What is the use of telling the rheumatic that he feels as if his joints were being dissolved?

He knows that his sufferings are very much like the tortures of the rack.

What he wants to know is what will permanently cure his disease.

This, according to thousands of grateful testimonials, is

Hood's Sarsaparilla

It promptly neutralizes the acid in the blood on which the disease depends, completely stimulates it, and strengthens the system against its return. Try Hood's

Used In Hot Weather

Paine's Celery Compound

Renews and Invigorates the Body and Maintains a Strong and Clear Brain

Thousands of people in whose blood lurk the seeds of disease, decline mentally and physically when the hot weather comes on. They become weak, languid, morose, have loss of memory, loss of appetite with wasting of flesh.

For all such, Paine's Celery Compound is an absolute remedy, approved of by able physicians for purifying and enriching the blood, for feeding and nourishing the nerves, for maintaining digestive vigor, for the building flesh, tissue and muscle, and for promoting refreshing and healthful sleep.

If your condition of health is not satisfactory; if you are not happy, active and vigorous at present, try the virtues of one bottle of Paine's Celery Compound: you will have cause to thank heaven that such a marvelous recuperator was placed within your reach.

The following letter from Hon. J. S. McCarthy, Washington, D. C., a gentleman of national reputation, is a blessed assurance to all hot weather sufferers that Paine's Celery Compound can bestow that health and vigor so much needed at this season:

"I was suffering with nervousness, loss of appetite and insomnia. I was all run down, and nothing did me any good, until a friend advised me to try Paine's Celery Compound. I took four bottles of the Compound, and I am more than proud to testify that it completely cured me. I eat hearty and sleep like a healthy baby. I consider Paine's Celery Compound the best remedy manufactured, and I most heartily recommend it to suffering humanity the world over."

Mrs. Edith Brown and daughters, Nina and Lucile, of Christie, Wisconsin; Mrs. Sarah Chase, of Orient, Multnomah county, and Misses Luella and Beulah Chase and Ruth Rulofson, this city, have gone to Newport for an outing.

Peter, Lora and Samuel Nischwander, of Ohio, are visiting their old friends and neighbors, the Steiner Brothers, of this city, and are pleased to find them all prosperous and settled in good homes. These gentlemen are getting a favorable impression of Oregon, and, while they are probably too well fixed to ever come here to live, a good word from them to some of their neighbors will be a good advertisement for our beautiful valley.

An Idaho Wedding.

At the home of Mr. and Mrs. Geo. Edwards, Croston, Oregon, on the evening of July 3d, were united in marriage Grace Edwards and Alfred Shuauer, of Payette, Idaho. The happy couple entered the pretty decorated room to the music of a wedding march, taking their places, with their maids and grooms, under a beautiful wedding bell. The Rev. R. C. Blackwell performed the brief ceremony which made them man and wife, after which the assembled company sat down to a wedding supper of ample proportions. The newly married pair propose to spend a few days at the beach, when they will make their home at Payette, Idaho. The following guests were present: Mrs. Lewis Pettyjohn, Mr. and Mrs. J. W. Fidler, Mr. and Mrs. Henry Edwards, Mr. and Mrs. A. D. Pettyjohn, Mr. and Mrs. L. D. Pettyjohn, Mr. and Mrs. George Edwards, Mr. Will Pettyjohn, Mr. Jesse Pettyjohn, Minnie Pettyjohn, Julian Fidler, Clarence Martin, Johnnie Edwards, W. A. Rains, Everett Roland, Lena Hughes, Emma Bennett, Lena Stanfield, Harrie and Willie Edwards.

Rheumatism

The liniment bottle and flannel strip are familiar objects in nearly every household. They are the weapons that have been used for generations to fight old Rheumatism, and are about as effective in the battle with this giant disease as the blunderbuss of our forefathers would be in modern warfare.

Rheumatism is caused by an acid, sour condition of the blood. It is filled with acid, irritating matter that settles in the joints, muscles and nerves, and liniments and oils no nothing else applied externally can dislodge these gritty, corroding particles. They were deposited there by the blood and can be reached only through the blood. Rubbing with liniments sometimes relieve temporarily the aches and pains, but these are only symptoms which are liable to return with every change of the weather; the real disease lies deeper, the blood and system are infected. Rheumatism cannot be radically and permanently cured until the blood has been purified, and no remedy does this so thoroughly and promptly as S. S. S. It neutralizes the acids and sends a stream of rich, strong blood to the affected parts, which the sufferer obtains happy relief from the torturing pains.

S. S. S. contains no potash or other mineral, but is a perfect vegetable blood purifier and most exhilarating tonic. Our physicians will advise, without charge, all who write about their case, and we will send free our special book on Rheumatism and its treatment.

HERPICIDE NOT A FAKE.

Unsolicited Testimonials Tell of its Superiority.

Alf. R. Kelley, residing at 2195 Devisadero St., San Francisco, Cal. writes the following:

"When I first purchased Herpicide, I thought, like the majority of half preparations, it would prove a fake. I am happy to state that, on the contrary, it is all, and even more, than you claim for it. Quite a number of barbers throughout the section in which I travel called my attention to the new hair sprouting out on my scalp, and inquired of me what I had been using. I told them 'Herpicide'; also gave them your name and address."

The Science of Osteopathy

Many people have been led to believe through false reports and ignorance that osteopathic treatment was painful and even injurious to children or weakened invalids.

Nothing could be farther from the truth for it is adapted to the case, and in no wise is it injurious to the feeblest child or weakened invalid. But rather it is invigorating and strengthening, and never is the patient worn out or made nervous from treatment.

However, there are many fakers and pretenders in Osteopathy who do not understand how to give treatment properly. None are genuine or competent who have not attended school at least four terms of five months each.

Dr. L. E. Wyckoff and Mrs. Grace Albright, of L. O. O. F. Temple, Salem, are graduates of the American School of Osteopathy, a twenty months' school, and thoroughly qualified to give scientific treatment and handle any case put in their care. All diseases, especially chronic diseases and deformities, yield to the treatment without knife or drugs.
