SOLDIERS RIOTING IN SAN FRANCISCO

One Man Was the Victim of Drugged Liquor and They Fought.

SQUADRON OF CAVALRY AND PROVOST GUARD CLEARED THE WAY

Mob Played the Role of Saloon Smashers, the Place Caught Fire, the Police Were Helpless and There Was a Hot Time in the Old Town.

SAN FRANCISCO, June 1.—A mob of soldiers numbering five or six hundred indulged in a riot last night and wrecked Mrs. Powers' saloon, one of the many drinking places just outside the Presidio reservation.

There are a great many conflicting stories as to the origin of the trouble. The soldiers of the Forty-sixth Volunteer Infantry were mustered out of the service yesterday and the men given their discharge and pay. Most of the men had several hundred dollars coming to them and they did considerable drinking in the Presidio resorts.

A man by the name of Morgan of the Forty-sixth was found unconscious in the front of Mrs. Powers' saloon. Two of Morgan's company mates took him to camp for treatment. The doctor pronounced it a case where drugs had been administered. The news spread rapidly about the camp and soon there were a dozen or more men excited about their comrade but any knowledge of the affair was denied. Two or three soldiers lounging about in the place sided in with the woman and ordered the soldiers from the premises. They went back for reinforcements and spread the report that two of their companions had been killed in this saloon.

A mob made up of members of the forty-fifth and forty-sixth regiments then rushed pell mell through the Presidio gates to the saloon. Stones were gathered on the way and then the place was stormed. Every window in the place was broken, the bar and fixtures smashed and the interior demolished completely. The gas jets were capped off and the coal oil lamps overturned. The place caught fire and police, broke through the crowd and rang the fire alarm. By that time the infuriated men were yelling to burn the place and lynch the one helpless man, Harris, who had been driven from the place. Officers tried to rush Harris through the crowd but were stopped. In spite of the efforts of the police to protect Harris, the soldiers beat and cut him terribly. Finally, when the squadron of cavalry and provost guard of 60 men from the Forty fifth Regiment under command of Captain Evans arrived a passage was made through the crowd and Harris taken to a safe place.

The efforts of the cavalry and guard to disperse the crowd were futile until the fire hose was turned on. This and the entire guard of the post helped to restore order. Mrs. Powers estimated the damage at \$2000. Not a thing was left intact in the saloon.

A careful investigation of the reports that some of the soldiers had died from drugged liquor proved that was not the case. Morgan, of the Forty-sixth regiment, was the only man whom it is thought might have been the victim of a drug.

An investigation of the riot will be made today by the police and military officials.

TO THE WOMEN OF THE UNITED STATES

DR. S. B. HARTMAN.

In view of the great multitude of women suffering from some kind of female disease, and yet unable to find any cure, Dr. Hartman, the renowned gynecologist, has announced his willingness to direct the treatment of as many cases as may make application to him during the summer months without charge.

The treatment will be conducted by correspondence. The doctor will prescribe all medicines, applications, hygienic and dietary regulations necessary to complete a cure. The medicines prescribed can be obtained at all drug stores. This offer will hold good only during the summer months. Any woman can become a regular patient by sending a written statement of her age, condition of life, history and symptoms of her derangements.

All cases of female diseases, including menstrual irregularities, displacements, ulcerations, inflammations, discharges, irritation of the ovaries, tumors and dropsy of the abdomen, should apply at once and become registered as regular patients. All correspondence will be held strictly confidential. No testimonials of cures will be given to the public except by the express wish of the patient.

As is well known, Dr. Hartman is the President of the Hartman Sanitarium, an institution which has a department devoted exclusively to the treatment of female diseases. He is thus brought to see thousands of such cases every year, the most of whom return to their homes to be treated by correspondence. The principal remedy he relies upon in such cases is Peruna, which every woman should have, who has any affection of this kind. Those wishing to become patients should address Dr. S. B. Hartman, Columbus, Ohio.

No one knows better than Dr. Hartman how much the women suffer with menstrual irregularities, displacements, ulcerations, inflammations, discharges, irritation of the ovaries, tumors and dropsy of the abdomen, should apply at once and become registered as regular patients. All correspondence will be held strictly confidential. No testimonials of cures will be given to the public except by the express wish of the patient.

silently, they die out a miserable existence year after year.

A woman confined to the house several years with a chronic female derangement had finally given up all hope of being cured. She had tried physician after physician, and remedy after remedy, without any permanent improvement. Her treatment had cost her husband, who was a poor man, hundreds of dollars. They had been obliged to deny themselves many comforts of life in order to get money enough to pay the physicians.

Picking up the paper one day she happened to read an item which contained the news that Dr. Hartman would treat such cases free of charge by letter. She immediately wrote the doctor, describing her case, and giving him all her symptoms. She soon received a letter telling her exactly what to do and what medicines and appliances to get. She began the treatment (the principal remedy being Peruna) at once, and in a few weeks was well and strong again and able to do her own work.

Another woman who used Peruna without becoming one of Dr. Hartman's regular patients had the following experience. Miss Ida Green writes from Baldwinville, Ga.: "Peruna is wonderful and good, and a certain cure for female weakness. I have been ill and have been taking doctor's medicine for several years, and found that none did me any good.

"Every day it was a worry. I was always sick. I had come to the conclusion to give up, and not use any more medicine. I was sick indeed for the past two years. Just before I began to take Peruna I was very weak, besides I was bilious and constipated.

"I had pains in my back and side and falling of the womb, with bearing down pains.

"One day while reading my newspaper, I came across an ad., read of the book for women entitled, 'Health and Beauty,' and sent for it. Then I began to use the medicine. After using several bottles I am now thoroughly cured."

Send for free book, entitled, "Health and Beauty." Address Dr. Hartman, Columbus, Ohio.
