Wretched Hot Weather
Sufferers.Paine's Celery
CompoundSHOULD BE USED IN JULY
AND AUGUST.

The extraordinary variable spring
and early summer weather of the
present year has been the cause of a
vast amount of sickness in every part
of our country. Strong men and wo-
men have been victims; the weak,
rundown and sickly have suffered in-
tensely, and many families now mourn
the loss of near and dear ones.

The nervous, weak, rundown and
debilitated should now devote their
best energies and attention to health-
building, so as to enable them to with-
stand the enervating effects of the ap-
proaching hot weather.

The use of Paine's Celery Compound
will soon bring a return of true phys-
ical strength; the nerves will be fed
and braced; the blood will be made
purer and richer; digestion will be
corrected, and sweet, refreshing sleep
will take the place of insomnia and
irritability.

Paine's Celery Compound is doing
a marvelous work for the sick and
suffering at this time. It is the only
preparation that possesses value and
virtue for recruiting the strength and
spent energies of weakly and sick peo-
ple in summer time. The trial of
one bottle will give you happy results.

Takes Charge
of Schools

Prof. L. R. Trover, of Roseburg, to-
day took charge of the Salem public
schools as city superintendent, suc-
ceeding Prof. D. W. Yoder. Superin-
tendent Trover will remove his fam-
ily to Salem, and establish his re-
sidence here as soon as he can find a
suitable house for a residence. Houses
are unusually scarce in Salem at this
season of the year.

DRUGGISTS MUST BE CHARY.

They sell all kinds of Hair Prepara-

tions and Fear to Discriminate.

Druggists sell all kinds of hair prepa-
rations and as a rule they are wisely
chary of giving preference to any par-
ticular one, but many of them have
come out plainly for Newbro's Herp-
icide, the new treatment that absolute-
ly kills the dandruff germ. H. Swan-
nell & Son, Champaign, Ill., says:
"One customer of ours who did not
have a hair on top of his head when
he began to use Herpicide, now has a
fair start towards a good head of hair.
We believe Herpicide to be by far the
best preparation of its kind on the
market." Hundreds of similar testi-
monials from everywhere.

The Lankow Method.

Mrs. Rosella Hayes, singing and vo-
cal teacher, of Pittsburgh, Pa., is spend-
ing the summer in this city, and has
decided, by request of acquaintances,
to organize a class in voice culture
and the art of singing. Voice building
a specialty, by the Lankow method,
which is creating much interest in the
East, but is not taught west of Chic-
ago. It will be to the advantage of all
interested in voice culture to call on
Miss Hayes, at George Willis' music
store, from 2 to 6 p. m., this week.

Local News Items.

An examination of applicants for
teachers in the Indian service will be
conducted at Salem by the local civil
service commission on August 11. A
position is open for a teacher (male,
married) at the Pine Ridge Day
School, South Dakota, at a salary of
\$600 per annum.

Thomas Aldridge, aged 38 years, has

been received at the insane asylum,
from Washington county.

A Minister's Mistake.

A city minister was recently hand-
ed a notice to be read from his pulpit.
Accompanying it was a clipping from
a newspaper bearing upon the matter.
The clergyman started to read the ex-
tract and found that it began: "Take
Kemp's Balsam, the best Cough Cure."
This was hardly what he had expected,
and, after a moment's hesitation, he
turned it over and found on the other
side the matter intended for reading.
