use of Streets to Wheels Refused.

#### Businessmen Want Cyclists to Come to their Places on Wheels.

Mr. Hughes Makes a Point in Favor of Excluding Wheels from all Sidewalks.

City Council at an adjourned meeting Tuesday night passed the ordinance giving that body positive jurisdiction in the construction, repair and cleaning of sidewalks and gutters. The meeting was attended by Councilmen: Borrowers, Griswold, Krauss, Larsen, Riggs and Walker.

Chief of Police Gibson submitted a report showing the collection of \$11.95 on the dog tax account for the month of April. The same report showed the execution of nine unclaimed canines, the compensation therefor, as provided in the ordinance amounting to \$13.50, at \$1.50 per animal. The report was adopted, a warrant ordered drawn in favor of Chief Gibson for \$13.50.

Vegetable Preparation for Assimilating the Food and Regulating the Stomach and Bowels of INFANTS & CHILDREN

Promotes Digestion, Cheerfulness and Rest. Contains neither Opium, Morphine nor Mercoral. NOT NARCOTIC.

Give Perfect Digestion, Sound Sleep, Strong Nerves.

A Popular Remedy for Dyspepsia Which Has Made Many Remarkable Cures.

The spring of the year is the time for blood purifiers. It is the season when we think we must do ourselves with ear-purifiers, bitter and the endless list of so-called blood purifiers and nerve tonics. As a matter of fact, there is but one possible way in which to purify the blood and that is, through the stomach and bowels.

Pure blood results from wholesome food thoroughly digested. Impure blood results from poor digestion and assimilation. When the stomach refuses to work properly the food remains too long a time, fermenting, forming gases, which sour bitter taste in the mouth, bloating and belching of gas, and distress as a result of discomfort. Poor blood, weak nerves, sleeplessness and a general don't care feeling can always be traced to imperfect digestion.

This is the reason why Stuart's Dyspepsia Tablets are superior to all other spring medicines and blood purifiers. They give perfect digestion, the food does not lie in the stomach for hours. They give a vigorous appetite, sound sleep, strong nerves, and wholesome food well digested makes pure blood, and in no other way can the blood be purified. The idea that a medicine, in itself, will purify the blood when the stomach and digestive organs are out of order is nonsense. Stuart's Dyspepsia Tablets are used by thousands in preference to "bitters," "after dinner pills" and blood purifiers because they remove the cause of the impure blood, and you do not have to take them forever to get results. Dyspepsia is an obstinate disease to cure and a remedy must be designed especially for it and nothing else. Cures will not cure dyspepsia. Stuart's Dyspepsia Tablets are not claimed to cure everything or anything except dyspepsia and stomach troubles and for that it stands alone among patent medicines. Anyone suffering from any trouble with their digestion will find these tablets will give immediate relief and a permanent cure.

Stuart's Dyspepsia Tablets are prepared by the F. A. Stuart Co., of Marshall, Mich., and sold by druggists everywhere at 50 cents per package. No dieting nor change of habits is required, they digest the food.

### CORNERSTONE

#### Granite Arrives

#### Out of This the Water Tables Will be Laid

#### Corner Stone Will be of the Ashland Sandstone.

The first carload of granite to be used as foundation of Salem's new postoffice building, has arrived. It is the Southern Oregon granite and comes from Central Point, Jackson county. The stone is not being quarried and delivered at Salem as promptly and in such amounts as was expected, and Contractor Campbell left for the quarry Tuesday night to hasten the work.

An idea of the distance the main floor of the building will be from the ground will be formed when it is known it will be 2 1/2 feet above the surface of the brick pier within the enclosure of the foundation work. The structure will compare very favorably in prominence and general appearance with that of the state capitol building.

The laying of the granite will be in progress in about a week. The sandstone from Ashland will not be needed for a month. The steel girders and scaffolding will next be adjusted when all will be in readiness for further masonry. A force of 15 men is employed. The supervising architect has selected the southwest corner of the structure for the corner-stone, which will probably be of sandstone with granite facing.

