FALLING HAIR STOPPED.
Baldness Cured by Destroying the Parasite Germ That Causes It.
Baldness follows falling hair, falling hair follows dandruff; and dandruff is the result of a germ which gets into the scalp to the root of the hair, where it saps the vitality of the hair. To destroy that germ is to prevent as well as cure dandruff, falling hair, and, lastly, baldness. There is only one preparation known to do that, Newb's Hair Cure, an entirely new, scientific discovery. Wherever it has been tried it has proven wonderfully successful. It can't be otherwise, because it utterly destroys the dandruff germ. "You destroy the cause, you remove the effect."

A BUDDING HUMORIST.
Merry Memories of a First Meeting With Artemus Ward.
On going into the Cleveland Plain Dealer editorial rooms one morning I saw a new man, who was introduced to me as Mr. Browne.

He was young, cheerful in manner, tall and slender, not quite up to date in style of dress, yet by no means shabby. His hair was faxon and very straight; his nose, the prominent feature of his face, was Romanesque—quite violently so—and with a leaning to the left. His eyes were blue gray, with a twinkle in them; his mouth seemed so given to a merry laugh, so much in motion, that it was difficult to describe.

It seemed as though bubbling in him was a lot of happiness which he made no effort to conceal or hold back. When we were introduced, he was sitting at his table writing. He gave his leg a smart snap, arose, shook hands with me and said he was glad to meet me. I believed him, for he looked glad all the time. You could not look at him but he would laugh. He laughed as he sat at his table writing. When he had written a thing which pleased him, he would slap his leg and laugh.

I noticed that George Hoyt and James Brokenshire at their tables were pleased with his merriment and indulged in broad smiles. As I had him and the others good morning he said, "Come again, me legs." I thanked him, said I would and went my way, thinking what a funny fellow he was. Within a month thereafter appeared in the columns of The Plain Dealer a funny letter signed "Artemus Ward." The writer said he was in the show business, had a trained kangaroo, "a most amous" little cuss, "some 'snails' and a collection of wax figures, which he called a "great moral show." As he was coming to Cleveland to exhibit, he made a proposition to the proprietor that they "scratch each other's backs"—the publisher to write up the show vigorously and the showman to have the handbills printed at his office and give him free tickets for all his family. So I found my young friend of the gurgle and hay colored hair to be an embryo humorist just bursting into bloom. Artemus, as from that time he was best known, soon had a city full of friends, myself and family among them—James F. Ryder in Century Magazine.

A Novelty.
"Suppose I give you your supper," said the tired looking woman. "What will you do to earn it?"
"Madam," said Meandering Mike, "I'll give you an opportunity of seeing a man go through a whole meal without finding fault with a single thing."
The woman thought a minute and then told him to come in and she'd set the table.—Washington Star.

Now They Don't Speak.
Ethel—If ten men were to ask you to marry them, what would it be?
Amy—What would it be?
Ethel—A tender.
Amy—And if one should ask you what would that be?
Ethel—I don't know. What?
Amy—A wonder.—London Fun.

A FEW REASONS Which are Rapidly Making a New Catarrh Cure Famous.

Stuart's Catarrh Tablets, the new Catarrh cure has the following advantages over other catarrh remedies.
First: These tablets contain no cocaine, morphine or other injurious drug and are as safe and beneficial for children as for adults; this is an important point when it is recalled that many catarrh remedies do contain these very objectionable ingredients.
Next: Being in tablet form this remedy does not deteriorate with age, or exposure to the air as liquid preparations invariably do.

Next: The tablet form not only preserves the medicinal properties but it is so far more convenient to carry and to use at any time that it is only a question of time when the tablet will supersede liquid medicines as it has already done in the medical department of the United States army.
Next: No secret is made of the composition of Stuart's Catarrh Tablets; they contain the active principles of Eucalyptus bark, red gum, blood root and Hydrastin, all harmless antiseptics which, however, are death to catarrhal germs wherever found, because they eliminate them from the blood.

Next: You cannot cure catarrh by local applications to the nose and throat, because these are simply local symptoms and such treatment cannot possibly reach the real seat of catarrhal disease which is in the blood; for this reason inhalers, douches, sprays and powders never really cure catarrh, but simply give temporary relief which a dose of plain salt and water will do just as well.
Catarrh must be driven out of the system, out of the blood, by an internal remedy, because an internal remedy is the only kind which can be assimilated into the blood.

Stuart's Catarrh Tablets do this better than the old form of treatment because he contain every safe specific known to modern science in the antiseptic form of the disease.
Next: The use of inhalers and spraying apparatuses, besides being disappointing and ineffective, is expensive, while a complete treatment of Stuart's Catarrh Tablets can be had at any drug store in the United States and Canada for 50 cents.

You Will Find if you study the history of successful merchants that two things are essential to success in business—good business methods and newspaper advertising. Each plays its own important part, but you cannot build the structure rightly with either alone. One dovetails into the other and makes perfection.

Newspaper advertising will help you to a greater business through a wider acquaintance. It gives the merchant entrance to the homes of all his readers. The dealer who fails to use the best newspaper has failed to grasp his opportunity. He will in the end put his hand into his own pocket and pay for the mistake.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the formation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.
