A Prominent Chicago Woman Speaks.
Prof. R. A. Tyler, of Chicago, Vice-President Illinois Woman's Alliance, in speaking of Chamberlain's Cough Remedy, says: "I suffered with a severe cold this winter which threatened to run into pneumonia. I tried different remedies, but I seemed to grow worse and the medicine upset my stomach. A friend advised me to try Chamberlain's Cough Remedy and I found it was pleasant to take and it relieved me at once. I am now entirely recovered, saved a doctor's bill, time and suffering, and I will never be without this splendid medicine again." For sale by Dr. Stone's Drug Stores.

Camille Ero, a famous violinist, died Tuesday in New York.

Beat Out of an Increase of His Pension.

A Mexican war veteran and prominent editor writes: "Seeing the advertisement of Chamberlain's Cough Remedy and Diarrhoea Remedy, I am reminded that as a soldier in Mexico in '47 and '48 I contracted Mexican diarrhoea and this remedy has kept me from getting an increase in my pension for an every renewal a dose of it restores me." It is unequalled as a quick cure for diarrhoea and is pleasant and safe to take. For sale by Dr. Stone's Drug Stores.

SALEM SOCIAL WORLD PERSONAL MENTION

Birthday Party.
One of the pleasantest social events of the season in Salem was the birthday party at the residence of Charles Watt at Mill and High streets on Monday evening. The occasion of the festivities was the coming of age of Mr. Ivan Martin the son of Mrs. Watt. Nearly twenty-five guests were present and one and all were seated with enjoyment during the course of the evening.

The feature of the affair was a guessing contest in which Mr. John Graber carried off the first prize and Miss Cora Litchfield captured the booty. A guitar solo by Miss Belle Crouse, a recitation by Miss Maud Griswold, and a vocal solo by Mrs. Wilson were given with pleasing effect. During the evening the band, of which Mr. Martin is a member, played several choice selections. The evening was concluded by the service of an excellent collation to which all present did ample justice.

Those present were: Mr. and Mrs. Joe Bernardi, Dr. and Mrs. Epley, Mr. and Mrs. Wilson, Mr. and Mrs. W. E. Mitchell, Mr. and Mrs. John Kirk, Mr. and Mrs. C. L. STORY OF THE CONVICT'S CLOTHING
A package containing convicts' clothes was found at the Salem postoffice a few days ago and aroused some curiosity in their regard. The package was left there over two months ago by the driver of the Silverton stage, who said it would be called for. It remained there until a few days ago, no calls being made for it and as there was no address it was opened to secure if possible a clue as to its owner. It contained two sets of convicts' stripes, and a theory was advanced that they were worn by prisoners who had escaped from the penitentiary, who had returned there. It is more than two years since anyone has escaped from there, so the idea is impracticable. To explain the affair, Sup't. Lee of the prison was notified of the fact, which was soon explained. About three months ago a man named James was at Silverton, and by request Warden James loaned those two suits to a couple of the dancers. On returning they failed to correctly address the package, thus causing what appeared to be a serious matter.

A winter trip to Southern California and Arizona via the famous Shasta Route is one never to be forgotten. Two trains leave Portland daily, morning and evening, for California. These trains are equipped with the most improved pattern of standard and tourist sleeping cars, and the low rates place the trip in reach of all.

Contagious Blood Poison FIRST BORING FOR OIL

There is no poison so highly contagious, so deceptive and so destructive. Don't be too sure you are cured because all external signs of the disease have disappeared, and the doctor says you are well. Many persons have been doctored with Mercury and Potash for months or years, and pronounced cured, only to find when too late that the disease was only covered up—
Like Begets Like.—driven from surface to break out again, and to their sorrow and mortification find those nearest and dearest to them have been infected by this loathsome disease, for no other poison is so surely transmitted from parent to child as this. Often a bad case of Rheumatism, Catarrh, Scrofula or severe skin disease, an old sore or ulcer developing in middle life, can be traced to blood poison contracted in early life.
The Sin of the Parents.—life, for it remains smoldering in the system forever, unless properly treated and driven out in the beginning. S. S. S. is the only antidote for this peculiar virus, the only remedy known that can overcome it and drive it out of the blood, and it does this so thoroughly and effectually that there is never a return of the disease to embarrass or humiliate you afterwards.

SSS
cures Contagious Blood Poison in any and all stages; contains no mercury, no arsenic, no lead, no opium, no habit-forming drugs, no dangerous ingredients; it is purely vegetable and the only blood purifier known that cleanses the blood and at the same time builds up the general health.
Our little book on contagious blood poison is the most complete and instructive ever issued; it not only tells all about this disease, but also how to cure yourself at home. It is free and should be in the hands of everyone seeking a cure. Send for it.

School Election Next June
The annual school election this year will be held June 16, instead of in March as formerly. At this election the district clerk and one director will be elected, the retiring director being H. A. Johnson. The directors are elected by ballot for a term of five years.

Whose Baby Are You?
"There's nothing takes the loneliness and the bitterness out of life like a baby" wrote Mark Twain years ago. A dramatist evidently recognized the domestic truth contained in those lines when he wrote that sparkling farce "Whose Baby Are You?" that makes its appearance at the Grand Opera House Friday night.
The author of this funniest of farces is Mark E. Swan who wrote "Brown's Island Town." His latest effort, "Whose Baby Are You?" exceeds in cleverness and originality the former productions of his facile pen. The effervescent play

ordered more or less, and the commonest thing they do for it is to take some one of the many so-called blood purifiers, which in many cases are merely strong cathartics. Such things are not needed. If the organs are in a clogged condition, they need only a little help and they will right themselves. Cathartics irritate the sensitive linings of the stomach and bowels and often do more harm than good.
Purgings is not what is needed. The thing to do is to put the food in a condition to be readily digested and assimilated. Stuart's Dyspepsia Tablets do this perfectly. They partly digest what is eaten and give the stomach just the help it needs. They stimulate the secretion and exertion of the digestion of the digestive fluids and relieve the congested condition of the glands and membranes. They put the whole digestive system in a condition to do its work. When that is done you need take no more tablets, unless you eat what does not agree with you. Then take one or two tablets—give them needed help and you will have no trouble.

It's a common sense medicine and a common sense treatment and it does cure every time. Not only does it ease, but cure the cause. Goes about it in a perfectly sensible and scientific way.
We have testimonials enough to fill a book, but we don't publish many of them. However—
Mrs. E. M. Faith, of Byrd's Creek, Wis., says: "I have taken all the Tablets I got of you and they have done their work well in my case, for I feel like a different person altogether. I don't doubt if I had not got them I should have died at rest by this time."
H. E. Willard, Oaslaw, Ia., says: "Mr. White, of Canton, was telling me of your Dyspepsia Tablets curing him of Dyspepsia from which he had suffered for eight years. As I am a sufferer myself I wish you to send me a package by return mail."
Paul Brooks, Detroit, Mich., says: "Your dyspepsia cure has worked wonders in my case. I suffered for years from dyspepsia, but am now entirely cured and enjoy life as I never have before. I gladly recommend them."
It will cost \$2c. to find out just how much Stuart's Dyspepsia Tablets will help you. Try them—that's the best way to decide.
All druggists sell them. A little book on stomach diseases will be mailed free by addressing F. A. Stuart Co., Marshall, Mich. 1 20 22 24
