Journal and Advertiser from London ed immediately by a deal at 126. On attorney the curb the wild Wall street panic was mys: The London stock exchange reflected in quotations that came over, closed one hour after the New, York Northern Pacific common being report, and Deposit Company of Maryland, a funeral of the late Wm. Watt at 10 exchange opened, owing to the difference ed dealt in on the other side at 860 but corporation, defendants. in time. Hence the full force of the the jobbers has simply closed their books Wall Street fluctuations was not felt and the final quotation was 135, a raise until evening when the cables told of of 5% for the day. the panic in New York. Still the exchange, despite its suspense over New York's action, had the most exciting time of its history, interest in everything at the Oregon Soldiers' Home, Roseburg. save the American stocks having ceased. on Thursday, May 0, 1901, sged about 67 There was tremendous confusion but years. comparatively little business was done, No broker would make prices; nobody would buy. But after the exchange closed hundreds of brokers and specula- Soldiers' Home, where his closing days

Unless you need them, and when you do need them be sure they fit you. Don't guess at it. Hinges the optician will in Shoter's Court to await the news from larger you a thorough examination free of New York and to carry business. It eran, having gone throught the Indian charge, and if you don't need glasses was a miserable day on Change, but in campaigns of 1855-6. His only relatives will tell you so. We have been here the street, the scene beggared descripthere are the three children of Wm. H.

In a drenching rain, up to the ankles in mud and menaced by passing carts and they will be buried in Roral and stared at by unsympathetic police- cemetery. They will arrive at 5:40 a.m. men was a dence crowd of haggard, Saturday and the funeral will be held frightened men, speculators, brokers, at 10 a.m. under the anspices of Prolealers, clerks, clients all huddled to lection Lodge No. 2 A. O. U. W., of gether in almost voiceless alarm. Now which deceased was a faithful member. and again hatless men would rush The Indian War Veterans will also frantically from the adjacent courts only assist. to find the price in something which had Seventeen Straights at Trap Shooting gone to pieces. Dealers were afraid to deal and brokers did not know who to

The losses in the last few days have panic, increased to a ten fold degree, has chilled the health of those who live by stocks. There may be a rally and prices may raise again, it is said by some but any such movement is devoid of hope for those who have already lost

The utter helplessness of the crowd in the street was the most striking feature of the panic. The leaders of the market had vanished from the scene and the arbitrage houses which do business between London and America were not re plate with a noise that set the canary presented. As a result small dealers did not know what prices were and could not | rily. tell whether they were beggars beyond hope or still had a chance of saving

omething from the wreck. In that miserable state of vucertainty they must remain until morning, but they waited for hours in dull expectancy appearing to extract some dreary comfort from mingling with others as wretched as themselves. No more deplorable picture of the ills that wait upon the speculator has ever been witnessed in London.

The frenzied crowd which after the hange had closed met on the curb and in?" received the New York cables telling of disaster were many men who, as they their all swept away, and acted as if their reason would go to smash as their wealth had gone. One particularly young dealer, who hears a name long hanored in the London Stock Exchage completely lost his reason. He offered to sell stocks at prices many dollars below their worst quotations current. His broken-voiced cries were made mor

distressing by the fact that no other sound for a time broke the stillness. However even at such a time of genprohibiting fortifying the straits. eral despair nobody tried to profit by ris temporary madnesss.

The extent of the movement is American railroads was not revealed in the quotations and the differences on the balance sheets conveyed little idea block at 9:30 to attend feneral. of the extent of the fluctuations is prices. Most interest was directed to Northern Pacific common, which oscilated in a , manner devoid of intelligi sility to English brokers.
