THIRD TERM NOT WANTED BY MCKINLEY

Would Not Accept a Nomination if it Were Offered to Him.

SPEAKER HENDERSON DELIVERS AN OPINION AS TO A THIRD TERM

Continuity in Office Might Dull the Public Mind to the Danger of Life Tenure—Plans for Avoiding Serious Economic Problems in Dealing With Situation in Cuba.

WASHINGTON, June 11.—President McKinley has decided not to be a candidate for third term.

Following statement has been given out at the White House:

"I regret that the suggestion of a third term has been made. I doubt whether I am called upon to give it notice but there are now questions of the gravest importance before the administration and the country, and their just consideration should not be prejudiced in the public mind by even the suspicion of a thought of a third term. In view, therefore, of the reiteration of the suggestion of it, I will say now, once and for all, that I will not be a candidate for a third term, and would not accept a nomination if tendered me."

"William McKinley."

WASHINGTON, June 11.—President McKinley's official announcement, disposing of the third term idea suggested by some admirers, created no great surprise among his friends. When Senator Depew's suggestion that the President should be re-elected for a third term began to be seriously discussed, the President decided the public mind would be instantly cleared of even the suspicion that he was seeking to become a candidate for another term. There was unanimous concurrence of the cabinet in the belief that discussion of a third term for the President, if allowed to go on, would not only place the president in a false light before the country, but would arouse antagonism and would badly embarrass the administration in a solution of the great questions before it.

New York, June 11.—Hon. D. B. Henderson, Speaker of the House of Representatives, is quoted by the Paris correspondent of the Journal and Advertiser on the third presidential term as follows: "Regarding the third term, I will say first that I am opposed to it as a rule."

"Secondly, there may arise conditions demanding it and therefore the hands of the country should not be tied."

"Thirdly, as to President McKinley, the time has not arrived for discussing a

He Has Saved My Life

State of Oregon, June 11, 1901. To whom these presents shall come greeting, This is to certify that I have been afflicted with Ovarian Tumors for a number of years, also liver trouble. I desire to publicly state upon oath that Dr. J. F. Cook of Salem, Oregon, has removed said tumors, two in number, without the use of knife, plaster or poisonous drugs, and that I am entirely, and as I believe permanently cured. I cheerfully recommend Dr. Cook to all persons afflicted as I was. I feel that he has saved my life. My home is three miles south of Turner, Oregon.

MRS. CAROLINE ROTZEL, subscribed and sworn to before me this first day of May, 1901.

W. W. HALL, County Clerk.

Do Not Listen to "Cappers"

Who are hired to defame me and my methods of treatment. If I could not cure people there would be no use to fight me. It is because I do cure people that I am persistently misrepresented, but I keep on curing folks just the same, and some of the best people in Oregon stand by me, for which I am thankful.

Send for Circulars containing testimonials from patients cured both in Oregon and in the East. Don't despair because you have been told you have been told you could not be cured. Dr. Cook has cured hundreds of people whose cases have been pronounced hopeless by the "old school" physicians.

The doctor has devoted the best years of his life to the study of disease, and the use and action of Nature's vegetable remedies, until he knows absolutely just what he can do. This gives him confidence.

"How long have you been before the public?" asked a Journal reporter.

"Ever since I was six years old, responded the brilliant virtuoso, "but I am not going to tell you how long ago that was," said she with a twinkle.

Madame Urso is accompanied by her husband, Mr. Frederic Luere, and by Miss Hall, contralto, and Mrs. Pearce pianist. She is enthusiastic over Salem as a city of homes and says our wonderful roses remind her of her home in old France. She was glad to hear that Salem has a new opera house, and prefers one of about 800 seating capacity as the most comfortable for audience and performer. Madame Urso is progressive in her art, and her old-time admirers will be delighted with her work tonight.

SALEM BERRY SHOW

Marion County Growers Arrange for Strawberry Fair Saturday.

Under the Direction of Press Club, and in Honor of the Farmers Meeting.

The strawberry industry is assuming such importance that a number of prominent growers have decided to hold a show at Salem next Saturday, opening at 10 a. m. In the absence of any other organization the Salem Press Club, with the aid of some of the advanced fruit growers of this section, have undertaken the conduct of this enterprise. The Hon. C. L. Smith, of Minnesota, is going to be here to talk to the farmers and all others interested in their work and it is proposed to give him an object lesson of this country's resources in the strawberry line.

A meeting of the Salem Press Club was held last evening and it was determined to give a Strawberry Fair on next Saturday, the 15th; the exact location in the city to be determined today. A general committee of arrangement was appointed, consisting of E. Hofer, Mrs. R. E. Wands, O. V. Allen, C. L. Dally and Frank Davey, who will look up a room, arrange premium list and program, appoint sub-committees etc.

The intention is to secure as fine a display of strawberries as possible and have them compared by competent judges for the awarding of premiums. All the berries entered will be the property of the management and in the evening a program of music and singing and speaking will be rendered. Some society, church or organization will be given the right to dish out the berries with cream and sugar at so much per dish.

A partial list of premium was made our last night as follows:

Best plate (quart) of Wilson berries, \$1; second best, 50 cents.

Best plate (quart) of any large variety, \$1; second best 50 cents.

Best plate (quart) of any variety, \$1; second best, 50 cents.

Largest display of named varieties by any one grower, \$1; second best 50 cents.

