

The Stimulus of Pure Blood

That is what is required by every organ of the body, for the proper performance of its functions. It prevents biliousness, dyspepsia, constipation, kidney complaint, rheumatism, catarrh, nervousness, weakness, faintness, pimples, blotches, and all cutaneous eruptions.

It perfects all the vital processes. W. P. Keeton, Woodstock, Ala., took Hood's Sarsaparilla to make his blood pure. He writes that he had not felt well for some time. Before he had finished the first bottle of this medicine he felt better and when he had taken the second was like another man—free from that tired feeling and able to do his work.

Hood's Sarsaparilla

Promises to cure and keeps the promise. Accept no substitute, but get Hood's today.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years it was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address, F. J. CHENEY & CO., Toledo, Ohio. Sold by druggists, 75c. Hall's Family Pills are the best.

The Kind You Have Always Bought

A Commendable Act. As is well known Mr. M. Klingler is about to build a good double brick store on State street, in the place where formerly stood several China houses. He could have sold the old den as a good figure, to be moved onto the rear of other lots for the continued use of the Celestials, but Mr. Klingler indignantly declined to further this class of houses in Salem. He prefers to tear them down and bear the loss rather than continue such eye-sores, even in out-of-the-way places, which is greatly to his credit.

HOME TESTIMONY

A Salem Man's Opinion of Dr. Darrin.

Mr. Editor: For the past six years my eyes have been gradually failing, until about one month ago, when Dr. Darrin commenced his electrical and medical treatment with me. I am now happy to say I can see to my great and marked improvement in my sight, and the terrible pains in my head and eyeballs have disappeared, and the catarrh is rapidly improving as by magic. My trouble was brought on from reading at night and an aggravated case of catarrh. I am so much pleased that I wish others may know it and be cured. Will answer all questions at "The Unit Saloon," 110 State street, Salem.

FRED NECKERMAN.

Miss Wells Successfully Treated. Mr. Editor: I wish to subscribe to what Dr. Darrin has done for me. I have been under his treatment for dyspepsia, liver trouble, constipation and diseases peculiar to my sex, and feel that I am about cured, and will gladly answer any questions at 362 Oak st., Salem. MISS M. C. WELLS.

Cured of Deafness.

Mr. A. G. Byers, of Independence, Or., was in town May 16th, and reports his cure of deafness, in one ear by Dr. Darrin, as a complete success. The proprietor of the Willamette hotel cannot complain of dull times, judging by the rush of patients through the halls in quest of Dr. Darrin's office. The doctor is certainly a successful practitioner to be able to command such a practice in so short a time.

Another Brick Building Goes Up

M. L. Hamilton is showing commendable enterprise in the erection of a modern business block on State street. Mr. Hamilton originally intended to construct a corrugated iron building, but, after some investigation, he has concluded to put up a veneered brick structure, that will not only be an improvement over the building, as it was first planned, but will prove a credit to the business section of the city in which it is located. Brick buildings constructed on this plan overcome the objection that is generally offered to the use of brick for building purposes.

WORN TO A SHADOW.

When there is a falling off in flesh in woman or man there is "something wrong." And that something wrong is generally a loss of nutrition due to disease of digestion and the other organs of nutrition. Sometimes this loss of flesh is accompanied by variable appetite, but in many cases the appetite does not fail and there may be a constant desire to eat. Langour, nervousness, irritability, sleeplessness, are symptoms often associated with this loss of nutrition and falling off in flesh.

SHARP BOUND OVER

Will Be Tried on Two Criminal Charges.

(Journal Special.) Jefferson, Or., May 21.—The Sharp case was tried Monday night and Tuesday afternoon before Justice Johnson, the charge being rape committed on the person of Birdie Fuller by Emory Sharp. After examining several witnesses Justice Johnson decided that the prisoner would have to furnish \$250 bond, or go to jail till the circuit court meets, when he will be tried on the same charge, and probably also on the charge of threatening to kill. Sharp attempted to chloroform the girl, but without success. The prisoner is unquestionably a very tough character, and the community is very indignant over the affair. Sharp was taken to Salem to jail this morning by W. L. Jones.
