

The Small of the Back

That is where some people feel weak all the time. They are likely to be despondent and it is not unusual to find them borrowing trouble as if they hadn't enough already.

The fact is their kidneys are weak, either naturally or because of sickness, exposure, worry or other influences.

"I am thankful to say," writes J. L. Campbell, of Syracuse, Ill., "that Hood's Sarsaparilla has cured me. For many years I was troubled with backache. At times I was so bad I had to be helped from the bed or chair. I am now well and strong and free from pain. What this great medicine did for him it has done for others."

Hood's Sarsaparilla Promises to cure and keeps the promise. Begin treatment with Hood's today.

Kindly Words. The death of Samuel L. Hayden, the brilliant young lawyer of Salem, comes almost as a personal bereavement to many of Polk county's citizens, with whom he was a playmate in boyhood days, and a friend throughout his life. CUT HIS THUMB OFF. Sewed Together Again, and May Not Lose It.

Ludwig Miller, the young son of Martin Miller, residing out on South Willamette street, cut about an inch of his left thumb clear off last evening. He was killing a chicken and got his thumb too near the fowl's head, with the result that the boy and the chicken both suffered from the stroke of the axe. A surgeon was sent for, and, pending his arrival, the boy's mother held the severed part on, and it was sewed up with the hopes of saving the thumb.

The boy was very angry and wanted it sewed on rather than lose it. Whether or not it will grow together is a question, and the result of the experiment will be awaited with interest.—Eugene Guard.

BUILDINGS AROUND SALEM

Residences Constructed and Improvements Made.

Late Townsend has let a contract to George Mason, of this city, for building a house, bath and large workshop on his farm on Mission Bottom. He will spend in the neighborhood of \$2,000 in improvements, and make his one of the most comfortable farm homes in Oregon.

The residence building formerly located at the corner of High and Ferry streets has been removed across Mill creek on Winter street.

The foundation work on the new lively stable of E. M. Croshaw is nearly completed, and the building will be ready for use before the first of June. The business will be conducted by W. S. Low, Salem's old-time liveryman.

The residence at the corner of Court and 13th streets, recently purchased by F. W. Steusloff, has been sold to C. L. Parmenter. He is moving it two blocks further up Court street, and, after it is repaired, will be rented.

Mr. Steusloff will begin work on his new residence at Court and 13th streets in about one month's time. Work is progressing on the new residence of Dr. Griffith, on East Court street. Another fine residence will be erected this spring by Mr. Metcalf, a recent arrival in Salem.

A cement sidewalk has been laid along the north side of Court street from the corner of Liberty to the building formerly used by W. T. Rigdon as an undertaking parlors. This property is owned by D. F. Wagner.

A new iron store room is being built just north of Savage & Reid's feed store by the DeGulre sisters, and will be occupied by Conrad Dillman, the dealer in furniture, second-hand goods and stoves.
