## AN EVENTFUL DAY

HOW HAPPINESS CAME INTO A CLOUDED LIFE

After Months and Years of Suffering, This Woman is Now Able to Tell An Interesting Story.

"It was an eventful day for me," said Mrs. Mammie McLean, of No. 205 E. Congress street, Detroit, Mich. "I looked into the future and saw health and happiness in store for me. "I had had a gloomy life," she continued. My entire girlhood was saddened by ill health, the result of a cold contracted at a critical time in my thirteenth year. Months and years of suffering followed and doctors did not help me. My blood had turned to water and the natural functions of my sex had ceased. A noted specialist in the diseases of women who was treating me said my case was hopeless and that I could not live more than a few years at the most. "I was so weak that I could not walk across the room. I had not the slightest appetite, my feet and hands were always cold and I was miserable and unhappy. I wanted away to a mere shadow; I looked frightful and no medicine that I took did me any good. I tried to be resigned to my fate, but it was hard. "Then came the eventful day. An old friend of our family came in and told me so confidently that Dr. Williams' Pink Pills for Pale People would cure me that I began to hope and life looked brighter. I started taking the pills and I soon could see that they were doing me good. My flesh began to feel warm, my color to come back and I felt stronger. Improvement was gradual but sure. I continued faithfully with the medicine and soon my functions became normal and health came back. My friends thought my recovery was almost a miracle and the physicians who had given me up for death were forced to admit that Dr. Williams' Pink Pills had done what they could not do. "I am now, as you can see, a sound, healthy woman. I cannot express my gratitude but can only say that I owe my life to Dr. Williams' Pink Pills for Pale People."

No discovery of modern times has proved such a blessing to women as Dr. Williams' Pink Pills for Pale People. Acting directly on the blood and nerves, invigorating the body, regulating the functions, they restore strength and health in the exhausted patient when every effort of the physician proves unavailing. These pills are sold in boxes at 50 cents a box or six boxes for \$2.50, and may be had at all druggists, or direct by mail from Dr. Williams' Medicine Co., Schenectady, N. Y.

If Furnish was elected what a fine lot of Umattila chiefs would be displayed in the offices in his control in and about Salem.

The Best Team. In the old days of heavy teaming the strongest and best team on the road carried the broom. The "North Coast Limited," on the Northern Pacific, carries the broom among railway trains. It is the only electric lighted train operated in the Northwest, and you can travel to the East on it as cheaply as on any other train. A. D. Charlton, assistant general passenger agent of the Northern Pacific, at 255 Morrison street, corner of Third, will be glad to give you full information regarding routes, rates, etc., either in person or by letter.

There was no parade, but the streets were lined from the hotel to the armory. The Corvallis band, in white uniforms, headed a fine crowd of three car loads of enthusiastic citizens of that city who arrived at the armory, at 8 o'clock. The armory was packed full, several hundred standing, and a good many hundred remained outside unable to get inside. The platform was decorated in a tasty manner. Judge Whitney introduced Mr.

Position of Labor Federation. Editor Journal: Noticing an item in your issue of yesterday stating that labor union leaders have an idea that they ought to go into politics, I would respectfully ask space to state the attitude of the Oregon Federation of Labor upon the matter. Salem Federal Labor Union is in receipt of instruction against going into partisan politics, but is urged to use every effort to secure the election of those candidates, irrespective

of party, who are favorable and most active for the material interests of laboring people, and labor organizations. Of course, in the Oregon campaign, as well as in many other places in this day of labor unionism, the discerning candidate will not fail to stand for the rights of labor, but here, as in all places, laborers are looking into their records, and weighing their sincerity in the balances, and it may be depended upon that, no matter what their political name, laborers will stand together in support of those who are most earnest in support of their interests. R. A. HARRIS, Chairman Press Committee Salem Federal Labor Union.

To the Public: I was a patient under Dr. Darrin's cure eight years ago, and wish to relate my experience, that others may benefit by it. For many long years I had been afflicted with diseases peculiar to my sex, dyspepsia and pain in my chest, heart and stomach. I had lost flesh until my weight was 105 pounds. After a few months electrical and medical treatment by Dr. Darrin, I recovered my health and gained 40 pounds, and am now enjoying good health. E. E. DEWEY.

## WONDERFUL CURE.

Of a German Editor of Obstinate Deafness. (Portland Free Press.) The lack or loss of one of the five human senses isolates a patient thus afflicted as entirely from the world as if he was banished to a lone island. What gratification can bring us the society of our best friends and acquaintances if their voices do not reach our ear, or, if, instead of it, we are only conscious of an indistinct murmur? With the loss of hearing all joy and pleasure dies within us, most so in the domestic relations and family life. The song of our children sounds from their lips but does not reach our heart, their thanks and prayers are an empty sound. No birds sing in the branches for us; no birds of the whole nature reaches our ear—a feeling of sorrow and despair fills our heart. It makes no difference if our suffering is due to an obstinate cold or other cause.

To give our readers a case, the most convincing because taken from the circle of our nearest acquaintances, we refer to Mr. J. J. Kern, who suffered five years ago from a disease so obstinate that his mind began to suffer. Mr. Kern was at that time editor of the "Nachrichten and Freie Presse," and the loss of hearing and the constant noise in his ears proved a great obstacle in his business. Dr. Darrin cured him by clever treatment, and the evil has never returned.

Card from C. C. Pratt. "Mr. Editor, For 20 years prior to going under Dr. Darrin's treatment in Portland, five years ago, I had been badly afflicted with catarrh of the stomach and bladder. I was terribly bloated with dropsy and dyspepsia. I had given up all hopes of relief, but, thanks to Dr. Darrin, I was cured of all the above mentioned diseases, and I still enjoy the best of health. I reside at Coos City, six miles from Marshfield, Oregon, and will gladly answer any questions, by letter or in person. I heartily recommend Dr. Darrin. C. C. PRATT.

Dr. Darrin's Place of Business. Dr. Darrin can be consulted free at the Willamette hotel, Salem, until July 6th, from 10 to 5 o'clock daily; evenings 7 to 8; Sundays 10 to 3. All curable chronic diseases, lost manhood, blood taints, stricture, errors of youth, catarrh and deafness, are confidentially treated. Cures of private diseases guaranteed, and never published in the papers, and no cures published only by permission. Most cases can receive home treatment after a visit to the doctor's office. Inquiries answered and circulars sent free. Batteries and belts furnished, with full directions for their use. Eyes tested and glasses fitted.

Fresh Today. And every day, fine spring lamb and nice tender veal and all kinds of smoked meats and sausages, at Fendrich's Market.

Reduced Rates via Southern Pacific. The Southern Pacific will make special rates to San Francisco on the occasion of the convention of the Nobles of the Mystic Shrine, at that point in June. Tickets will be on sale from June 3d to 8th, inclusive, and will be available for stop-overs in California. Full information relative to rates, limits and other conditions will be cheerfully supplied by all local agents of the Southern Pacific. 23-eod-td

UNSEEN FORCES Their Value Demonstrated by Dr. Darrin Now Stopping at the Willamette Hotel. Unseen forces are more powerful than seen ones. Electricity performs cures altho' but surely. To this many thousands who have been cured can testify. Many who know nothing of it oppose it; but truth always meets with fierce opposition, which in the end only hastens on the victory. We do not profess to understand this unseen power, but joyfully accept the great boon to health, feeling that Dr. Darrin is ahead of the age, and is showing to the world this new method of cure. As an example we append Mrs. Dewey's card:
