By the Decision Rendered in the Injunction Suit.

Mitchell Denounces It Un-American and in Violation of the Constitution

An Appeal Will Be Made to the President --- Strike Fund

States District Judge Jackson today handed down decisions in the case of nard Rice, Peter Wilson, Wm. Blakeley, Geo. Bacon, Thos. Laskavich, 'Mother" Jones, Albert Repka, Jos Roeski, Geo. Roeski and Steve Teon lke, accused of violating his injunction restraining them from in any way interfering with the working of the anthracite miners in the Pennsylvania and West Virginia strike district. Haggarty was sentenced to 90 days' Imprisonment, Morgan, Rice, Wilson, Biakeley, Bacon and Laskavich to 60 days, the others will be sentenced later. It is believed "Mother" Jones will get off with a heavy fine. The decision is one of the most sweeping de nunciations ever handed down in an is the most effective blow that could be struck against their cause. Judge Jackson upholds the righteousness of his injunction, and declares that it is a mistaken idea to suppose that the courts of this country can abuse this writ. He says that the defendants, in trying to induce the miners to quit work, were inflicting great damage growth of sentiments of those who be- had rifles strapped to their shoulders. ances of "Mother" Jones as the outmaintained that the right of a citizen other than Tracy, the murderous con-
