

CANCEROUS ULCERS

Are in many respects like other ulcers or sores, and this resemblance often proves fatal. Valuable time is lost in fruitless efforts to heal the sore with washes and salves, because the germs of Cancer that are multiplying in the blood and the new Cancer cells which are constantly developing keep up the irritation and discharge, and at last sharp shooting pains announce the approach of the eating and sloughing stage, and a hideous, sickening cancerous sore begins its destructive work.

No ulcer or sore can exist without some predisposing internal cause that has poisoned the blood, and the open discharging ulcer, or the festering sore on the lip, cheek or other part of the body will continue to spread and eat deeper into the flesh unless the blood is purified and the Cancer germs or morbid matter eliminated from the circulation.

S. S. S. cleanses the blood of all decaying effete matter. It has great antiseptic and purifying properties that soon destroy the germs and poisons and restore the blood to its natural condition. And when pure blood is carried to the ulcer or sore the healing process begins, the discharge ceases and the place heals over and new skin forms. S. S. S. is a strictly vegetable blood purifier containing no mercury or minerals of any description.

If you have an ulcer or chronic sore of any kind, write us about it, medical advice will cost you nothing. Books on Cancer and other diseases of the blood will be sent free.

ACKER'S DYSPEPSIA TABLETS

Will Have Big Yield

I. L. Patterson, of the firm of Gilbert & Patterson, who own a large hop yard in Polk county, today stated that they would have 25 per cent. more hops from their yards this year than they harvested last year. This is an exception to the rule, for the yields in the majority of the yards will be lighter than a year ago. Mr. Patterson says their yards will not only produce an increased yield, but the quality will be better than a year ago. He explains this condition to the extra cultivation that their yards received. This firm finished the picking of its early hops last week. The yield was 600 pounds to the acre. They began picking their late hops Monday morning.

A Few Pointers.

The recent statistics of the number of deaths show that the large majority die with consumption. This disease may commence with an apparently harmless cough which can be cured instantly by Kemp's Balsam for the throat and lungs, which is guaranteed to cure and relieve all cases. Price 25c and 50 cents. For sale by all druggists.

Dixon vs. Palmer.

London, Sept. 8.—There was a time not so very long ago when a fight between George Dixon and "Pedlar" Palmer drew a crowd of record-breaking proportions, but the fact that the once famous "Little Chocolate" is regarded as a back number is painfully evidenced by the lack of interest manifested in the fight between the two, scheduled for the arena of the National Sporting Club tonight. Though Palmer was never a match for Dixon, when the latter was in his prime, he is now a decided favorite in the betting, and the ring critics do not expect the colored boy to stay half the limit of 20 rounds.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly falling to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and, therefore, requires a constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c. Hall's Family Pills are the best.

Sacramento, Cal., Sept. 8.—The livestock exhibition, including horses, cattle, swine and sheep, is the distinguishing feature of the California state fair, which opened today. The fair continues two weeks, and the management expects a record-breaking attendance. Racing begins tomorrow, and will include running, trotting and pacing races.

Brought to Hospital

Wm. Lacock, the 10-year-old son of E. E. Lacock, of Portland Heights, is being treated at the Salem Hospital, having been accidentally shot by a 22-caliber rifle, while hunting on the Oliver Beers' farm, about 10 miles north of Salem on Friday. The rifle was in the hands of one of Lacock's companions, when it was accidentally discharged. The bullet passed through the knee joint of the right limb, and lodged in the large muscle of the calf. The bullet was removed by Dr. C. H. Robertson, of this city, and no serious results are expected.

CURES MULTIPLY

SCIENCE PREVAILS AGAINST THE ILLS FLESH IS HEIR TO.

Our readers are by this time familiar with the name of Dr. Darrin, and they have no doubt read with interest accounts of the many remarkable cures this celebrated physician has performed. We suspect that in spite of the many local cures, some have heard the testimonials of grateful patients with some suspicion as to their authenticity, therefore, we are gratified to be able to present more testimonials of people who may be personally acquainted. There are probably no better known people in the country than the names we present below. They have spent the most of a lifetime in this state—and their reputations are such that nobody can doubt the truth of their statements. They have received relief and cure at the hands of Dr. Darrin, at the Willamette Hotel, Salem, and desire to inform the people that they have the same opportunity. We give their cards below:

No More Pain for Her.

To the Editor: For a long time I have been afflicted with what the physicians called a cancerous tumor, of my breast, which gave me great pain. I have been under Dr. Darrin's electrical treatment, and find my trouble has nearly disappeared. I am correspondingly happy over the result. Refer to me at Pratum, Marion county, Oregon. MRS. GEORGIA MILES.

Discharging Ear Cured.

To the Editor: For 50 years or more I have had a discharging ear and partial deafness. The troubles have given me a world of trouble and inconvenience. I have been cured of the discharging ear, and am rapidly recovering my hearing—all of which I ascribe to Dr. Darrin's skillful electrical treatment. Refer to me at Woodburn, Or. JOHN B. SMITH.

Scoliosis and Lung Trouble Cured.

Mr. and Mrs. Reuben Lee of Turner, Oregon, report that his scoliosis rheumatism is cured, and his general health good, the result of Dr. Darrin's treatment. Mrs. Lee was cured of an abscess of her lung, cough and lameness. Both came to Dr. Darrin three months ago, walking with canes. Now their power of locomotion is perfected.

Mr. and Mrs. Wm. McMillan, of Monmouth, were in Salem last week, to report progress in the treatment for deafness the former is receiving by Dr. Darrin. He is so far improved, his wife says, that the family can hardly whisper that he does not hear it.
