**NOT GOING AWAY**

**A Rush of Business Causes Dr. Darrin to Postpone Leaving Salem Until July 6.**

Dr. Darrin, the eminent physician and specialist, at the request of many friends and the great interest shown by the suffering and afflicted, has consented to stay in Salem at the Willamette Hotel until July 6th. His offices are crowded from morning to night and the doctor, no doubt, is the hardest working man in town.

The truly wonderful cures he has accomplished are being testified to by a host of afflicted sufferers, who can be seen and consulted on the miraculous cures in their behalf. It is safe to say that no specialist has attained the prominence of Dr. Darrin in this country, and he cannot help but meet with grand success.

He is not simply a medical practitioner, but a physician of a very high order of merit, a scientist, whose years of close study, close observation, close practical experience, has enabled him to draw not only testimonials, but personal endorsements from the leading men of the country—congressmen, judges, etc.—and whose success in the medical field is today without parallel.

Dr. Darrin has an enviable rank in his profession as a wonderfully successful physician. He is essentially original in his methods of practice, and those who have been under his treatment are surprised at the newness and novelty of his system of practice by electricity and medicine. His honest and straightforward advice before taking a case has won for him the confidence of patients, as well as the general public.

The doctor is a gentleman of genial, social nature, and his private practice is marked by the formation of a personal friendship with those whom he comes in contact. He is without doubt one of the most thoroughly qualified physicians now before the public, as his wonderful cures, that he has made an experimental shipment a few weeks ago, after receiving returns, immediately bought another shipment, which is now on the ocean. With a good, brisk foreign demand and two big packing houses at Fort Worth, Tex., feeders ought to be able to realize top prizes for their cattle.—Dallas Farm and Ranch.

**SOCIALIST MEETING AT SALEM**

Sunday and Monday.

Rev. J. Stitt Wilson will speak in Marion square Sunday and Monday, May 18th and 19th, at 1:30 p. m. His subject will be "Socialism—what is it—why we urge it." He is one of the most forceful speakers in the United States. Mr. Wilson has been speaking in Denver in the largest hall in the city, and standing room has been at a premium at each meeting. Mrs. Hallie Parrish-Hinges will sing. Come and hear this most popular question of the day discussed by one of its ablest exponents.

Meeting at Roseburg.

The Socialists held two grand meetings at Roseburg Thursday afternoon and evening. The court house was well filled, and listened to the speeches of B. F. Ramp, for congress; R. R. Ryan, for governor, and Rev. J. Stitt Wilson, who held the large audience spellbound until near 11 o'clock. Great enthusiasm is manifested for the Socialist principles, based on a sound platform.

On Monday evening at 8 p. m. Wilson will speak at Stayton. Everybody invited to come and hear this great evangelist.

**THE WHITE HOUSE**

Restaurant is the up-to-date eating house. Meals served to order, and open day and night. Give us a call, at 106 State street.

**Notice to Contractors.**

Sealed proposals will be received by the undersigned until twelve (12) o'clock, noon, May 31, 1902, for the erection of a one and one-half story frame school building, in school district No. 76, Marion county, Oregon. Plans and specifications can be seen at the office of F. A. Mangold, school clerk, Gervais, Oregon. Bonds in the sum of one-half of the amount of the bid must be given. The school board reserves the right to reject any and all bids.

J. D. SMITH,  
Chairman Board of School Directors.  
Attest: F. A. Mangold,  
Clerk of Board of Directors.

**Rubber Vehicle Tires Fitted**

We are now prepared with a modern tire-fitting machine, and can refit your rig with hard rubber tires of any sort, guaranteeing all work. We can also fit up any and all rigs with channels and rubber tires whether they are old or new, changing over from the old steel tires, to the modern, easy-riding, noiseless buggy. The cost is not as great as you'd imagine. Call and see us.

**Pneumatic Bike Wagons**

These dainty Studebaker goods are the swiftest goods in the town. We have them and can deliver any grade at once. Stick seat in leather or whipcord; basket seat; wood or wire wheels. All the best goods in town are Studebakers. Having a fine trade in our buggy and wagon departments these days, are trading in buggies and hacks often, and usually have a good snap or two in that line. Have a second-hand top buggy and an open buggy. Come soon if you want one.

**The Jack of all Trades Gasoline Engine**

This is the Fairbanks-Morse engine—the popular size for general use on the farm, in the shop or anywhere that a convenient, inexpensive power is needed. It is a 1 1/2 horse power and has the necessary weight to hold it down. They are having a tremendous sale all over the country, in the fruit districts for spraying purposes, in the dairy country for separators, etc., gardeners are using them for filling their tanks, and so on ad infinitum.

Call and see it at our place. All sizes of gasoline engines to one hundred horse power.
