## CLEANLY WOMAN

Erroneously Thinks by Scouring Her Scalp That She Cures Dandruff.

Cleanly woman has an erroneous idea that by scouring the scalp, which removes the dandruff scales, she is curing the dandruff. She may wash her scalp every day, and yet have dandruff her life long, accompanied by falling hair too. The only way in the world to cure dandruff is to kill the dandruff germ, and there is no hair preparation that will do that but Newbro's Herpicide. Herpicide killing the dandruff germ, leaves hair free to grow as healthy nature intended. Destroy the cause, you remove the effect. Kill the dandruff germ with Herpicide.

## ABOUT CATARRH CURES

### The Reason Why Inhalers and Local Applications are Useless.

For many years catarrh was considered to be a local disease, and was treated entirely by local remedies, salves, ointments, powders, sprays and inhalers, and nearly all of these gave a temporary relief, but a genuine permanent cure was very rare.

It is true that the most annoying symptoms, like stoppage of the nose and throat trouble, are purely local, but they are simple symptoms and the real seat of disease is far removed.

Catarrh is a constitutional disease, a blood disorder, complicated usually with disease of the liver, and to suppose that local application of sprays, powders, inhalers, could ever reach the real cause of the trouble is ridiculous.

The sensible and successful treatment is to remove the catarrhal poison from the system by regulating the liver and purifying the blood, and this can only be done by an internal remedy, which should consist of antiseptics and remedies to act vigorously on the blood and liver.

The best preparation of this kind which fills all the requirements of a safe constitutional treatment is Stuart's Catarrh Tablets, composed of Blood Root, Red Gum and similar wholesome antiseptics, which are absolutely safe to take into the stomach and which act upon the liver, stomach and mucous membrane.

Stuart's Catarrh Tablets are large, pleasant tasting lozenges to be slowly dissolved in the mouth, thus reaching the mucous membrane and windpipe and finally reaching the stomach.

Dr. Edmondson, in speaking of the new treatment for catarrh, says: "I have accomplished the most satisfactory results in all forms of catarrh of the head, throat, bronchial tubes, as well as catarrh of the stomach and liver by using nothing else but Stuart's Catarrh Tablets. I long since threw aside sprays, and inhalers as being inconvenient, and at best mere temporary make-shifts.

Stuart's Catarrh Tablets act immediately upon the liver and blood and clear the whole system of catarrhal poison. They are pleasant and very convenient to use, and are not only the latest, but I believe them to be the best and certainly the safest treatment for any form of catarrh."

All druggists sell Stuart's Catarrh Tablets at 50 cents, for full size package.
