

Eruptions

Dry, moist, scaly, tetter, all forms of eczema or salt rheum, pimples and other cutaneous eruptions proceed from humors, either inherited, or acquired through defective digestion and assimilation.

To treat these eruptions with drying medicines is dangerous. The thing to do is to help the system discharge the humors, and strengthen it against their return.

Hood's Sarsaparilla permanently cured J. Hines, Franks, Ill., of eczema, from which he had suffered for some time; and Miss Alvin Walter, Box 212, Algona, Wis., of pimples on her face and back and chafed skin on her body, by which she had been greatly troubled. There are more testimonials in favor of this great medicine than can be published.

"The Polite Play."
Some of the towns worn in the polite comedy, "Too Rich To Marry," coming to the Grand Opera House soon, are gems of Parisian beauty, designed and made by the great Worth.

Paris' ideal model. Salem theatregoers will have the pleasure of seeing almost the entire original cast, trappings and stage accessories.

This attraction will be the season's comedy treat.
All seats were sold, and chairs placed in the aisles brought top prices on Saturday night to see Frederick Warde and company in Shakespeare's tragedy of Julius Caesar. It was a magnificent audience, and the play was presented in the full six acts and fine scenery and costumes. The main characters add the support were well taken. The great parts of Mark Antony, Cassius, Brutus and Caesar were about equally well played. The great climaxes took place when Mark Antony rounded up the primary at the funeral speech, and when Brutus saved his life from Cassius' sword.

JULIUS CAESAR AT THE GRAND.

A party of thirteen Dallas people, members of the Shakespearean club, of that city, came to Salem Saturday evening, and heard Frederick Warde in "Julius Caesar." They returned home well pleased with the dramatic treat. The party consisted of Mr. and Mrs. Walter Williams, Dr. and Mrs. Cary, Mr. and Mrs. James H. Townsend, Mrs. Chase, Mrs. T. J. Cronise, Mrs. F. H. Morrison, Mrs. E. C. Shaw, Leonard Starr, Tracy Staats and Ralph Williams.

THE MAYOR OF ASHLAND HEARS

For Six Years Has Been Growing Deaf—Now He Can Hear all Through Dr. Darrin's Skill.

Those who are disposed to doubt Dr. Darrin's cures will have their doubts shaken on reading the testimonials of Mayor R. P. Neil, Mr. Rhodes and Mr. Matthews. There are no persons in this city or state whose word will go further to substantiate the doctor's skill in treating the afflicted. There can be no doubt or question of the curative powers of electricity, judgment from the extraordinary cases of cure performed by Dr. Darrin. The great advance of electro-magnetic treatment is that it brings relief in a large number of cases confessedly beyond the reach of the ordinary remedies of the physicians, and Dr. Darrin has enforced a belief in the curative powers of electricity upon the public by his remarkable cures. It seems that the uses to which electricity is applied is not alone confined to the arts, but is destined to do what medicine and surgery has failed to accomplish.

Mayor Neil's Card.
To the Editor: Six years prior to consulting Dr. Darrin I had been deaf in both ears. One ear was badly affected. One month's electrical and medicinal treatment has radically cured me. I most emphatically commend Dr. Darrin's new mode of treatment to all similarly affected. Will gladly answer questions as to the treatment and cure.
R. P. NEIL, Mayor of Ashland.

RHODES' GOOD LUCK.
A Life of Sickness from Inflammation of the Bladder—Restored to Health by Dr. Darrin.

Dr. Darrin: Your treatment for the past eight months has cured me of kidney trouble, inflammation of the neck of bladder and diabetes. For years I have been obliged to relieve my bladder many times a day and night, rendering sleep almost impossible. I now feel like a new man. I shall never fail to consult you when I need medical aid. The treatment you gave me for my debilitated condition from the effects of the gripe was entirely successful. I can be referred to at any time at Pendleton, Oregon.

Uncle Sam's Mail Service

requires physical and mental ability of a high degree to withstand its hard labors. The high tension to which the nervous system is constantly subjected, has a depressing effect, and soon headache, backache, neuralgia, rheumatism, sciatica, etc., develop in severe form. Such was the case of Mail Carrier S. F. Sweinhart, of Huntsville, Ala., he says: "An attack of pneumonia left me with muscular rheumatism, headache, and pains that seemed to be all over me. I was scarcely able to move for about a month when I decided to give Dr. Miles' Pain Pills and Nerve Plasters a trial. In three days I was again on my route and in two weeks I was free from pain and gaining in flesh and strength."

when he was heading over Caesar's body. The audience went wild and gave Warde an ovation, which he generously shared with his leading actors. The Portia of Miss Ashton easily surpassed the Calpurnia of Miss Drew. The Casca of Mr. McGinn was not as surly and cynical as it should have been, while Miss Bertelle, as page, was a very sweet performance. Up to the fourth act Cassius was the favorite. Then Warde's wonderful energy eclipsed all the brilliant parts. The musical program for the evening was out of the ordinary, and was composed of classical favorites, very well rendered under the lead of Prof. Gesner. Come again, Mr. Warde.

Dallas People Hear Warde.

THE LATEST YARN.

A Pittsburg drummer tells this new yarn: I always carry a bottle of Kemp's Balsam in my grip. I take cold easily and a few doses of the Balsam always makes me a well man. Every where I go I speak a good word for Kemp. I take hold of my customers—I take old men and young men, and tell them confidently what I do, when I take cold. At druggists, 25 and 50c. 4
Salem, the Picnic City.
S. Veatch and T. D. Hughes, of Portland, representing the Order of Railway Conductors, were in Salem Saturday afternoon, and completed arrangements for the annual excursion and picnic of that order, which will be given in this city on Sunday, June 8th. Trains will run from Portland, connecting with West Side points, and also from Southern Oregon, on practically the same schedules as they operated last year. It is expected the picnic will bring 10,000 people to Salem on that date.

Dr. Darrin will remain at the Willamette Hotel, in Salem, until June 1st. The doctor's charges are low and reasonable, according to circumstances and ability to pay. He gives free and confidential examinations to all, at the office or by letter. He treats all diseases of the eye, ear, nose, throat, catarrh and deafness, as well as all acute chronic, private and nervous diseases of whatever nature, if curable; no case taken if not. Out-of-town patients treated with unflinching success through correspondence; one visit desirable, but not necessary. Write for symptom blank and circular. Address for inquiry promptly answered. Eyes tested and glasses fitted.
