MISS LUCY ANNIE HEISER, OF MINNEAPOLIS, MINN.

Miss Lucy Annie Heiser, a graduated nurse of nine years' experience, trained and graduated from the Homeopathic Hospital of Minneapolis, Minn., writes as follows:

Albert Lea, Minn., Nov. 8, 1899.
The Peruna Medicine Co., Columbus, Ohio:
Gentlemen—Although my school does not believe in patent medicines, I have found it to be a fact that Peruna is a grand and valuable medicine. I have known it to cure Mrs. Sampson, suffering with an inflamed womb, aggravated by malaria, after the doctors had failed to help her. Another of my former patients suffered with a complication of female diseases; she was so thin, nothing but skin and bones, but Peruna cured her and she is to-day in good health and good flesh. Facts prove that Peruna revives lost strength and restores to the sick that most wonderful blessing of life—health.

Savage & Reid,

of the Public Schools, of Columbia City, Wash., also Past Grand of Independent Order of Good Templars. Dr. Hestman received the following letter:

COLUMBIA CITY, WASH.
"I can speak only good words of the repeated benefits I have had from the use of Peruna."
"Too constant application to work last winter caused me to have severe head and backache and dragging pains. I could not stop my work, neither was I fit to go on. Reading of the beneficial results from the use of Peruna I purchased a bottle and within a few days after using it, began to feel better."
"It constantly improved and before the seventh bottle was completely used, all pains were gone, my strength was restored, and I now seem ten years younger."

"If I get tired or feel bad, Peruna at once helps me, and I feel I deserve praise for placing such a conscientious medicine before a suffering public."
Mrs. Amanda Shumaker.

Mattie B. Curtis, Secretary Legion of Loyal Women, Hotel Salem, Boston, Mass., writes:
"I suffered for over a year with general weakness and debility, manifested especially in severe backache and headache."
"My physician prescribed different medicines, none of which seemed to help me any until a club associate advised me to try Peruna, as it cured her of constitutional headache and stomach troubles. I at once ordered a bottle and before it was used, felt greatly improved."
"I have taken four bottles and for two months have been entirely free from these maladies. Several of my friends are using Peruna with beneficial results, especially in cases of troubles with the kidneys and other pelvic organs, together with weaknesses peculiar to women."
Peruna is a specific for the catarrhal derangements of women. Address The Peruna Medicine Co., Columbus, Ohio, for free book on catarrh written by Dr. S. B. Hartman.

County of Marion }
Crippled and Many Years an Invalid.
To whom these presents shall come, Greeting.
About fourteen years since at nine years of age I met with an accident which caused an injury to my spine and pelvic bones which resulted in the formation of humped shoulders and hip, a shortening of the waist and displacement of the lateral organs, and shortening of about two inches one inch between the knee and ankle. In addition to the outward appearance of my body as above described in March 1901 I was taken with a severe attack of La Grippe from the effect of which I suffered greatly with my lungs and heart, and when I recovered I came to and began treatment with Dr. J. F. Cook my former physician, could not stoop to pick anything from the floor. Could get about the house only with difficulty, and getting up stairs was next to impossible. Could use my limbs only with difficulty and one of them was much wasted. My nervous system was badly wrecked, had cough and severe pain in lungs and heart, no appetite, could sleep only in broken spells, and in many ways suffered almost constant and unbearable agonies. In short I was at a rough dead end. Previously to my attack of La Grippe I was treated over a period of years by many physicians to no effective purpose.
My personal appearance at this time is brought in the back as anyone. My wasted limbs restored to normal size and but little more than half an inch shorter than the other. Have free use of my limbs and can go up stairs one foot after the other with perfect ease. My appetite is increasing. Can stoop to the floor with ease. Can get about and do pretty much any and every kind of other work people can do. My appetite is splendid, sleep sound and am absolutely free from pain.
Having lived in Dr. Cook's family for nearly a year I have seen much of the effect of his treatment upon others, and can truly and cheerfully recommend the Doctor and his method of treatment being applied.
Lillian Rosenbaum has lived in this vicinity about nine years.
We, the undersigned, are personally acquainted with the above named and cheerfully subscribe to the truth of the foregoing statement.