It is not generally known, but in many government buildings, the corner-stone laying proves merely a matter of ceremony, for rarely is the stone deposited in a place of prominence. In the construction of federal buildings, it is usually surrounded by other building materials and hidden from view.

Take your wheel to Shipp & Honser and have it cleaned or repaired. Riding season is almost here.

**Some Childish Humor.**

Here are some specimens of childish humor from the Chicago News:

"Oh, mamma," exclaimed a 4-year-old Flossie as she observed the moon in its second quarter, "come and look at the moon. Half of it is pushed into the sky, and the other half is sticking out."

Tommy, aged 5, had been busy whittling and managed to raise a blister on his hand which caused a slight break in the skin. Running to his mother, he showed it to her and said, "Mamma, I guess I'm beginning to wear out."

"Did they sing any pretty songs at Sunday school?" asked a mother of her little 4-year-old daughter upon her return home. "Only one," replied the little miss. "It was something about Greenland's ice cream mountains."

Papa—Well, Willie, have you been a good boy today? Small Willie—Did you ask mamma? "Why should I ask her? Don't you know whether you have been good or not?" "Yes, but mamma's idea of goodness differs from mine, and I don't want to go back on anything she says."

### DISCRIMINATION

In the choice of liquors will lead the man who knows a good article when he gets it to choose a bottle of Tom Howe whiskey as a standby in the house in case of sickness, or when a good, pure stimulant is needed. A horn of good whiskey on a cold day will warm the cockles of your heart and put new life into you.

### DEAFNESS CANNOT BE CURED

By local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or roaring in your ears, your hearing is entirely closed, and when it is restored and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be forever lost. This is caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hail's Catarrh Cure. Send for circulars, free.

**Good Livers Say**

Am! they ought to know, because they are always tasting and testing the good things of the world. Well, they say that Chase and Sanborn's coffees which are sold exclusively in Salem by Brunson and Hagan are exactly what coffee should be in strength, flavor and aroma.

**The Benefit of the Doubt.**

Not long ago a young lady was spending some weeks at a Scotch country house, and just before dinner one evening two cousins of the hostess—arrived unexpectedly. Shortly before dinner the young lady and said to her cousin confidentially:

"We're putting on yesterday's soup, you see for fear there should be enough for us."

"Decline soup!" exclaimed the young lady, much amused. "But, you know, John, that wouldn't be manners."

"No," said the young lady, "but they'll think you've done better."—London Tit-Bits.

### MEASLEY CASES

The concert given by the Menley Trio concert company of Chicago at the First Methodist church last night, was well attended and the managers were pleased by the enthusiasm displayed by the thoroughly appreciative audience. The company is composed of G. W. Menley, W. Eugene Knox, Miss Ethel Mendley and Miss Emma Edwards. Mr. Knox entertained the audience the greater part of the evening, giving a varied selection of humorous, pathetic and dialect reading. The singing was enjoyable and throughout the whole evening the valuation of prohibition was present ed in an unique way, which wins appreciation.

## The Secret

Of womanly health would be esteemed as precious by thousands of suffering women. Each month sees them moaning in a darkened room. At the best they endure pain every day. At the worst the pain becomes torment.

The secret of womanly health is in keeping the womanly organism in a perfectly healthy state. This can be done by the use of Dr. Pierce's Favorite Prescription. It regulates the periodic discharges, debilitates drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

Women suffering from chronic forms of disease are invited to consult Dr. Pierce, by letter, free. All correspondence is held as strictly confidential and womanly confidences are guarded by Dr. R. V. Pierce, Buffalo, N. Y.

Accept no substitute for Dr. Pierce's Favorite Prescription. There is nothing else "just as good" for womanly ailments.

I suffered for more than ten years with female weakness of very bad form," writes Mrs. D. Marwood, of Grand Rapids, Michigan. "I used Dr. Pierce's Favorite Prescription and Golden Medical Discovery, but no good. I do not know how to thank you enough for the kind advice you have sent me by letter. Your remedies did for me more than all other doctor's medicines, and I have taken lots of them."

Dr. Pierce's Pleasant Pellets cure biliousness.
