

# STRUCK DOWN.

Gain in the Hour of Success.

The Indian who trailed the hunter silently and secretly through the woods, often played with his victim as a cat plays with a mouse. Just in the moment of the hunter's success, the blow fell; silent, sudden, swift.

There are certain forms of disease which seem inhumanly malevolent. Like the Indian they seem to play with the victim, until some day when he has reached the height of success and is thinking to "take life easy," disease strikes him down, perhaps never to rise again, or mayhap to drag out the remainder of existence in physical pain and privation.

The best example of such a malevolent disease is found in dyspepsia and allied forms of "stomach trouble." Not long ago the newspapers were calling attention to one of the richest men of the age working in his garden like a common laborer for his health's sake and for the same cause living abstemiously on a diet which a laborer would despise. There's a conspicuous example of the failure of people whose success seems almost failure. But how many people are struck down fatally in the hours of success, no man can absolutely say. Stomach "failure" means heart failure, the failure of kidneys, liver, lungs and any other organ, inasmuch as each and every organ of the body is dependent on the stomach for its nutrition and therefore for its vitality. For this reason, no vital statistics can ever give the number of those who fall victims to disease of the stomach and the other organs of digestion and nutrition, because the cause of their disease is charged to other organs diseased through the stomach.

WHAT'S THE MATTER WITH YOU? Is it "weak" lungs, "weak" heart, kidney "trouble," liver "trouble" or disease of any other organ? You will find that in general, if you trace the disease back it originates in a diseased condition of the stomach and its allied organs of digestion and nutrition. The best proof of this is that diseases of heart, liver, lungs, kidneys, etc., are constantly being cured by Dr. Pierce's Golden Medical Discovery which is primarily and chiefly a medicine for the cure of diseases of the stomach and of the blood. The body and all its organs are sustained by food, properly digested and assimilated, which when converted into blood forms the nutrition by which physical life is renewed day by day, and meal by meal.

But when the stomach and other organs of digestion and nutrition are diseased, the nutritive properties are not extracted from food, the blood becomes poor, the body lacks adequate nourishment and the flesh "falls away." The weakness consequent on this loss of nutrition will generally find its expression in some one organ which has been longest starved. Thus as starvation causes weakness, when the nutrition falls short of the needs of the body we may look for the expression of that weakness in some one organ—lungs, liver, heart, kidneys, or any other vital organ of the body. When the diseased stomach is cured by Dr. Pierce's Golden Medical Discovery, then the diseases of other organs which originated in the disease of the stomach are cured also.

WHAT PEOPLE SAY. "Your 'Golden Medical Discovery' and Dr. Sage's Catarrh Remedy have been of great benefit to me," writes (Prof.) Pleasant A. Oliver, of Viola, Fulton Co., Ark. "Before I used the above mentioned remedies my sleep was not sound; digestion bad; a continual feeling of misery. I now feel like a new man. 'I have been taking your medicines,' writes Mrs. W. M. Bowers, of Lynch, Boyd Co., Neb., 'and I can't say enough in their praise. They have helped me more than all our doctors have helped me in two years' doctoring. I spent dollars upon dollars for my lungs and received no benefit from the medicine I took, until a lady friend advised me to write to Dr. Pierce. 'I did so, took his kind advice, and am now so well as to be able to do my own work. I also took the 'Golden Medical Discovery' and the 'Pellets' six months for liver disease and indigestion, as the kind doctor advised. I know that they reached the case, as they have helped me so.' 'I have taken your medicine with the greatest satisfaction,' writes Mrs. George Riehl, of Lockport Station, Westmoreland Co., Pa., "and can honestly say Dr. Pierce's Golden Medical Discovery has cured me of a pain in my right lung that the best doctors could not help. My appetite and digestion have improved so that I can eat anything at all, and I feel better than I have for years. My pain is all gone and I feel like a new person." "I am glad to testify to the benefits derived from Dr. Pierce's Golden Medical Discovery," writes Miss Mary Belle Summerton, of San Diego, Duval Co., Texas. "I was troubled with very frequent headaches, often accompanied by severe vomiting; bowels were irregular and my stomach and liver seemed continually out of order. Often I could eat almost nothing, and sometimes absolutely nothing, for twenty-four hours at a time. I was entirely unfit for work, and my whole system seemed so run-down that I feared a severe sick spell, and was very much discouraged. I was advised to try Dr. Pierce's Golden Medical Discovery and did so with such satisfactory results that before finishing the third bottle I felt perfectly able to undertake the duties attending public school life, and contracted to do so."

