INDIAN PUPILS DISMISSED

Department Orders Pupils of Mexican Blood Sent Home

Some weeks ago orders were issued by the Indian bureau of the interior department that all pupils of Indian schools having Mexican blood in their veins be sent home, as an exchange. This will affect very largely the schools at Phoenix and Tucson, Arizona, and in New Mexico.

Several hours later word came from Harrisburg that the supposed outlaws had passed through that place, and shortly afterward the constable at Coburg telephoned over that they had just passed through there, and that it was strongly believed one of the men was Tracy, but that he (the constable) was limited about stopping them with the small force of two or three deputies, which he had banded together at the receipt of the word from Albany.

EUGENE PEOPLE SCARED

Three Harmless Hunters Cause All Kinds of Excitement

The three harmless hunters who passed Salem Thursday morning caused a liberal amount of excitement up the valley. The people of Albany became badly frightened from the reports that had gained circulation out of this city, and this only tended to aggravate the state of affairs at Eugene.

This morning Deputy Sheriff Fred Fisk received a message from the sheriff's office at Albany informing him that three men on bicycles, all heavily armed and one resembling the description of the notorious outlaw, Harry Tracy, had passed through there on their way south. Officers at Harrisburg and Coburg were also notified.

Midsummer Sufferings

Paine's Celery Compound

Quickly Dissipates Tired Feelings and Gives New Life to the Weak, Nervous, and Debilitated.

Tired, languid and despondent feelings prevail to an alarming extent during the heated term of summer. Such feelings indicate depleted blood and a feeble condition of the nervous system.
