BEAUTY IS NEVER COMPLETE

without a thick, luxuriant head of soft, glossy hair which is in truth "woman's crowning glory." The HERPICIDE uses a scientific process never fails to produce hair of this character, for, by destroying the dead hair, it feeds upon the oil of the hair root, it makes a dandruff falling hair and all scalp diseases impossible. It then promotes a new and thick growth to replace the old thin, brittle hair.

PROGRESS OF THE MORMONS

Church Woman Advocates Action Against Polygamy.

Believes They Constitute A Distinct Menace.

NEW YORK, Nov. 15.—The danger of Mormonism is underrated, not overrated. When the public realizes there are two Mormon Churches in Brooklyn, one in Manhattan, one in Philadelphia, a strong and growing Mormon settlement on the borders of Pennsylvania and New Jersey and that the strongest church in a section 50 miles from Jersey City is Mormon, it may be understood that the situation is menacing.

This statement, which started the women's executive committee of the Reformed church at its eighteenth anniversary in this city was made by Miss Elizabeth B. Vermilye, a member of the committee in an address upon Mormonism in the East. She said further:

"It was predicted that in fifty years the Mormons would control a belt of states cutting the country in two from northeast to southwest. The prediction has been verified in twenty years instead of fifty. They own land from the Rocky mountains to the Sierras and are spreading east as I have told you. They control four mission states and at the present rate of progress in others will soon have supremacy.

"If the constitutional amendment making polygamy a crime is not passed now, it will soon be impossible to pass it, as they need to acquire control only in 12 states to prevent legislation against them. Two thousand Mormon missionaries are actively pursuing the propaganda, 60 of them in the State of New York alone.

A Great Medicine.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy, and find it to be a great medicine," says Mr. E. S. Phipps, of Potomac, Ark. "It cured me of bloody flux; I cannot speak too highly of it." This remedy always wins the good opinion, if not praise, of those who use it. The quick cures which it effects even in the most severe cases make it a favorite everywhere. For sale at Dr. Stone's Drug Stores.

"FATHER'S SACRIFICE."

The Story Told in the "Convict's Daughter."

How often have we read in the papers of a noble sacrifice by a father for his wife or family, and how deeply interested do we feel in its reading. The old saying that truth is stronger than fiction still holds full sway. The beautiful and thrilling interest as told in the

THE CONVICT'S DAUGHTER

powerful melodramatic play "The Convict's Daughter," of a father's love and sacrifice for his daughter is one of the purest stories in thought and action ever played on the American stage. Its success was and has been instantaneous, the theatres being crowded nightly. Sensational to a degree and full of strong climaxes, the story and events of the play live in your memory long after all others have faded into forgetfulness.

Manager Cordray should be complimented upon securing such a strong attraction as "The Convict's Daughter" has proven itself to be. Every detail has been carefully attended to, each artist has been engaged for his or her special part.

Complete effectiveness scenery, powerful dramatic scenes and mirth provoking comedy complications, clouds and sunshine, smiles and tears trace each other all through this beautiful story of "The Convict's Daughter." Only opportunity to see that powerful melodrama at the Grand opera house Saturday night.

A Village Blacksmith Saves His Little Son's Life.

Mr. H. H. Black, the well-known blacksmith at Grabsch's, Sullivan county, N. Y., says: "Our little son, five years old, has always been subject to croup, and so had the attacks been that we have feared many times that he would die. We have had the doctor and used many remedies, but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tough mucus and by giving frequent doses when the croupy symptoms appear we have found that the dreaded croup is cured before it gets settled." There is no danger in giving this remedy for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult. For sale at Dr. Stone's Drug Stores.

Thanksgiving Show Windows

The Salem merchants have proved themselves good advertisers, not only with printers ink but by the careful and artistic arrangement of their display windows. There, however, give only a meagre idea of the massive, stocks they carry, and they have advanced to a point where the most critical can be furnished and satisfied with any description of article they may desire. Especially worthy of mention are the windows now dressed for the special Thanksgiving trade, the principal displays being of fine table linens and damasks.

At the White Corner, Jos. Mayers & Sons, Mr. Dinsmore and his assistants, have arranged a pretty window typical of the Thanksgiving time. A small table is arranged with fruits and wines, and presided over by a neat housewife. White and colored napkins and table covers make a frame and background for this scene, which is endowed with an air of coziness.

At the store of T. Holverson the decoration is exclusively of linens, but the arrangement is thoroughly original. A large centre figure has been arranged that is a masterpiece. This is surrounded by folded napkins and covers making a neat display. The credit for this work is due to the work of Rudolph Hopf.

At Dalgry's the large corner window is encased in a frame of pretty design. A large fancy cover fills the back and the remainder of the space is occupied by damasks in nearly every conceivable form. Vases of chrysanthemums are placed conspicuously, adding brightness to the window, which is otherwise completely white.

At the Capital store, J. L. Stockton, a substantial and advantageous display has been made by Mr. Hollister.

Collided With an Iceberg.

The Linn Canal steamer City of Topeka, Captain Oleson, steamed slowly into the harbor of Seattle recently with her stem bent and a gaping hole near the bow. The steamer collided with a sunken iceberg in Taku Bay on the up trip on the night of Nov. 2. A blinding snow storm was raging at the time and when the shock came some of the passengers, believing the ship was going down, made frenzied attempts to get into life preservers. It was soon found that, although several iron plates were broken through, there was no immediate danger. The steamer was taken to Douglas Island for an investigation after the accident, and it was decided that the Topeka be allowed to return to Seattle without cargo or passengers. The extent of the damage is estimated at about \$5,000, besides the loss of a trip and the necessary expense and delay that must ensue while the vessel is being repaired.

