NEW USE FOR ELECTRICITY

Electricity, long used in the laboratory for experimental purposes only, is fast coming before the public as an agent of great value in the arts and in the affairs of everyday life.

Electricity power to drive machinery can be utilized at the distance of miles from its source, and by electricity—thanks to Mr. Edison's recent discoveries—our streets and houses are lighted more brilliantly than by gas.

While all these results are evident to the public at large, there is still another field in which the use of electricity is rapidly working a profound reformation—the field of medical science.

The following remarkable cures, performed by Dr. Darrin, show the new uses for electricity and Consumption Cured.

Mr. Editor: I will lend my name to the long list of cures performed by Dr. Darrin. Fifteen years ago catarrhal and bronchitic troubles commenced to annoy me, and seven years later a complicated lung trouble showed itself.

After all efforts to cure were fruitless, until coming under Dr. Darrin's electrical treatment eight years ago, I am happy to say I am cured.

I attribute my long-continued good health to the healing influence of electricity, which restored me to a permanent sound condition.

Following the Letter Speaks Volumes for Dr. Darrin's Mode of Treatment: Dr. Darrin, Dear Sir: It is with great pleasure and a thankful heart I wish to inform you that I am cured of salt rheum, which I have suffered with for 25 years.

My wife, Mrs. E. Sherroette, of Vancouver, Washington, has known my condition, and can be referred to. Refer any one to me at Gardner, Or.

Very respectfully, MRS. MARTHA DAILY.

\$1000 Squandered. Mr. Editor: I feel it my duty to say that Dr. Darrin cured my wife, years ago. She had been affected for 20 years with kidney complaint, diabetes and pain in the back.

Many physicians had given her up, after having paid out over \$1000 for her treatment. We only saw Dr. Darrin one time. He gave her medicine and advice, and from that day to this her symptoms have never reappeared.

I am so pleased with his treatment that I have placed her under his care for deafness. I live near Medford, Oregon. C. MORRIS.

Dr. Darrin's Place of Business. Dr. Darrin gives free consultation at the Williams Hotel, Salem, until July 6th, from 10 to 5 and from 7 to 8 daily.

Most cases can receive home treatment after one visit to the doctor's office. Batteries and belts furnished, with full directions for the use. Cross eye, rupture, tumors, varicocele, hydrocele, seminal weakness and stricture cured.

Dr. Darrin's terms for treatment are now \$5 a week, or in that proportion of time, as the case may require, except in special cases. The poor treated free, excepting medicine, from 10 to 11 daily. Eyes tested and glasses fitted.
