Beware of Ointments for Catarrh that Contains Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

IMPORTANT SCIENTIFIC DISCOVERY

A Clinical Preparation That Positively Kills the Dandruff Germ.

A most important discovery has been made after a year's patient laboratory work aimed in a certain direction—It is Newbro's Herpicide, a preparation that cures baldness, prevents falling hair, and speedily and permanently eradicates dandruff. These evils are caused by a germ or parasite that burrows into the scalp throwing up dandruff, as it seeks to sap the life of the hair at the root. There's no baldness without falling or thin hair, no thin hair without dandruff, and no dandruff if the germ is destroyed. Newbro's Herpicide is the only preparation that will do the work. "Destroy the cause you remove the effect."

SALEM SOCIAL WORLD —AND— PERSONAL MENTION

Knights Maccabees Entertain.

The Sir Knights of Willamette Tent K. O. T. M. held a reception in their hall in the Holman block Wednesday night. The members of various tents surrounding Salem were present. Music for the evening was furnished by Ristine's orchestra. There were addresses made upon the good of the order, the one by Sir Knight Stolz deserves special mention, Sir Knight Ben Taylor favored the audience with two piano solos excellently rendered. Four new candidates rode the goat successfully and were knighted as Maccabees. Refreshments were served, then all joined in the revelries. Sir Knights Creviston and Taylor danced a two step that set the hall into a roar of laughter. Sir Knight Roy Davis rendered "Asleep in the deep" but was bombarded with ham sandwiches so vigorously that he was compelled to stop, just in time to save the roof which was slowly rising. The reception closed with a selection by the orchestra and all departed for their homes in peace and good will toward each other and to dream of the good they had. About one hundred and fifty Maccabees attended.

WHITE PASS ROAD

Must Stand Big Suits for Damages

VICTORIA, B. C., Feb. 12.—When it was first announced the Higgins & Elliott, barristers, of this city, had entered an action against the White Pass & Yukon Railway for damages and the return of freight and passenger rates paid by their clients, as the tariff of the company had not been approved by the Dominion Government, as required by the railroad act and further because the tariffs were unjust and extortionate, there were those who looked upon the action as a bluff. Now that Justice Martin, of the Supreme Court, has decided that the plaintiffs have a right of action against the company under the railway act, the feeling is gaining ground that the suits are very serious, and should they be decided against the company there is no telling where the matter will end.

Already three writs have been issued on behalf of the Upper Yukon Consolidated Company, Joseph Clearihue and J. St. Clair Bleckett & Co. The latter writ was issued yesterday, and in it the claim for $40,000, making the amount so far sued for $300,000. Other writs are to be issued, one for $100,000 by the Victoria Yukon Trading and Transportation Company. The aggregate claims in the writ to to be taken out in Victoria will total $750,000.

It is expected that the cases will come to trial at the assizes held during March.
