IT IS REALLY REMARKABLE

The number of cheap plated watch cases that are made and sold these days—cases that will wear anywhere from six weeks to three years, yet most of them containing a guarantee to wear twenty. A gold filled case, one that will wear twenty years, cost within a dollar of what it did six years ago. That dollar represents the reduced cost of making—the gold cost just the same. We sell gold filled cases—cases that have stood the test of years—and personally guarantee every case which we sell in addition to the manufacturer's warrant. Any movement on want. MRS. WHALE PETITIONS THE COURT

In the case of Tilman Ford, executor of the estate of Wm. Cooper deceased, plaintiff versus, A. T. Gilbert et al, defendants, Anna Whale, wife of C. A. Whale petitions Judge Boise of department No. 2, of the circuit court, to correct a note and strike off her name to the signature, the note being executed by C. A. Whale to A. T. Gilbert in Portland on October 3, 1900. The amount of the note is \$1500, due in one year, with interest after expiration of 7 per cent per annum. A mortgage on some lands in Lane and Douglas counties was given as security and by mistake both the note and the mortgage were executed. The petitioner alleges that she signed the note by mistake.

The note is now in possession of Claud Gatch, receiver of the Gilbert Bros. bank, and has not been negotiated.

Smith, was to cut sawlogs and place them the stream above Silverton, receiving in remuneration \$2.50 per thousand feet. \$328.70 was due him, of which \$200.35 was paid and to collect the remainder he now has a lien upon the logs he cut.

GYPSY RACES

Culminated in a Disastrous Runaway and Panic at Chicago.

CHICAGO, July 21.—Six persons were severely injured and a large throng was thrown into a panic last night when four horses, engaged in a race at the Gypsy Camp, became frightened, threw their riders, bolted the track and galloped at full speed into the crowd of spectators. The animals were coming down the home stretch at the time and so sudden was the veering of their course that the hundreds of pleasure seekers gathered beside the track had little time to reach places to safety. Men, women and children struggled with one another in their efforts to get out of harm's way and many were knocked down and trampled. The seriously injured: Mrs. Bridget Barry and her seven months old infant, trampled upon by the horses; Johanna Kearney, cut and bruised about the head and body; John and Edw. Simpson, brothers, knocked down and trampled upon; Miss Nellie Sullivan, bruised about face and body.

CHINESE TROUBLE

LONDON, July 22.—A dispatch from Pekin says: A disaffection caused by banditti is prevalent in 30 districts in the central part of the Province of Chi Li. The local officials are either disinclined or unable with the force at their command to suppress the troubles. Li Hung Chang as Viceroy is too busy to attend to provincial matters. The troops sent against the banditti showed sympathy for them, many of them having formerly been soldiers. They are better armed than the troops. In a recent conflict a hundred soldiers and officers were killed. The troops of Yuan Shih Kai, Governor of Shan Tung, are the only ones that can be trusted to act. The result of dispatching some of them to quell the disaffection is not yet known. Even if successful in one district an uprising is likely to occur as soon as they depart for another. Complete pacification will be extremely difficult. Official appeals are constantly reaching Li Hung Chang.

BANK NOTES AS CURIOS

WASHINGTON, July 22.—Chief Wilkie of the secret service, has received a number of bank notes printed from the original plates used by the state Bank of New Brunswick, N. J. over fifty years ago. The bank went out of existence and it was supposed the plates from which its notes were printed were destroyed.

Inasmuch as the notes are not counterfeits, makers and passers cannot be prosecuted under the United States laws. It is said that possibly \$2,000,000 of these notes are in circulation.

ALLEN CANNERY IS SOLD

There has been a rumor current that the Allen Canning Company, of this city, has leased its buildings and grounds and sold its merchandise and stock on hand to the Oregon Packing Company, of Portland.

W. H. B. Reese has succeeded O. V. Allen as manager of the institution.

The concern will be conducted as in the past, and all contracts made by Mr. Allen will be carried out.

Mr. Allen was asked about the change and he says there has been and will be no change in the ownership. The cannery is now the same as formerly in every respect.

CARDINAL GIBBONS

Being Honored in London by Cardinal Vaughan.

NEW YORK, July 22.—A dispatch to the Tribune from London says: Cardinal Vaughan will hold a reception this afternoon in the Chapter hall of his new house in honor of Cardinal Gibbons. At the urgent request of Cardinal Vaughan, the Roman Catholic Archbishop of Baltimore has agreed to preach the inaugural sermon at the opening of the new Westminster Cathedral in June, 1902.

One of the most interesting events of the week will probably be the conferring of the freedom of the City of London on Sir Alfred Milner in the Guild Hall tomorrow. So large an attendance is expected that it has been arranged to conduct the ceremony in the great hall. A platform is being erected there for the accommodation of the Lord Mayor, the Sheriff and Aldermen. It will be like a scarlet eminence looking down on a sea of blue. The common councilmen will sit in the body of the hall. After Sir Alfred Milner has been introduced as a fisherman by the Prime Minister and Wardens of that guild, the Lord Mayor will speak some words of welcome and the high commissioner will then be formally admitted to freedom, the certificate of which will be inclosed in a gold box. The festive side of the ceremony will take the form of a luncheon at the Mansion House.
