A Constitutional Affection.

Sprays, washes, powders, salves, medicated account eigerettes, however long and persistently obacco and cigarettes, however long and persistently used, do not cure Catarrh. They relieve temporarily he inflammation in the throat and nose, and enable you to breath; more easily and freely, but the con-isual rush of impure blood to these parts keeps up he irritation and ultimately produces ulceration of the glands, when the breath becomes exceedingly we and the soft bones of the nose are frequently yed. The estarrhal inflammation extends over

the entire surface of the mucous membrane, or inner skin; the stomach, kidneys and lungs are often involved; the whole system soon becomes affected by the rapid absorption of pohonous matter into the blood, and the disease that you had hoped a cure with simple local remedies, assumes a dangerous form.

I had Catarrh about 15 years, and tried during the time everything I could hear of, but nothing did me any good. At last I came to the conclusion that Catarrh must be a blood disease, and secued to give S. S. S. a triel. I could needed to give S. S. S. a triel. I could needed to give S. S. S. a triel. Saturch is a constitutional disease - a blood disease which is frequently rited, and only a blood medicine, such as S. S., can remove the he destroy the poisons that have been accumulating in the system for years ups, and restore the blood to a healthy and pure condition. The inflamed branes and diseased glands are healed by the rich, pure blood which is carried on, and the offensive discharges from the nose, and the terrible headache and raigic pains cease. Chronic cases of the most desperate character and apparentopciess, have been cured completely and permanently by the use of S. S. S.

### Beauty is Health.

Wainut Lake, Ark., June 2, 1996.

I thank you for the benedit I received from your advice and the Wine of Gardui I took in my terrible condition. My life was no pleasure to me at all and I was of no use to anybody. After receiving your advice and medicine I commenced taking it and began immediately to commenced taking it and began immediately to improve. The pulse left me and the memora, which cause at the correct time, continued three days. I have gained strongth and my weight has increased. My husband may the peclicine has made me better looking than ever before.

Mrs. LIZZIE MANNELL.

Womanly health means bright eyes, rosy checks, clear complexion and elasticity of form. This is the youth unmeasured by years—the heauty of perfect womanhood. Beautiful women are happier and get more out of life than their sisters whose faces indicate suffering Wine of Cardui made Mrs. Mannell "better looklog" and infinitely happier because it cured her of those terrible pains. But she is no exception.

s giving thousands of women health, beauty and freedom from the drag-ging pains which made their lives so miserable. Wan faces, haggard eyes ging pains which made their uves so mastering. What suffering can compare with the torture of irregular menetruation, leucorrhoea and falling of the womb! Beauty fiest quickly before the ravages of such disease. The sturp palms of failing of the womb deepen the crow tracks in the face. Menetrual irregularities rob the eye of its fire and the complexion of its transparency. Leucorrhoea drains the body of its strength, but Wine of Cardui restores the netural beauty, brightens the eye, clears the complexion, rounds out the figure and brings back the vigor of health. Every druggist in this city handles \$1.00 bottles of Wine of Cardui.