### Band Boys Celebrate.

A happy event was celebrated by the members of the Salem Military Band Friday evening. The birthday anniversary of three members of the organization, Jay Avery, Eric Klippin and John Graber, occur in the order given, and but a few days apart. It was decided to compromise the matter by selecting Mr. Klippin's birthday as the proper time for jointly celebrating the three anniversaries. The band assembled in its hall last evening and proceeded to Mr. Klippin's home, in the Eastern part of the city, where a most enjoyable evening was passed. It proved an occasion where the boys did not toot their horns for nothing, for the recipient of the delightful serenade invited his associates in and treated them royally.

### Corvallis Woman Minister.

Mrs. Humbert, wife of the Corvallis Christian minister, attended a missionary rally meeting at the First Christian church Friday evening, and made an interesting talk. Mrs. Humbert is an able speaker, and enjoys the distinction of being the only woman minister in the state connected with the Christian church. She is an interesting talker, and frequently relieves her husband in his pastoral duties at Corvallis. While in the city Mrs. Humbert was the guest of Mr. and Mrs. W. H. Osburn.

### The New Fleur De Lis.

A fine new business has been opened in the D'Arcy block by Hamilton Bros., to be known by the above name, and devoted to confectionery and less and refreshing drinks. There are beautiful family booths, and one especially fine, the Turkish or Indian booth. See the announcement of opening tonight.

### Will Supply Salem Pulpit.

## WAS FORCED TO KEEP MOVING

### The Story of An Iowa Man Who Took a Friend's Advice.

### Matters Were Getting Worse Rapidly When He Met a Man Who Had Been Through the Same Experience and Knew What to Do.

Advice is cheap but it is sometimes valuable. The following incident is unusual because the advice of a friend was not only followed but it succeeded in rescuing the recipient from a disagreeable predicament. Mr. S. M. Jones, of Hampton, Iowa, in telling the story said:

"I don't know what caused it unless it was the condition of my blood, but about the middle of February, 1901, I contracted rheumatism. The pains across my back were very painful and kept getting worse all the time. After a week or ten days it went from my back to my left hip and gradually extended down my leg into my foot. Even my toes became stiff and ached.

"I was in such pain that I could neither sit nor lie down for more than a few minutes at a time and I had to be on the move—most of the while, night and day. I came across a friend who told me that he had suffered from the same complaint and had been cured by Dr. Williams' Pink Pills for Pale People. I began taking them right away and used six boxes in all. They did wonders for me and I now recommend them to everybody I meet who has anything the matter with him.

There is a popular idea that rheumatism is caused by exposure to cold and that some localities are infected with it more than others. Such conditions frequently promote the development of the disease, but, from the fact that rheumatism runs in certain families, it is shown to be hereditary and, consequently a disease of the blood.

Dr. Williams' Pink Pills for Pale People go directly to the seat of the disorder, purifying and enriching the blood by eliminating poisonous elements and renewing health giving forces. They are a positive specific not only for rheumatism, but for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, nervous headache, after-effects of the grip, of fevers and of other acute diseases, palpitation of the heart, anemia, pale and sallow complexions and all forms of weakness. At all druggists, or direct from Dr. Williams' Medicine, Schenectady, N. Y., fifty cents per box; six boxes for two dollars and a half.

## The Tragedy of Death.

The community mourns with the family of Mr. Frank Davey over the death of a loved daughter, who passed away in spite of all the efforts of the most skilled material aid. The saddest tragedy of life is the death of one so young, so lovely and so bright, who was a treasure of the home, and a jewel of every circle in which she moved. In such an hour it always seems as if death struck down the fairest and choicest of the flock and the sympathy of the entire community goes out to the afflicted father, mother and their children. F. H. Kaemmerer a chevalier of the Legion of Honor committed suicide yesterday in Paris.
