GOVERNOR GEER AND

THE SPEGIAL SESSION IN HONOR

Will the Chief Executive Use His Club for the Common People

To Gain Great Reforms That Can Be Brought About in No Other Manner--- The Most Popular Man in Oregon if He Strikes a Telling Blow

Against the Grafts

What has Governor Geer to gain or lose by calling a special session? The whole matter is not personal matter. IT IS A MATTER THAT UN-DERLIES GOOD GOVERNMENT, AND INVOLVES THE PROGRESS OF ALL REFORMS. In the county conventions, in the state conventions, on the cam

paign of all parties, and by petitions of the people a special session was lemanded, and made imperative and iveltable to the welfare of the

It was not necessary for the people to send in a single petition to authorize the governor to call a special session. THE REFERENDUM, THE FLAT SALARY REFORM, THE FEE GRAFTS CAN BE REACHED

It is not a matter to be played with from the standpoint of how it will hurt or help anybody's chances for the Senatorship. If the people thought for a moment that Governor Geer was doing that they would despise him, in spite of having voted for him for United States Senator. The demand for a half million collars for the Lewis and Clark Exposition is an unwarranted imposition on the taxpayers, unless it is coupled with some great benefit to the taxpayer, like the Direct Legislation or the

Flat Salary Reform.

Do the Portland managers think they can heap additional taxes on the farmers, and at the same time fight every reform proposition that is dear to the heart of the farmer?
WILL GOVERNOR GEER POPULARIZE HIMSELF AMONG THE FARMERS AND LABORERS OF OREGON BY PERMITTING THEM

They ridicule his pretensions to the Senate, ignore his popular vote,

cartoon him out of the race, and then expect him to sit down and play their game at the expense of the taxpayer.

The people have confidence in their governor having a little of the hayseed fighting blood in his veins, when it comes to that, and believe that he will not step down and out of office a mere nullity, and let the Ittle handful of Portland politicians have their own way in everything.
THE PEOPLE WILL RESPECT AND ADMIRE GOVERNOR GEER IF HE WISELY AND VIGOROUSLY USES THE CLUB THEY HAVE PLACED IN HIS HANDS, TO BE USED FOR THE PEOPLE, UNTIL CHAMBERLAIN TAKES UP THE REINS OF GOVERNMENT.

These politicians are telling him now not to call a special session, and they will make him great in the future. They are whispering in his ear if he will just keep his hands off their grafts they will have votes to

throw to him to make him Senator. WHEN HE IS OUT OF OFFICE.
Like the Tempter on the Mountain, who offered the Saviour ole earth, he should tell Jack Matthews and his satellites-"GET THEE BEHIND ME, SATAN. YOU HAVE NOTHING TO GIVE ME, AND IF YOU HAD THE PEOPLE WOULD DESPISE ME FOR TAKING GIFTS AT YOUR HANDS."

If Governor Geer calls the special session and tells the Legislature, as well as he is able, to do what the people demand, AND LOSES SIGHT OF HIS SENATORIAL CANDIDACY FOR THE TIME BEING, the peof the state, regardless of party, will back him for anything in their wer to bestow. If he shows the people that he is in earnest in their behalf they will

down the whole Portland combination, if necessary, to see that justice in ne the Governor who fights their battles. That is what they will do for Roosevelt in the Presidency, and that what the people of Oregon will do for any honest man who shows them

that he has a backbone, because the day when the people had to bow wn to the bosses for everything is happily past in Oregon. The Flat Salary Reform and Direct Legislation are matters of such

simple and fundamental justice that they are bound to come about. The official who causes them to be delayed or defeated pursues a suicidal policy. THESE REFORMS WILL HAVE TO BE PUT IN EFFECT COME TIME, AND THE SOONER THE BETTER. THE TIME TO DO RIGHT IS NOW, NOT FOUR YEARS FROM NOW. If the people have to employ the Initiative to secure this reform they will owe Governor Geer nor any other man anything. The last and

If the Portland people who sat upon Governor Geer, and spat upon him, and are continuing to do so, can dictate to him in this matter, and get him to do their bidding, who will blame them if they continue to treat him, or any other Republican, in the same way?

only opportunity for any politician to do anything for the people is

The interests of Good Government, the platform promises, the Pockets of the taxpayer demand that the selfish bosses be defeated, AND THE ONLY MAN TO DEFAT THEM AT PRESENT IS THE GOVERNOR.
