SICK MADE WELL, WEAK MADE STRONG

Marvelous Elixir of Life Discovered by Famous Doctor--Scientist That Cures Every Known Ailment.

Wonderful Cures are Effected That Seem Like Miracles Performed--the Secret of Long Life of Olden Times Revived.

The Remedy is Free to all Who Send Names and Address.

After years of patient study, and delving into the dusty record of the past, as well as following modern experiments in the realm of medical science, Dr. James W. Kidd, 3032 "Baltes Building," Fort Wayne, Ind., makes the startling announcement that he has surely

discovered the elixir of life. That he is able with the aid of a mysterious compound, known only to himself, produced as a result of the years he has spent in searching for this precious life-giving boon, to cure any and every disease that is known to the human body. There is no doubt of the doctor's earnestness in making his claim and the remarkable cures that he is daily effecting seem to bear him out very strongly. His theory which he advances is one of reason and based on sound experience in a medical practice of many years. It costs nothing to try his remarkable "Elixir of Life," as he calls it, for he sends it free, to any one who is a sufferer, in sufficient quantities to convince of its ability to cure, as there is absolutely no risk to run. Some of the cures cited are very remarkable, and but for reliable witnesses would hardly be credited. The lame have thrown away crutches and walked about after two or three trials of the remedy. The sick, given up by home doctors, have been restored to their families and friends in perfect health. Rheumatism, neuralgia, stomach, heart, liver, kidney, blood and skin diseases and bladder troubles disappear as by magic. Headaches, backaches, nervousness, fevers, consumption, coughs, colds, asthma, catarrh, bronchitis and all affections of the throat, lungs or any vital organs are easily overcome in a space of time that is simply marvelous. Partial paralysis, locomotor ataxia, dropsy, gout, scrofula and piles are quickly and permanently removed. It purifies the entire system, blood and tissues, restores normal nerve power, circulation and a state of perfect health is produced at once. To the doctor all systems are alike and equally affected by this great "Elixir of Life." Send for the remedy today. It is free to every sufferer. State what you want to be cured of and the sure remedy for it will be sent you free by return mail.

Catarrh

is a constitutional disease. It originates in a scrofulous condition of the blood and depends on that condition. It often causes headache and dizziness, impairs the taste, smell and hearing, affects the vocal organs, disturbs the stomach. It is always radically and permanently cured by the blood-purifying, alterative and tonic action of

Food's Sarsaparilla

This great medicine has wrought the most wonderful cures of all diseases depending on scrofula or the scrofulous habit. Food's Pills are the best cathartic.

WIGGINS IMPLEMENT HOUSE

Jack of all Trades Gasoline Engine

This gives you an idea of the "Jack of all trades" gasoline engine that we are selling. It is a product of the Fairbanks, Morse & Co., one of the largest manufacturers of gasoline engines in the world, and is time tried and reliable. They can be had with the pumping attachment as shown here, or without it at \$10 less. These engines are in use all over the valley, and are unquestionably the most economical power that one can use for any work within their limit. This is a 1 1/2 horse power, and weighs as shown, 880 pounds. The question of weight is highly important, for you can't get satisfaction out of a light engine that is trying to develop power. This has phosphor bronze boxings instead of babbit metal, which latter everyone knows is not as good for gasoline engines. It has platinum points on the sparkers, much more durable than the steel points found on others. It is the suction feed, instead of the gravity feed. This gives the engine the best of gasoline, instead of only the lower heavier portions. We will be pleased to send circulars and prices to all inquirers. Call and see it in use at the store.
