PRIDAY, AUGUST 23, 1901. Dally One Year, \$3.00 in Advance

EDITORAL

the falsity of the old adage that God like fifteen cents, with the windows of the last state of the la made nothing in vain. The last addi- stuffed full of hats, the once beautiful tion to the column of educated candi- thrifty fields are uncultivated, the fences The fruit industry is virtually adding isting character of Salem confers upon dates for the fool killer is Prof. Starr of broken down, the buildings unpainted, two months to the busy season in town the department of Anthropology, what- and the people not prosperous. The as well as country. ever that may be, of Chicago Uni- horses and cattle have been neglected We hear that editor Phelps, of the any item of city expenditures, and to versty. By the way, that college is fur- and hogs belonging to the government Scio News, was about to trade his baked intellects, and the latest has a the winter. The first of July the poliworm on the Indian question. The tician agent was removed and a special summer it was all off then for I and the special summer. It was all off then for I and the special summer it was all off then for I and the special summer. special manifestation of the grub in man trained in the Indian service the farmers told him that a cold spring in the matter of meeting its fixed obbis brain is that the Indian cannot be brought on from the east to build up the ruined the crops a few years ago, and he ligations, such as the maturing bridge gentleman is supposed to be an author- and a thifty and progressive community grain would not grow. the extent of the misinformation he is capable of disseminating is almost untere, and with the liberal treatment all limited. He mays: "It is impossible ways accorded the Indian department by the results contain the results contain to the relation to their redemption. Nor would take a pleasant herb drink, the next morning I feel bright and my complexion is better. My doctor says it acts gently on the stomach, liver and kidneys and is a pleasant herb drink, the next it be wide of the spirit of the organic morning I feel bright and my complexion is better. My doctor says it acts gently on the stomach, liver and kidneys and is a pleasant herb drink, the next is the wide of the spirit of the organic morning I feel bright and my complexion is better. My doctor says it acts gently on the stomach, liver and kidneys and is a pleasant herb drink, the next is the wide of the spirit of the organic morning I feel bright and my complexion is better. My doctor says it acts gently on the stomach, liver and kidneys and is a pleasant herb drink, the next is the wide of the spirit of the organic morning I feel bright and my complexion is better. My doctor says it acts gently on the stomach, liver and kidneys and is a pleasant herb drink, the next is the wide of the spirit of the organic morning I feel bright and my complexion is better. The present is a pleasant herb drink, the next is a pleasant herb drink herb d to convert the really good Indian to the white man's religion. The Indians who have been christianized are all liars, thieves and knaves. The really good redsemed from dirty two-for-a-nickle bowels each day. If you cannot get it, Christian Indian does not exist. He is political methods. It is one of the most an impossibility." This is an indict- beautiful spots in the state and associament of the missionaries that is almost ted with the efforts of some of the best savage, and it is hardly true. People men and women in Oregon in behalf of learn by contact with each other, and Indian education. there are no closer observers of others, even in the savage state, than the American Indian. If they have become liars, thieves and rascals from observing the habits and conduct of the white the Indian. They have not learned all tion that all the public lands be turned coffee. Sold by all grocers and liked their ideas of moral conduct from the over to the several states, and taken by all who have used it. Grain-O is she exists and does business. This is a missionary, or the statement of Prof. entirely away from congress. It is plain and strengthens the nerves. It is not Starr would give that profession a black as the nose on a man's face that public a stimulant but a health builder and hands of the special committee ap eye. The "really good Indian" does by adding hypocrisy to horse-stealing, drunkenuess and squaw-baiting.

An outleg for the family seldom proves an inning for the doctors.
