BETTER THAN EVER Ask Rambler Riders There are Thousands of Them, and

Prices: \$35.00 and \$40.00 Chain Models. \$45.00 Cushion Frame.

Our model 55 tadies wheel at \$35.00 which is the best ladies' wheel the Rambler factory build this season, is certainly proving a winner, the way they are selling. It has several improvements over all others, namely, aluminum chain and dress guards, that will not break, plenty of space between handlebars and saddle, making mounting and dismounting easy, not mentioning the easy riding position it gives the rider. Pedals without any sharp coints to tear skirts. Then for those who want a good wheel for less money, we have a \$25 wheel in both iadles' and gents' madels THAT IS SECOND TO NONE. The best of wheels need protection and that is what we give.

We take care of our riders. We are open to the bicycle trade 12 months a year. We are in the business to stay.
