GEER'S NAME GOES ON

Secretary of State Makes the Ballot

Candidates for Senator After Members of Congress

Secretary of State Dunbar today certified the nominations made for the coming election by preparing a certificate and forwarding the same to each county clerk.

The county clerks have the power to arrange the ballot, and will make some changes to suit themselves, and have them printed.

The certification of nominations, as prepared by Mr. Dunbar, puts the state officials first, and then the members of congress and then the candidates for United States senator.

This arrangement is perfectly satisfactory to Governor Geer, and all reports that Mr. Dunbar refused to file his nomination, or refused to give him a proper place on the ballot, are thus nullified.

WILL FIGHT FURNISH

Umatilla Republicans Will Knife the Banker

PENDLETON, Or., May 2.—In this county, Umatilla, there is in existence an anti-Furnish organization, connected with which are not less than 300 voters.

The movement is without precedent in the history of politics in Umatilla county.

The protest registered by the anti-Furnish Republicans of this county is: That Mr. Furnish, a lifelong Democrat, altered his views, not because he held to different economic or financial views; not because he studied carefully the perplexing questions of the day and determined that he had been wrong previously, and therefore must now align himself with the Republican party in order to secure correct expression of his views; but that he altered them because he saw that the Republican party was at that time upon the upgrade of political success, and that he might gain some advantage from a new alignment.

In proof of this, it is alleged that it can be proven that he counseled with friends some time before he made the change, and did not deny that he would make the change only in the event that the tide seemed to be flowing toward the Republican party.

This is one of the chief causes for the rage of the Republicans, as well as for the anger of the Democrats of this region, who had taken up the young man when he needed help, and fought his political fights and placed him in a position to reap some advantage from their support.

Umatilla county is nominally 400 Republican.

Six hundred Republicans will have been solidified in opposition to Furnish by the time the election arrives.

Such an organization of Democrats has never before been seen in this county.

DEWEY'S FLAGSHIP OLYMPIA—CAPTAIN GRIDLEY, COMMANDER.

Mrs. Gridley, mother of Captain Gridley, who was in command of Dewey's flagship, at the destruction of the Spanish fleet at Manila, says of our remedy, Peruna:

"At the solicitation of a friend I used Peruna, and can truthfully say it is a grand tonic and is a woman's friend, and should be used in every household. After using it for a short period I feel like a new person."

Mrs. Longstreet is the wife of the famous Confederate General, Lieutenant-General James Longstreet, the only living ex-Confederate officer of that rank.

"I can recommend your excellent remedy, Peruna, as one of the best tonics, and for those who need a good, substantial remedy, I know of nothing better."

Hon. Lucius E. Gridley, brother of Captain Gridley, also speaks a good word for Peruna. In a letter written from 1511 T Street, Washington, D. C., he says:

"Gentlemen—Your Peruna has been thoroughly tested in my family. My mother and wife used it with the very best results, and I take pleasure in recommending it to all who want a good, substantial remedy, both as a tonic and a catarrh cure."

Miss Mary J. Kennedy, manager of the Armour & Co.'s exhibit, Trans-Mississippi Exposition, Omaha, Neb., writes the following in regard to Peruna, from 82 West Sixty-second street, Chicago, Ill.:

"I found the continual change of diet incidental to eight years' traveling completely upset my digestive system. On consulting several physicians they decided I suffered with catarrh of the stomach."

"Their prescriptions did not seem to help me any, so, reading of the remarkable cures effected by the use of Peruna, I decided to try it, and soon found myself well repaid."

"I have now used it for about three months and feel completely rejuvenated. I believe I am perfectly cured, and do not hesitate to give unstinted praise to your remedy, Peruna."

Congressman Geo. W. Smith of Murphysboro, Ill., writes:

"I take pleasure in testifying to the merits of Peruna. I have taken one bottle for my catarrh and I feel very much benefited. To those who are afflicted with catarrh and in need of a good tonic I take pleasure in recommending Peruna."

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

A Pleasant Entertainment

About forty of the young people of the First Christian church were very pleasantly entertained by Mrs. C. H. Walker last evening, it being the time for the regular business meeting and social of the C. E. society.

A "new old-fashioned" surprise had been announced, and it turned out to be a "spelling match." Several new ways of spelling old-fashioned words were learned, for instance, the pastor went down on his first word, insisting that "ferkin" was spelled "ferkin," but, under the strict rule of the teacher, Mrs. C. L. Watt, he had to submit.

George Parmen and Mrs. Watt gave some comic readings during the evening, which were much enjoyed. Light refreshments were served by the pleasant hostess, and at 11 o'clock the young people dispersed, hoping they might always remain as young in heart as Mrs. Walker.
