EDITORIAL.

Supt. Calbreath, of the state insane asylum, is a gentleman who does not from the standpoint of a man who is he said it. He qualifies it by adding conducting large farming operations for that he did not say it as if he were conhimselt, enforcing discipline among em- demning the Texas because she was in ployes without fear or favor and having the way when he swung round on that no incompetent pets or relatives to famous loop, but as though he was irriscreen on the payrolls. All these things tated, etc. How petty all such stuff have been done without any advertising seems when one recalls that the battleor demagogic pledges of what he was go- field was at times so thickly covered ing to do. On top of such a record comes with smoke that no one ship the official statement that for the worst could see the other, that the roar of guns months of the past summer was eliminating all possibility of converthere have been no cases of sation, and that history was being made typhus or other intectious dis- that affected all humanity for all time to cases in a population of 1300 people un- come. The insectiverous population of der state charge at the institution over which he presides, when in this city and like barnacles to the naval arm of the suffering from typhoid fever and infecshows that under state control of a class irritated or flambusticated. It is more of people not considered sound mentally than likely that Schley did say or physically in popular estimation, have damn the Texas. Old Zach Chandto be sane and physically the superiors of when the finespun wirepulling of the the patients at the insane asylum, and diplomatists over the questson of the provisions go, state socialism would generally are getting or are capable do it in diplomatic language," be of giving themselves. The water added. The recording sngel in public supply at the asylum is pumped from affairs will not put black marks against a deep well absolutely free from con tamination. The sewage, grounds and for their resort to primitive profanity buildings are kept in perfectly cleanly under great excitement and pressure for condition. The patients get fresh air, a vocabulary to express themselves adare compelled to bathe, perform labor in the open air, have plain well-cooked meals and plenty of sleep. The result is a high compliment to the intelligence, faithfulness and executive ability of Dr. Calbreth and his staff of officers, physicians and employes. It should open the eyes of the people to the palpable fact that infectious diseases are as a result of good administration, the higher intelligence of a civilized community ought to enable its members to insane asylum. With as good a supply of drinking water, with as cleanly premises, with as regular habits as the people saylum would be as free from infectious diseases as those inside. It would seem as though municipal ownership of a firststep toward improving the sanitary condition of any city, and the people of Salem ought to begin to consider the matter seriously.

The Salem JOURNAL contains a long editorial lament over the fact that if he would have been the whole senate just as able and in fact, abler men in men, and thereby accomplished no more, that august body today than H. W. Corbett and amongst the number is no other than John H. Mitchell, who can probably less than he did accomplish. accomplish more for Oregon and the Northwest in one session than Corbett could in a full term, including legisla-

tion of trusts.-Eugene Register. ple all right, but we want to see som : will advance and inquiry for property in The perfect combinations of the two in- and strengthens the nerves. It is not thing tangible. Under the influence of Marion county is already quite marked. our delegation at Washington D.
