Business
men require
trained help

The modern business college is a result of business requirements. The business man now
looks to the school to supply his help. Therefore, a young person now has but scant opportunity
of succeeding in business without a thorough training such as he may secure at the

CAPITAL BUSINESS COLLEGE.

This school has an established reputation for supplying competent help to business men.
This fact should not be overlooked by young people when deciding which school to attend.
We offer cheap living, skillful teachers, pleasant rooms; in fact all the advantages one could
wish. Send for catalogue.

W. I. STALEY, Principal, Salem, Oregon.

Bed Time

I take a pleasant herb drink, the next
morning I feel bright and my com-
plexion is better. My doctor says it
acts gently on the stomach, liver and
kidneys, and is a pleasant laxative. It
is made of herbs, and is prepared as
easily as tea. It is called Lane's medicine.
All druggists sell it at 25c and
50c. Lane's Family Medicines
moves the bowels each day. If you
cannot get it, send for free samples.
Address, Orator Woodward, LeRoy,
N. Y.

Poisoning the System.

It is through the bowels that the body is
cleansed of impurities. Constipation keeps
these poisons in the system, causing head-
aches, dizziness and melancholy at first,
then nightly eruptions, and finally serious
illness, unless a remedy is applied. De
Witt's Little Early Risers prevent this
trouble by stimulating the liver and pro-
mote easy, healthy action of the bowels.
These little pills do not act violently, but
by strengthening the bowels enable them to
perform their own work. Never gripe or dis-
tract.
F. O. Mason, Druggist.

Clerks, Notice.

There will be a meeting of the
clerks' union Friday evening at 7:30
o'clock, in the hall over Rodgers' bind-
ery. Important business to be trans-
acted.

Vacation Days.

Vacation time is here, and the children
are being led out of doors. There
could be no healthier place for them. You
need not look for a better place for them.
Incidental to most open air sports. No
remedy equals Dr. Witt's Little Early
Risers for quickly stopping pain or removing
danger of serious consequences. For cuts,
bruises and wounds. It used De Witt's
Little Early Risers for sore cuts and bruises.
says L. B. Johnson, Swift, Texas. It is
used by the military in the field. Sure cure
for piles and skin diseases. Beware of
counterfeiters.
F. O. Mason, Druggist.

INIMITABLE NEIL BURGESS.

In His Matchless Female Personation
in "The County Fair" Tonight.

What lover of classic art of the
stage has not heard of Neil Burgess
and "The County Fair." The interest
in tonight's production of this pastoral
drama at Salem's Grand Opera House
is great. Neil Burgess himself is out
with the company, and has associated
with him the most capable organiza-
tion that has ever essayed the port-
rayal of this well known production.
The great horse race scene with Mr.
Burgess' own horses, the singing and
dancing features and dissolving views
around Mr. Burgess again. In this
production Mr. Burgess appears as
Miss Abigail Prue, a prim and prudish
spinster, exqu岸itely biogoted, mar-
vously shrewd, and good hearted and
kindly to a fault.

of the more credit since the demands

the confinement necessary to carry

The readers of this paper will be
pleased to learn that there is at least
one dreaded disease that science has
been able to cure in all its stages and
that is catarrh. Hall's Catarrh Cure
is the only positive cure now known
to the medical fraternity. Catarrh be-
ing a constitutional disease, requires a
constitutional treatment. Hall's
Catarrh Cure is taken internally, actu-
ating directly upon the blood and mu-
cous surfaces of the system, thereby
destroying the foundation of the dis-
ease, and giving the patient strength
by building up the constitution and as-
sisting nature in doing its work. The
proprietors have much faith in its cur-
