The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address

Frank Ottenheimer Wedding.

The wedding of Henry J. Ottenheimer, of this city, and Miss Alice May Frank, of San Francisco, was solemnized at the home of the bride's parents, Mr. and Mrs. A. L. Frank, 2121 California street, San Francisco, at 1 o'clock Wednesday, June 18th. The ceremony was performed by Rev. Vooranger. About 75 guests were present, all relatives and close friends of the contracting parties. The Frank residence was beautifully decorated with cut flowers, rare potted plants and ribbons tastefully strung from walls to chandeliers, and over the canopy under which the ceremony was performed. After the guests had extended congratulations and good wishes, all repaired to the dining room, where a wedding breakfast was served.

The bride is an accomplished and talented member of San Francisco's social circles. The groom is the Pacific coast manager of Lillenthal Bros., of New York, with headquarters in this city, and has a host of friends throughout the entire Northwest. The newly married couple have gone south for a few days, after which they will return to Portland, Seattle and British Columbia, returning to Salem, where they will make their home.

Workmen Are Entertained.

The joy of victory to the Salem A. O. U. W. degree team in winning first prize in a competitive drill in Portland was accompanied by the delightful reception and entertainment that was given Saturday evening in honor of the victorious team on the spacious lawn at the home of Mr. and Mrs. Frank Davey, at No. 138 Mill street.

More Iowa Men.

Mr. Page is ex-sheriff of Clinton county, Iowa, and has for some years been a prominent citizen of Ida county, Iowa, and expects this summer to bring out his family and make Salem his home. Mr. Page will be a good addition to the Iowa colony already in Salem.

Col. Page is accompanied by H. A. Dessel, also of Iowa, and will probably also make Salem his future home. The Journal welcomes these Hawkeyes to Oregon.

Social at Crosstons.

The Epworth League of Crosstons held a literary and ice cream social Friday night. The program was well rendered, and the evening was a success. The social was given in charge of it, and it is needless to say that good order and a good time generally prevailed.

Noxious weeds are many, but there are many useful herbs and beautiful flowers.

Possible many a bright-faced bride would shrink from the revelation of herself, stripped of all her loveliness. If there is one thing which would make a woman shrink from marriage it is to see the rapid physical deterioration which comes to so many wives. The cause is generally due to womanly diseases.

Lost health and lost loveliness are restored by the use of Dr. Pierce's Favorite Prescription. It cures irregularity and dries weakening drains. It heals inflammation and ulceration, and cures female weakness.

"It is with the greatest pleasure that I tell you what Dr. Pierce's Favorite Prescription has done for me. I had female weakness for six years, sometimes would feel so badly I did not know what to do, but I found relief at last, thanks to Dr. Pierce for his kind advice. I have this medicine still in my home and will keep it."

If you are led to the purchase of "Favorite Prescription" because of its remarkable cures of other women, do not accept a substitute which has none of these cures to its credit.

Free. Dr. Pierce's Common Sense Medical Adviser, paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Or for cloth-bound volume send 51 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

The Science of Osteopathy...

Many people have been led to believe through false reports and ignorance that Osteopathic treatment was painful and even injurious to children or weakened invalids.

Nothing could be farther from the truth for it is adapted to the case, and in no wise is it injurious to the frailest child or weakened invalid. But rather it is invigorating and strengthening, and never is the patient worse out or made nervous from treatment.

However, there are many fakers and pretenders in Osteopathy who do not understand how to give treatment properly. None are genuine or competent who have not attended school at least four terms of five months each.

Dr. L. E. Wyckoff and Mrs. Grace Albright, of I. O. O. F. Temple, Salem, are graduates of the American School of Osteopathy, a twenty months' school, and thoroughly qualified to give scientific treatment and handle any case put in their care. All diseases, especially chronic diseases and deformities, yield to the treatment without knife or drugs.
