CANCER

Sufferers from this horrible maldy nearly always inherit it—not necessarily from the parents, but may be from some remote ancestor, for Cancer often runs through several generations.

To cure Cancer thoroughly and permanently all the poisonous virus must be eliminated from the blood—every vestige of it driven out.

Cancer begins often in a small way, as the following letter from Mrs. Shirer shows: When all the poison has been forced out of the system the Cancer heals, and the disease never returns.

Cancer, containing valuable and interesting information about this disease, and write our physicians about your case. We make no charge for medical advice.

Good Medicine for Children.

"Through the months of June and July our baby was teething and took a running off of the bowels and sickness of the stomach," says O. P. M. Holiday of Deming, Ind. "His bowels would move from five to eight times a day. I had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the house and gave him four drops in a teaspoonful of water and he got better once." Sold by Dr. Stone's drug stores.

\$100 Reward.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
