A Breakfast Food that Makes Vitality Quick as Lightning's Flash

Central Park West, New York, March 28, 1902.

"FORCE" FOOD CO., Buffalo, N. Y. Gentlemen—I think it my duty to write and tell you how I appreciate the good quality of your "FORCE" Breakfast Food. I have had stomach trouble for a year and am unable to eat anything but "FORCE" and milk. It is the only solid food I eat, and I never get tired of it and have gained four pounds. I eat about three packages a week. It is better than any other food on the market, and I cannot praise it too highly. Yours very truly, Name furnished on application.

A Word to the Great Army of Summer Toilers

If you are Not as Robust, Vigorous, and Happy as Others in the Month of August PAIN'S CELERY COMPOUND Will Give You Health, Full Energy, and Happiness.

Many men toiling in offices, stores, and workshops during this hot summer weather, and women weighted with the work and cares of home, are critically near the breaking down point. The symptoms of coming sickness and disease are manifested in sleeplessness, nervousness, tired feelings, languidness, irritability, falling appetite, and poor blood circulation. Paine's Celery Compound is a precious boon to the ailing, sick, and run-down in this August weather. A bottle or two used at once will quickly bestow the needed strength to battle against the weakening and enervating effects of the oppressive heat, and will enable men and women to go through the necessary routine of daily toil with heart, soul and energy. Paine's Celery Compound is specially distinguished for its ability to build up weakened systems in hot weather. Mr. George W. Demarest, of 128 West 6th Street, New York, says: "I am a licensed stationary engineer and although my work is not very laborious, I suffered so intensely with severe pains in my back and kidneys that I was compelled to leave my work and remain at home for six months. I suffered greatly with headaches and soreness in chest and lungs, and my joints became very stiff. I actually felt I was doomed to fill an old man's grave at the age of thirty-two. As a last resort, I used two bottles of Paine's Celery Compound when I was able to resume my work, and after using the third bottle, I am in perfect health. The value of Paine's Celery Compound is inestimable, and I urge others afflicted as I was to use it."

Deafness Cannot Be Cured

by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh which is nothing but an inflamed condition of the mucous surfaces. We will give one hundred dollars for any case of deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Sold for circulars, free. F. J. CHENEY & CO., Toledo, Ohio. Sold by all druggists, 75 cents. Hall's Family Pills are the best.

WHAT TIME PROVES

This thing of being sick and looking for a cure is a mighty serious business. People are not given to joking even at the first symptom of the approach of the grim destroyer. They do not want to be the subjects of experiment, but want medicine that has stood the test of years behind it. A medicine that has been made and used for 20 years gives assurance of its worth, and can be taken with a faith that they have the very best cure the world affords. All this can be said about Dr. Gunn's Improved Liver Pills as a remedy for sick-headache, dyspepsia and indigestion, it begins right at the source of the trouble and removes the cause. We will send a sample box of these pills free, or a full box on receipt of 25c. Sold by all druggists for 25c per box, or address Dr. Gunn, Philadelphia, Pa. For sale at Dr. Stone's Drug Stores, 2

A lone highwayman Sunday night at Helena, Mont., held up Samuel Travis and James Randall, and after he had robbed them, compelled Travis to stop a street car, tie a handkerchief over his face, and go through the car. The robber secured \$50. There is no clue to the highwayman.