In addition to these specific prizes, there will be a substantial prize given by the Salem Cannery for the best crate of canning berries; a merchant's prize for the best home market berries, and a prize for the best shipping berries.

BERRIES CREAM

Lincoln Public School will Give a Social Saturday Night.

The Library Union of Lincoln school announce a strawberry and ice-cream social on the lawn for Saturday night to which they invite the patrons and friends of the public schools.

The beautiful grove about the school will be lighted with Chinese lanterns. The sweet-brier on the grounds is in bloom. The ladies will serve berries and cream, fresh and frozen, with cake and there will be music and moonlight. It will be the last gathering there until the school opens in the fall. Some funds are needed to pay for pictures and framing for the schoolroom and the proceeds will be used for that purpose.

GILBERT CLEARED

The Marion County Grand jury this afternoon found a not true bill against Ray Gilbert, accused of an assault on Pearl Damon.

THE HAWAIIAN BAR ASSOCIATION ASKS REMOVAL OF A JUDGE

The Bribery Investigation of the Kanaka Legislature Has Taken a New Turn—Bartleship Oregon on Her Way Home From the Now Peaceful Scenes in the Orient—McKinley's Advice.

HONOLULU, June 5.—Details of a shocking tragedy at sea have been reported by schooner J. A. Campbell, from Port Stanley with lumber. Mate Huber was murdered by the Chinese coolie crew by holding possession of the galley for nearly 24 hours, was subjected to the steaming process to bring him out, shot himself rather than be captured. The Chinaman's body was last-ly cooked by steam.

The Hawaiian Bar Association adopted a resolution asking for removal of Circuit Judge Humphreys. A committee was appointed to submit the case to Washington.

SCHOOL LAND FRAUDS

Taken Up by the Marion County Grand Jury.

Important Witnesses Under Examination by the State.

District Attorney Hart this morning subpoenaed Attorney General Blackburn and M. L. Chamberlain, clerk of the land board to appear before the grand jury with their books and report of the legislative committee for investigation. The first question to be decided upon is as to whether the statute of limitations has run against all parties responsible for the Davis delinquency. After finding that there has been a default of the legal phase of the question will be raised a presentment to Judge Hamilton. If he decides that the time limit for prosecution has expired no further testimony will be found. The District Attorney will pursue this policy to save expense.

BOERS PROSPECTS BRIGHTER

New York, June 11.—Commenting upon the report that Mrs. Roths has brought Boer peace proposals from her husband, the London correspondent of the Tribune says: "The Netherlands Consul is reported to be the intermediary by whom peace negotiations are carried on and the cable, it is said, has been placed at his disposal for the purpose. If certain statements emanating from Amsterdam and Brussels are to be trusted, Mr. Kruger still holds optimistic views with regard to the Boer prospects. It is also reported from Brussels that a Boer council of war, held at Piet Relief, in the Eastern Transvaal, a vigorous continuation of hostilities was decided upon."

RIVALRY OF ENGLAND

SHANGHAI, June 11.—Admiral Seymour, the British Commander-in-chief in the China station, was a guest of the China association at its annual banquet last evening. In the course of a speech protesting against the policy of trade exclusion, the Admiral said Great Britain had three powerful allies, the United States, Russia and Germany. The United States was the great her trade rivals, but rivalry was not in conflict with Great Britain's policy of an open door.

Salem Militia.

Company F., O. N. G., last evening practiced "Guard Mount," so as to be prepared for the coming encampment, to take place at Eugene on the 27th of this month. The Company formed at the Armory and led by the Military Band marched to Wilson's Avenue, where the band took the band stand and played while the officers proceeded to perform the ceremony of Guard Mount. Captain Lyon acted as officer of the day, while the lieutenants sergeants and corporals were given command of the different details.

Pickets were posted at intervals around the Square, and after being on their beat for some time were relieved by a squad of relief detail. At different parts of the picket line blank shots were fired, which means danger, and as the cry went down the line to the guard house, the sergeants and corporals of the guard had a "hot time" in answer the call.

At a late hour the pickets were picked up and the drill was over for the night.

Rome, June 11.—The report cabled to the United States that the Pope is again ill, is without foundation. His Holiness is well and yesterday granted audience to the Belgian Dominus Ministers.

IOWA CYCLONE

Our public announcements are plain statements of facts connected with our business. No misrepresentations or jugglery about them. We invite the public to investigate every statement we make.

In response to the bold attack made by a certain firm in this city, we sent a representative to call upon them. We armed him with a written agreement bearing the firm's signature, offering to accept their bluff to buy Kimball pianos at \$30 each, or to trade two for one.

Both offers were rejected by that firm.

This is a true copy of our final offer to accept their own proposition:

GENTLEMEN:

We promise and agree to deliver one new, style 6 Kimball Piano for two (2) new Gramer pianos offered as your bluff, and further agree to grant you ten days' time in which to deliver the two. We further agree to pay you the sum of \$500, the price of a style 6 Kimball if we fail to live up to our agreement; provided however that you sign and deliver the enclosed agreement to show your good faith and that you will live up to your proposition.

The following is a copy of the original agreement expected from you:

This agreement they refused to sign.

We will have style 6 Kimball Pianos for \$300 to those who want them; and positively refuse to continue this controversy, but leave the good public to judge.

When you see it in our ad., it's to be had. Yours for honorable treatment.
