A Prominent Chicago Woman Speaks.

Prof. R. A. Tyler, of Chicago, Vice-President Illinois Woman's Alliance, in speaking of Chamberlain's Cough Remedy, says: "I suffered with a severe cold, which threatened to develop into pneumonia. I tried different remedies, but I seemed to grow worse and the medicine upset my stomach. A friend advised me to try Chamberlain's Cough Remedy and I found it pleasant to take and it relieved me at once. I am now entirely recovered, saved a doctor's bill, time and suffering, and I will never be without this splendid medicine again." For sale by Dr. Stone's Drug Stores.

SALEM SOCIAL WORLD

PERSONAL MENTION

Pleasant House Party.

A pleasant party was given at the residence of Mr. and Mrs. J. N. Skille, on Eighteenth street, Tuesday evening, in honor of their daughter, Miss Leolin, it being the 15th anniversary of that young lady's birth. A few intimate friends had planned a surprise and at 8 p. m. assembled at her home, where the evening was spent in games, music, and other pleasant pastimes. Miss Skille was the recipient of some pretty tokens, among which was a beautiful gold brooch, the gift of her father. Light refreshments were served, and when the happy company dispersed, all joined in proclaiming Miss Leolin a charming hostess and capital entertainer, and hoping, no doubt, to soon have an invitation to spend another evening at her home.

Salem Woman Home From Manila.
Mrs. Jennie Bryan Shellabarger and Miss Emma Bryan spent Wednesday with Salem friends, returning to their home in Jefferson last evening. Mrs. Shellabarger only recently returned from the Philippines where for six months she was engaged in newspaper work. She was employed as society editor on the American, published at Manila, and at the same time acted as correspondent for publications in the States. In health, resulting from the severe tropical weather and hard work, compelled Mrs. Shellabarger to come home and she does not expect to return to the islands.

Welch Family Reunion.

On last Friday, Mr. Charles Welch was 81 years old, and on Sunday the occasion was celebrated by a family reunion, and a birthday dinner, in honor of the occasion. A pleasant day was spent, with the entire family surrounding the aged Salemite. Among those present were the married children of the family and their families, including Mr. and Mrs. C. D. McCoy, Mr. and Mrs. F. A. Welch, Mr. and Mrs. Wm. H. Welch, and Mr. and Mrs. Arthur D. Welch.

Dancing Party.

The Entire Nov. club gave another of its charming dancing parties last night in Tioga hall.

The success of the organization this season is principally due to the earnest efforts and untiring energy of the president, J. O. Shinn, whose plans for the conduct of the club assured its popularity. The ball last night was brightened by pretty decorations and the smart costumes of the ladies.

Backwoods Picnic.

The Artisan lodge members held a "backwoods" picnic last night after their regular session. It was attended by about fifty members, most of whom wore picturesque backwoods costumes. A basket lunch was served and the evening was one of the jolliest participated in for some time. Some excellent vocal solos were sung by Miss Florence Price and Miss Kurtz.

Reward of Merit

A New Catarrh Cure Secures National Popularity in Less Than One Year.

Throughout a great nation of eighty million it is a desperate struggle to secure even recognition for a new article to say nothing of achieving popular favor, and yet within one year Stuart's Catarrh Tablets, the new catarrh cure,

has met with such success that today it can be found in every drug store throughout the United States and Canada.

To be sure a large amount of advertising was necessary in the first instance to bring the remedy to the attention of the public, but everyone familiar with the subject knows that advertising alone never made any article permanently successful. It must have in addition absolute, undeniable merit, and this the new catarrh cure certainly possesses in a marked degree.

Physicians, who formerly depended upon inhalers, sprays and local washes or ointments, now use Stuart's Catarrh Tablets because, as one of the most prominent stated, these tablets contain in pleasant, convenient form all the really efficient catarrh remedies, such as red gum, blood root and similar antiseptics.

They contain no cocaine nor opiate, and are given to little children with entire safety and benefit.

Dr. J. J. Reiter, of Covington, Ky., says: "I suffered from catarrh in my head and throat every fall, with stoppage of the nose and irritation in the throat affecting my voice and often extending to the stomach, causing catarrh of the stomach. I bought a fifty cent package of Stuart's Catarrh Tablets at my druggist's, carried them in my pocket and used them faithfully, and the way in which they cleared my head and throat was certainly remarkable. I had no catarrh last winter and spring and consider myself entirely free from any catarrh trouble."

Mrs. Jerome Ellison, of Wheeling, W. Va., writes: "I suffered from catarrh nearly my whole life and last winter my two children also suffered from catarrh colds and sore throat so much they were out of school a large portion of the winter. My brother who was cured of catarrh deafness by using Stuart's Catarrh Tablets urged me to try them so much that I did so and am truly thankful for what they have done for myself and children. I always keep a box of the tablets in the house and at the first appearance of a cold or sore throat we nip it in the bud and catarrh is no longer a household affliction with us."

Full sized packages of Stuart's Catarrh Tablets are sold for fifty cents at all druggists.

Detroit Man

Not to Blame

A citizen of Detroit writes: "In last Saturday's paper you printed an article about the man who started from here over the mountains, and also said that a resident of Detroit directed him to a place above here for work. The fact is when he got to Hoover's mill, 2 1/2 miles above Detroit, he was informed that there was nothing any father up, and simply made the trip on his own accord."

TO KILL THE DANDRUFF GERM

Is the Only Possible Way of Having a Permanent Cure.

If you see a woman or a man with horrid itching hair, you may be sure neither the dandruff to amount to anything. In nearly every case where women and men have this brittle hair, they owe it to dandruff. There are hundreds of preparations that "claim" to cure dandruff, but not one but Newbro's Herpicide tells you that dandruff is the result of a germ burrowing into the scalp, and that permanent cure of dandruff and its consequent falling and baldness, can only be had by killing the germ; and there is no other preparation that will destroy that germ but Newbro's Herpicide. "Destroy the cause, you remove the effect."
