

SYRUP OF FIGS

NEVER IMITATED IN QUALITY.

An Excellent Combination.

The pleasant method and beneficial effects of the well known remedy, Syrup of Figs, manufactured by the CALIFORNIA FIG SYRUP CO. Illustrate the value of obtaining the liquid laxative principles of plants known to be conditionally laxative and presenting them in the form most refreshing to the taste and acceptable to the system. It is the one perfect strengthening laxative, cleansing the system effectually, dispelling colds, headaches and fevers and gently yet promptly and enabling one to overcome habitual constipation permanently. Its perfect freedom from every objectionable quality and substance, and its acting on the kidneys, liver and bowels, without weakening or irritating them, make it the ideal laxative.

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other botanical agents, by a method known to the CALIFORNIA FIG SYRUP CO. only. In order to get its beneficial effects and to avoid imitations, please remember the full name of the Company printed on the front of every package.

A Mother's Favorite.
Chamberlain's Cough Remedy is the mother's favorite. It is pleasant and safe for children to take and always cures. It is intended especially for cough, croup and whooping cough, and is the best medicine made for these diseases. There is not the least danger in giving it to children for it contains no opium or other injurious drug and may be given as confidently to a child as to an adult. For sale by Dr. Stone's Drug Store.

Famous Winter Resorts.
A winter trip to Southern California and Arizona via the famous Shasta Route is one never to be forgotten. Renewed acquaintance with this section will ever develop fresh points of interest and added sources of enjoyment under its many skies, in the variety of interests and added industries, and its prolific vegetation and among its numerous resorts of mountain, shore, valley and plain.

Two trains leave Portland daily, morning and evening, for California. These trains are equipped with the most improved pattern of standard and tourist sleeping cars, and the low rates place the trip to reach of all.