Dr. Miles' Nervine

Saved me from the insane asylum," Mrs. A. M. Heiler, of Jersey Springs, Mo., writes. Stomachs That Won't Work

That Retain the Food and Refuse to Digest it, Makes the Head Heavy and the Nerves Weak, Need Stuart's Dyspepsia Tablets

There is a cure for dyspepsia. Sufferers who have tried noxious nostrums will probably be skeptical but skepticism vanishes when Stuart's Dyspepsia Tablets are tried. Whenever the trouble is dyspepsia of long standing, or merely a simple case of indigestion, relief is prompt and pronounced. The less the trouble the fewer tablets need be taken. Heaviness after eating, sour stomach, as indicated by belching, fatigue with slight exertion or with no exertion at all, disturbed sleep, nervousness, constipation, depression, "bites," these things can be commonly be set down as symptoms of dyspepsia. And dyspepsia is merely indigestion in an aggravated form.

By promoting perfect digestion, Stuart's Dyspepsia Tablets produce strong nerves, restful, refreshing sleep, pure blood and good sound healthy flesh. They make the skin clear, the eyes bright, the mind cheerful.

Stuart's Dyspepsia Tablets are a medicine and more than a medicine. They digest the food and make it easy of assimilation, and they relieve the inflamed, diseased condition of the membranes lining the glands of the stomach and bowels. They help the digestive organs over the hard places, and put them into a healthy, active condition. They effect a quick and permanent cure. You don't have to continue taking them forever, still it is well to have a box handy and take one at the first return of the trouble.

Perfectly safe people are made sick by eating too much, or unwholesome food, but if they take a tablet after eating. Treatment with Stuart's Dyspepsia Tablets does not necessitate dieting or any change of habits. They digest the proper food and act upon the other kind in such a way as to make it pass off quickly and harmlessly. You may eat and drink what you like, when you like, and as much as you like if you take a tablet afterwards.

Stuart's Dyspepsia Tablets are sold by all druggists at 50 cents for full size package.

A Medicine for Old People.

Rev. Geo. Gay, Greenwick, Kas., is past 83 years of age, yet he says: "I am enjoying excellent health for a man of my age, due entirely to the rejuvenating influence of Dr. Miles' Nervine. It brings sleep and rest when nothing else will and gives strength and vitality even to one of my old age."

"I am an old soldier," writes Mr. Geo. Watson, of Newton, La., "and I have been a great sufferer from nervousness, vertigo and spinal trouble. Have spent considerable money for medicine and doctors, but with little benefit. I was told to try Dr. Miles' Nervine, and I began taking Dr. Miles' Nervine, and I know I saved my life."

Sold by all Druggists on Guarantee.

How to Treat a Troublesome Corn.

To remove a troublesome corn or bunion: First soak the corn or bunion in water to soften it, then pare it down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily; rubbing vigorously for five minutes at each application. A corn plaster should be worn for a few days, to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale at Dr. Stone's Drug stores.

New York, Nov. 15—At a dinner in Madison square last night Mayor-elect Seth Low declared that no person could in future demand patronage of the city administration.

The Latest Yarn.

A Pittsburgh drummer tells this new yarn: "I always carry a bottle of Kemp's Balsam in my grip. I take cold easily and a few doses of the Balsam always makes me a well man. Every where I go I speak a good word for Kemp. I take hold of my customers—I take old men and young men, and tell them confidentially what I do when I take cold. At druggists, 25c and 50c. 4

Stomachs That Won't Work

That Retain the Food and Refuse to Digest it, Makes the Head Heavy and the Nerves Weak, Need Stuart's Dyspepsia Tablets

There is a cure for dyspepsia. Sufferers who have tried noxious nostrums will probably be skeptical but skepticism vanishes when Stuart's Dyspepsia Tablets are tried. Whenever the trouble is dyspepsia of long standing, or merely a simple case of indigestion, relief is prompt and pronounced. The less the trouble the fewer tablets need be taken. Heaviness after eating, sour stomach, as indicated by belching, fatigue with slight exertion or with no exertion at all, disturbed sleep, nervousness, constipation, depression, "bites," these things can be commonly be set down as symptoms of dyspepsia. And dyspepsia is merely indigestion in an aggravated form.

By promoting perfect digestion, Stuart's Dyspepsia Tablets produce strong nerves, restful, refreshing sleep, pure blood and good sound healthy flesh. They make the skin clear, the eyes bright, the mind cheerful.

Stuart's Dyspepsia Tablets are a medicine and more than a medicine. They digest the food and make it easy of assimilation, and they relieve the inflamed, diseased condition of the membranes lining the glands of the stomach and bowels. They help the digestive organs over the hard places, and put them into a healthy, active condition. They effect a quick and permanent cure. You don't have to continue taking them forever, still it is well to have a box handy and take one at the first return of the trouble.

Perfectly safe people are made sick by eating too much, or unwholesome food, but if they take a tablet after eating. Treatment with Stuart's Dyspepsia Tablets does not necessitate dieting or any change of habits. They digest the proper food and act upon the other kind in such a way as to make it pass off quickly and harmlessly. You may eat and drink what you like, when you like, and as much as you like if you take a tablet afterwards.

Stuart's Dyspepsia Tablets are sold by all druggists at 50 cents for full size package.
