

The crowning joy of womanhood is to have healthy children. But there can be no joy in motherhood without health, and without health for the mother there can be no health for the child.

It is of vital importance for women to know that the health of mother and child is in general entirely within woman's control. The thousands of women who have used Dr. Pierce's Favorite Prescription when expecting motherhood, have testified that it made them healthy and happy in the days of waiting, made the baby's advent practically painless, and gave them health to give their children.

Mrs. W. J. Kiddle, of Hill Dale Farm (Hosburg Center), Newburg, Vt., writes: "During the last year I found myself expecting maturity, and in rapidly failing health. I suffered dreadfully from morning sickness, and my appetite was growing perpetually weaker each day, and I received a prompt reply. Took twelve bottles of Dr. Pierce's Favorite Prescription, and now I feel as if I could do all my own work (I live on a good sized farm). I walked and rode all I could, and enjoyed it. I had a short, easy confinement and have a healthy baby boy."

The People's Common Sense Medical Adviser, a book containing 1000 pages, is given away. Send 21 one-cent stamps for expense of mailing only, for the book in paper covers, or 31 stamps for the volume bound in cloth. Address Dr. R. V. Pierce, Buffalo, N. Y.

EXPRESS THEIR SYMPATHY

Salem Union Will Aid Portland's Striking Street Car Men

The meeting of the Salem Federal Union Thursday evening was well attended. The spirit of unionism seems to have permanently established itself in Salem, judging from the enthusiasm that is apparent at all of the labor meetings, and the success that has attended all attempts to effect an organization. After the consideration of routine business last night, the pending Portland street car strike was discussed, and the following resolution was adopted:

"We, the members of Salem Federal Labor Union, send greetings to the street railway employees of Portland, and extend hearty encouragement to them in their present strike, believing their demands to be only just and for the reasonable safety and utility of the car men and traveling public. We assure them our hearty good will, and pledge financial support to the extent of our ability, if the same becomes necessary."
