July 4—Greatest celebration in Oregon at Salem.

### Workmen Love Feast.

Salem Workmen consider the social side of lodge work essential, at any rate they had a glorious time, both on Saturday and Monday evenings. The occasion was the visit to Salem of C. C. Hogue, of Albany, state Grand Master, and Mrs. Wilda Belknap, of Prineville, Grand Chief of Honor, of the Oregon Degree of Honor. A thoroughly enjoyable time was had Saturday night, and the program last night was but a repetition in point of success.

The Workmen had ten candidates for initiation Monday evening, and when the initiatory services had ended the members of Valley and Protection Workmen lodges and from Salem lodge No. 719, and Viola lodge No. 88, Degree of Honor, convened in joint social session.

The program opened with a vocal number by Mrs. Hallie Parish-Hinges, and a formal address of welcome to the distinguished visitors was delivered by W. T. Rigidon. Responses were made by both Mr. Hogue and Mrs. Belknap, and Past Grand Master S. A. McFadden made a short address, in which he called attention to the fact that the Salem Workmen and ladies would have an opportunity to entertain the Supreme Lodge at Salem for lunch, probably on June 16th. The Supreme Lodge will meet in Portland, but arrangements have been made for a railroad excursion up the valley to Albany, across to Corvallis and back to Portland by the West Side, and the arrangements in elude the entertainment of the party at Salem for lunch. A committee to arrange for the reception and entertainment of the Supreme Lodge was named, consisting of one member from each of the lodges, as follows: S. A. McFadden, Protection lodge; W. T. Rigidon, Valley; Miss Carrie Holman, Salem Degree of Honor, and Mrs. Davis, Viola Degree.

## PAINE'S CELERY COMPOUND

Is the Only Medicine That Can Promptly and Permanently Banish All Wasting and Dangerous Diseases.

It Restores Lost Health When Physicians Pronounce Your Case Incurable.

If, in springtime, sick people—young and old—act with promptness, wisdom and decision, suffering, agony and misery would never be carried into the summer months.

To delay the work of banishing disease, regulating the nerves, purifying the blood, and restoring perfect digestion is a serious mistake.

When the blood is sluggish, impure and poisoned, when the nervous system is unbalanced, when digestion is deranged, and the appetite poor and variable, be assured your condition is critical, and calls for instant attention before the summer months bring additional dangers.

At this time the use of Paine's Celery Compound will do a marvelous work for every run down, sick and diseased man and woman.

Its life-giving work first commences with the blood, which is made clean and pure; then the nerves are fully set in order, digestive vigor is fully restored, the appetite is made natural, sleep is made light and joyous.

It is well to bear in mind that Paine's Celery Compound owes its origin to the most distinguished physician that this American continent ever produced, and his marvelous prescription is publicly endorsed by our best and ablest physicians.

If all sufferers who have been disappointed in the past will promptly start with Paine's Celery Compound, they will be astonished and delighted with the speed with which this wonderful remedy is able to call a halt to wasting and dangerous diseases. It is now making tens of thousands well and strong, and fitting them to enjoy the summer months, which, to the well and strong, are pleasurable and happy.

DIAMOND DYES are the simplest dyed made. A child can use them.

Deafness Cannot Be Cured.

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional means. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free.
