Salt Rheum

It may become chronic.

It may cover the body with large, inflamed, burning, itching, scaling patches and cause intense suffering. It has been known to do so.

Do not delay treatment.

Thoroughly cleanse the system of the humors on which this ailment depends and prevent their return.

The medicine taken by Mrs. Ida E. Ward, Cove Point, Md., was Hood's Sarsaparilla. She writes: "I had a disagreeable itching on my arms which I concluded was salt rheum. I began taking Hood's Sarsaparilla and in two days felt better. It was not long before I was cured and I have never had any skin disease since."

Hood's Sarsaparilla

Promises to cure and keeps the promise. It is positively unequaled for all cutaneous eruptions Take it.

SALEM SOCIAL WORLD —AND— PERSONAL MENTION

Woodmen Dance.

Salem Woodmen and their friends had an enjoyable dance in the Holman building Friday evening, and the usual enjoyable time was reported. The Woodmen cannot be discounted as entertainers, and they did themselves proud on this occasion. Music was furnished by Ristine's orchestra.

Reception to New Members.

The A. O. U. W. orders of Salem enjoyed a phenomenal growth in membership during the past few weeks, the result of a contest between the Oregon and Washington jurisdictions. Over 100 members were received into the order here, and a large majority of them were prominent young men of the city. On Saturday evening, the two Salem lodges joined forces and tendered the new members a reception. An enjoyable dance program was provided for those fond of that means of entertainment, while others passed the evening playing cards. The affair was a pronounced success, as are all functions engineered by Salem's Workmen.

U. E. Church Services.

Bishop M. S. Stanford, D. D., of Harrisburg, Pa., who presided at the annual conference of the U. E. church, at Dallas, will preach in the First U. E. church, Cottage street between Center and Marion, Tuesday evening at 7:30 p. m. An invitation is extended to all to come and hear him.

SALEM'S BIRD FRIENDS.

Organize a Society for Their Protection.

A bird-lovers' society, similar to the John Burroughs' society of Portland, was organized Saturday night at Unity church. Rev. W. R. Lord, of Portland, addressed the meeting upon the general work of a society of this kind, and then an organization was effected with the following officers: President, A. F. Hofer, Jr.; first vice-president, Mrs. W. C. Hawley; secretary, Mrs. C. S. Hamilton; treasurer, J. W. Cox; members of the advisory commitee, Mrs. M. B. Nichols, Mrs. H. D. Trover, J. E. Allison.

About 30 persons signed the constitution, and many more members will be added at the next meeting, Friday evening, April 25th. The offices of second and third vice-president, corresponding secretary and three members of the advisory committee were left to be filled at that time. The constitution adopted is the same as that of the John Burroughs society, and no membership fee is charged.

The first "bird hunting" trip will be made by members on the state house grounds Wednesday afternoon.

A Good Hearted Man,

or in other words, men with good sound hearts, are not very numerous. The increasing number of sudden deaths from heart disease daily chronicled by the press, is proof of the alarming prevalence of this dangerous complaint, and as no one can foretell just when a fatal collapse will occur, the danger of neglecting treatment is certainly a very risky matter. If you are short of breath, have pain in left side, smothering spells, palpitation, unable to lie on side, especially the left, you should begin taking

Dr. Miles' Heart Cure.

J. A. Kreamer of Arkansas City, Kans., says: "My heart was so bad it was impossible for me to lie down, and I could neither sleep nor rest. My decline was rapid, and I realized I must get help soon. I was advised to try Dr. Miles' Heart Cure, which I did, and candidly believe it saved my life."

Dr. Miles' Remedies are sold by all druggists on guarantee.

Dr. Darrin needs no recommendation, for the wonderful cures effected by him throughout the state during his many years of practice in Portland speak for themselves, and are living testimonials of his superior skill and success in the treatment and cure of the most stubborn and aggravated cases and chronic diseases.

The Journal man did not go to meet the German crown prince, but had the distinguished pleasure of traveling on the Shasta exress with a descendant of royal blood, Prince Ivel Rustic, champtionof England and America, winner of 400 prizes. He was a perfectly gentle imported English bulldog, weight 55 pounds, and valued at $5000. His lower jaw stands out from under like a woodshed roof, and exposes his tongue for nearly an inch, and his lower teeth ditto. He was on his way to the San Francisco bench show, that is to be held there April 23d to 26th, at the Mechanics' Pavilion, and the proceeds go to charity, under the management of L. A. .. Deafness Cannot Be Cured.

by local applications, as they cannot rach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

From Clatsop County.

Sheriff Tom Lindell, of Clatsop county,came to Salem Sunday with Al. Hoyt, sentenced to the state penitentiary for one year for stealing sawlogs and Patrick Ferrell, committed to the asylum for a belief that he is poisoned. As there was no street car running, and the number of hacks was limited, a vehicle had to be ordered from down town before the insane man could be taken to the asylum.

IT MUST COME.

As inevitable as the changing seasons of the year is the change which comes to every woman. And just as one anticipates the changes of other seasons it is wise to anticipate this change of season and prepare for it. In this way the discomforts and disasters suffered by many women at the period of change can be avoided or overcome.

Dr. Pierce's Favorite Prescription, a medicine for every season of woman's life, will entirely meet the needs of women at this period of change. It cures the physical ills and relieves the mental anxiety and depression usually associated with this critical period. It tranquilizes the nerves, encourages the appetite and induces refreshing sleep.

J. S. Carlile, Esq., of Manchester, Coffee Co., Texas, writes: "I have been using your medicines for the last sixteen or eighteen years in my Poor-house. I am superintendent of the Coffee County Poor-house and Asylum combined. Your 'Favorite Prescription,' 'Golden Medical Discovery' and 'Pleasant Pellets' are the best medicines for the diseases for which they are recommended, that I ever used. They saved my wife's life at the time of 'change of life.' I have been recommending your medicine to many afflicted women and have also guaranteed that if it did not cure I would pay back the money spent for it. I have told our druggist that if the people came back and said Doctor Pierce's medicines did not give satisfaction, to give them back their money and charge it to me. I have not once been called upon to refund. I have never found anything to equal the 'Favorite Prescription' for diseases of women."

Dr. Pierce's Common Sense Medical Adviser is sent *free* on receipt of stamps to pay expense of mailing *only*. Send 21 one-cent stamps for the paper covered book, or 31 stamps for the cloth bound. Address Dr. R. V. Pierce, Buffalo, N. Y.
