**"I wish you to publish my letter stating the grand effect LYDIA E. PINKHAM'S VEGETABLE COMPOUND has had on my health."**

**MRS. ANNA ASTON**

"I was suffering to such an extent from ovarian trouble that my physician thought an operation would be necessary. Your medicine having been recommended to me, I decided to try it. After using several bottles I found that I was cured. My system was toned up and I suffered no more with my ovaries. Lydia E. Pinkham's Vegetable Compound is the greatest boon on earth to suffering women."—Mrs. ANNA ASTON, Box 13, Troy, Mo.

Ovarian trouble is a serious trouble. Every woman knows this. Frequently she has ovarian trouble when she thinks she has only a "pain in the side." All at once she finds herself unable to walk. She is a sick woman. An operation, dangerous and expensive, is the usual procedure, and, at best, she can expect merely to gather together the shattered remains of health after a tedious struggle.

Many times this is necessary and many times it is not. It is wise for every woman to be convinced that every backache and sideache, every abdominal pain, indicates something wrong, and something which will not go away itself or be driven away by hard work. It is also right for every woman to know that for every disorder of the female organs Lydia E. Pinkham's Vegetable Compound is the perfect treatment, that it is the medicine always safe to use and always certain to help.

When your health and perhaps your life is at stake, it is wise to pass by a remedy which holds the record for the greatest number of absolute cures of female ills and which is recognized by the profession to be the greatest medicine for women in the world, and accept something else which you know little or nothing about?

Read the records of cure in the letters like Mrs. Aston's printed regularly in this paper, and if you are sick, do not be satisfied to take a substitute for **Lydia E. Pinkham's Vegetable Compound.**

**\$5000 REWARD** We have deposited with the National City Bank of Lynn, Mass., which will be paid to any person who can find that the above testimonial letter is not genuine, or was published before obtaining the writer's special permission. LYDIA E. PINKHAM MEDICINE CO.
